1. Please refer to the accompanying document:

5. However, it is recognised the Australian Government is wholly supported by the Resource Use of these lands.
6. Superior Jurisdiction;
  - 6.1. is **Rule of Law: All Are Equal Before The Law,**
  - 6.2. and acknowledges **Maxim of Law: All are accountable for their actions.**
  - 6.3. And has removed '*Corporate Immunity*'; the notion that one can be protected by the corporation for the actions they undertake in exchange for their pay check.
  - 6.4. This is a 'legal fiction' and is not recognised in Law, in any way.
  - 6.5. This is not a class based system, nor a Board of the Guardians system.
  - 6.6. Therefore be mindful.
  - 6.7. All are personally liable and accountable for their actions.
7. In this way, Law does protect Humanity from treason, fraud and slavery.

- 
8. In this matter: It is acknowledged by Community; common unity, that the removal of Terrence 8, Lytrell 3, and Baby Olivia, from their community has occurred **by failure of Lawful Due Process.**

### **8.1. Lawful Due Process:**

#### **8.1.1. The claimant must prove their claim**

8.1.2. The accused must be heard

8.1.3. A competent court must make a determination

8.1.4. **ONLY** then can remedy be administered.

9. And does invoke well recognised, and multi generational Harm and Injury to all members of the family, and extended family.
  - 9.1. And yet this cruel system has persisted, instead of offering Love and Support.
  
10. **Failure of Lawful Due Process**; has resulted in the removal of the children from their mother, and father, for a period of
  - 10.1. **199** days, and
  - 10.2. **199** days and
  - 10.3. **103** days respectively, as at 22.6.2023.
  
11. A **6th** hearing, a trial, and the **first expectation for the claimant to prove their claim**, is scheduled for September 12th, 2023.
12. Thus the children will have been removed from their parents for a total of:
  - 12.1. **281** days, and
  - 12.2. **281** days, and
  - 12.3. **185** days respectively.
  
13. This is an exceedingly cruel and barbaric practice.
  - 13.1. This is the source of the **Stolen Generations**.
  
14. Failure of the claimant to prove their claim **before** penalty/remedy is applied, is a **failure of Lawful Due Process**, thus rendering this system to be:
  - 14.1. incompetent,
  - 14.2. operating outside the bounds and expectations of Law
  - 14.3. and to be engaged in the equivalent of child trafficking
  - 14.4. whereby many, many public servants are paid to have custody of the children;

14.5.under the legal fiction of Parens Patriae, 1481.

15. This Act has existed without the free will and informed consent of Humanity, and is deemed

**Null and Void.**

16. Terra Australis Grand Jury 13. 10.9.2022. Order # 7

*16.1.1. The doctrine of **parens patriae**, born of Eterni Regis of 1481, in which the State declares itself to be the parent and **We The People** to be perpetual children of incompetent standards, and thus facilitates the abduction of children by the Department of Child Protection (DCP), is **Null and Void**. It has served as a function of the Private Operating System Of Commerce (POSOC) for **542 years**.*

*Such actions by DCP are deemed actions of **kidnap and hostage, a failure of Lawful Due Process**, and will be processed by the Common Law Courts accordingly.*

*This further substantiates previous Orders regarding the removal of children, and in which Sheriffs must now be present for such events and **witness lawful due process before a competent Court**.*

*What say you Jurors? The doctrine of **parens patriae** is deemed **Null and Void** and Judges and Magistrates are strictly forbidden from using it.*

**Unanimous Yes.**

17. This Act has allowed the State to claim the role of Parent,

17.1.and has then installed a further Public Servant sector to be paid in this matter: the

‘Independent Children’s Lawyer’

17.2.who will offer a 3rd voice:

17.4.due to the 'Independent' legal practitioner being a public servant, as per the Department of Child Protection and as per the judiciary: Judge Quail.

17.5.And all paid on the Public Purse.

18. The affidavit of the mother, Cheyenne Hume, was absent from the 4th and 5th hearings in the Perth Children's Court.

18.1.Despite asking for it to be heard.

18.2.The Court confirms 23.6.2023 that the Affidavit was on file.

18.3.Thus rendering the court to be incompetent in managing the affairs of these individuals.

18.4.It does not facilitate them to be seen, nor heard, due to Parens Patriae: the perpetual child needing to be governed by the State.

19. Also known as slavery. Criminal Code 270: slavery. 25 years jail.

20. Thus, as remedy to this broken system, and in alignment with the Terms and Conditions of the **FNSC**, refer to 1.3, