1) Case in point:

Whilst having **ZERO Lawful jurisdiction** over the Sentient Being population of the good People of the land mass of Australia, Stephen Marshall, Premier has followed and implemented a macabre, global program of **population control and genocide**, so that he may reduce the global population and access the trusts accounts, under the fictitious, private policy of *The South Australian Corporation - A Private Enterprise*, formerly referred to as The South Australian Government.

2) It is not law in any way.

3) It is private corporate policy, of a privately owned global corporation, based in treason, fraud and slavery.

4) The statutes and Acts have ZERO jurisdiction.

5) The statutes and Acts are private policy of '*The South Australian Corporation - A Private Enterprise*'.

6) These statutes and Acts have no greater standing upon the good People of South Australia, than the policies of McDonalds. Thus must be enacted by trickery and violence.
And it is.

7) Use of the Act has resulted in the following:

8) The behaviour of the Premier, his government and the complicit media has led to acts of deception, terror, terrorism, enslavement, division, isolation, discrimination, dehumanisation, neglect and murder to name a few.

9) The Population is 'extremely traumatised' under these conditions and unable to establish the truth is as to these matters and is displaying Stockholm Syndrome.

10) This matter has unfolded amid a **complete absence of lawful due process.**

11) ***The Premier, Stephen Marshall, has pursued a consistent political narrative driven by the United Nations and World Health Organisation and ignored any and all dissenting and scientific expertise conflicting with the narrative.***

12) **Stephen Marshall and his Government have not been made to prove their unsubstantiated claims that there is an emergency arising from the unproven pandemic warranting lockdowns, tests, masks, border closures, location tracking and forced injection.**

13) These are astounding failures in Lawful Due Process and Stephen Marshall 100% personally liable and accountable for slavery.

14) Treating We The People as idiots is never going to be a winning strategy, abusing inalienable rights, freedoms and trusts will not generate peaceful outcomes.

15) On August 24th 2021, an Affidavit was served on Stephen Marshall, the CEO of the private corporation known as the South Australian Government, (and received on 6/09/2021) followed by an Affidavit of Default served on 10/11/2021 (and received on 26/11/2021) instructing him to validate his unsubstantiated claims, that there is an emergency and a pandemic and that the measures taken by him have been justified.

16) Neither of the Affidavits served to him have been rebutted as required by law and hence both stand as fact under the law. No facts or evidence of substance disputing any of the facts within this commercial affidavit has been received from Stephen Marshall and thus compensatory payments for harm to the Deponent

17) The following is the summary of these facts

1. The Polymerase Chain Reaction (PCR) technology is a manufacturing technique NOT a diagnostic tool to detect viruses. It therefore should not have been used as the basis of all the restrictions, mandates and directives inflicted on the South Australian public.

2. The SARS-CoV-2 virus (Covid-19) has never been isolated and ALL health departments worldwide state that NO Records Exist regarding a Covid-19 virus isolate. Therefore Covid-19 does not exist so if that is the case you cannot produce a vaccine.

3. The Centre for Disease Control (CDC) admitted that PCR tests cannot differentiate between Covid-19 and other corona viruses such as the common cold or influenza.

4. Stephen Marshall & The SA Government incorporated, Nicola Spurrier and Christopher McGowan & SA Health incorporated, Grant Stephens & SA Police incorporated, written & televised SA media corporations & local councils have disseminated a prolonged false, fear mongering narrative on the unsuspecting South Australian public of a widespread global pandemic based on a misleading PCR test which delivers results that have no scientific basis in reality and cannot be backed by scientific evidence.

5. The restrictions, penalties & relentless, ongoing fear campaign communicated to the unsuspecting SA public by the South Australian Government incorporated, SA Health incorporated and SAPOL incorporated and their public officials and spokespeople are violations of every individual South Australian's God given human rights and freedoms, and constitute War Crimes, Treason, Fraud and Malfeasance of Public Office, Misfeasance of public power & position upon the People of the Nation State of the Commonwealth of South Australia.

6. The South Australian Government incorporated and public officials, SA Health incorporated and public officials, media corporations and public spokespeople & SA medical officers have stated the experimental mRNA gene therapy injection known as Covid-19 vaccine, a medical procedure designed to treat SARS-CoV-2 is safe & effective, however, statistical data is not only showing it is unsafe and should be stopped immediately but also that SA Health Inc. states it is NOT effective at either stopping you from getting the disease or passing it on to others.

7. Dr. Robert Malone, the inventor of the mRNA technology which includes and is not limited to the mRNA gene therapy injection has not only called for the immediate cessation

of the roll out of this experimental medical procedure but also stated it is not suitable for use in human beings. He has stated also that it SHOULD NOT be given to children.

8. Full consent has not been given as full disclosure of all chemical compounds in the vaccine have not been given therefore breaching duty of care and this is a violation of human rights **upon the People of the Nation State of the Commonwealth of South Australia** and constitutes **War Crimes, Treason, Fraud, Malfeasance of Public Office, Misfeasance of public power & position** as outlined in the Nuremberg Code (1947)

9. The Vaccine rollout is the largest clinical trial experiment ever carried out on the world population.

18) All privately owned, public servant participants are liable for participating in this fraud, and are thus deemed unfit for further employment in any area of service.

19) These are **extraordinary levels of corruption** in our landscape.

20) All Australians deserve to feel justifiably terrified that not only does this privately owned corporation known as the Government of South Australia exist, but that We The People, are paying for it.

21) These are crimes against humanity with all parties 100% personally liable and accountable for their participation in fraud, trickery, servitude and slavery. Criminal Code 270.3 & 270.5. 25 years jail. and s.135.1(5) Criminal Code – general dishonesty – causing a loss to another, 10 years jail

22) A basic, inherent, fundamental pillar of Law is “do no harm” yet Stephen Marshall has caused INJURY and HARM to the entire South Australia population.

23) Australia Trials, equivalent to outcomes of the Nuremberg Trials, will be relevant in this matter.

24) The terror in the South Australian population is immeasurable and the immense distress of family is unmeasurable. Generations of children will suffer from Post-Traumatic Stress Disorder having been raised in an environment where invisible threats abound and so they should never feel safe even when with family members.

25) This is **blatant violation of human rights** by Stephen Marshall and departments within ‘The South Australian Corporation - A Private Enterprise’, masquerading as public servants, being paid on the public purse.

26) This conduct will **cease and desist immediately**.

27) Crimes will be judged before an Australian Jury of 12 peers.

29) This case does represent a precedent for what is determined to be essential standards of accountability in what is known to be a highly organised privately owned corporation known as the Government of South Australia, at the least capitalising on the bond money, held in bondage, of the birth certificate. **A lot of money will change hands by decimating the economy, small business and the middle class and genociding the population.**

30) **In full transparency**, community will communicate and co-operate with South Australian Government ABN 52 786 403 404 to assist it to either be of service to community, or retire.

31) We, The People, are the Superior Jurisdiction at all times, exercising Rule of Law: All Are Equal Before The Law.

32) Understand this is War Crimes, Treason, Fraud and Malfeasance of Public Office, Misfeasance of public power & position upon the People of the Nation State of the Commonwealth of South Australia. Inability to understand this is a form of stupidity, ignorance and slavery.

33) Federal and SA Police, your instructions are:

a) to arrest and incarcerate Stephen Marshall immediately, pending a Grand Jury trial by We The People, his peers

b) cease and desist the COVID 19 Project including all false reporting and all control measures effective immediately

c) and to assist in all ways with further investigations to ensure this standard of conduct in our communities never happens again. This is blatant terrorism.

34) Thank you in advance for your service to the People.

35) The good People of the landmass known as Australia, know all too well, that *The South Australian Government* is a private, foreign owned globalist corporation.

36) Anyone who has done a grain of research is aware of this fraud and tyranny perpetrated against the good People of South Australia.

37) The so called *South Australian Government*, is an arm of a global government, operating in its own private **legal** system, a subset of Law, and managing the People as its private property, via undisclosed trusts. And has thus decided to use a bioweapon on the human population that it alleges to own, as a form of depopulation, since its financial system has imploded, and the easiest way to escape paying debts, is to kill the people you owe money to. It's very simple and highly documented. You can find the papers for that here, scroll down the home page of executiveorders.life to view 'Silent Weapons for Quiet Wars'.

38) *The South Australian Government* is not a Constitutional Government in any way, and should not be mistaken for such, nor should it attempt to perpetuate this myth of legitimacy, nor authority.

39) The Australian Constitution, despite it's flaws, has not been taught in schools, nor barely mentioned, since 1975. Thus resulting in an unarmed, dumbed down society. Perfect pray for the current tyranny. We see you.

40) Thus, as an arm of a private, global corporation, this enterprise will be appropriately renamed by **We The People**, the highest jurisdiction on the land; as: '*The South Australian Corporation - A Private Enterprise*'.

41) Thus the South Australian Government will rebrand itself as *The South Australian Corporation – A Private Enterprise*. The use of the word Government is a deliberate trick to allege to be Constitutional; no different than the privately owned Federal Reserve Bank in the US, using the word Federal to trick the population into believing it is a People owned bank, when in fact it is a privately owned corporation.

42) At no time will '*The South Australian Corporation - A Private Enterprise*' allege to have superior jurisdiction over the word of the People. Also known as **slavery**. Criminal Code 270, 25 years jail.

43) This is a well-known, highly documented scam upon the consciousness of The People and it has been lawfully terminated, multiple times over.
Reference: executiveorders.life/inaugural-australian-grand-jury-2021

44) Whilst '*The South Australian Corporation - A Private Enterprise*' currently occupies the position of '**public servant**' and is paid by the 'public purse', it will conduct itself as servant and thus be beholden to the instructions of the Beneficiaries; to whom it serves. That being: **We The People**. Anything less than this would be treason, fraud and slavery.

45) And thus, will conduct it's affairs in the free market of supply and demand where it's 'policies', previously called 'legislations', will be weighed and measured amid far more progressive, humanitarian policy, based in Law, not legal, and not slavery.

46) Legal is a subset of Lawful, and answerable to Law.

47) Instructions: CEASE AND DESIST THE COVID PROJECT INCLUDING ALL MEASURES, IMMEDIATELY.

48) Thank you for your co-operation.

49) This is for PUBLIC RECORD.
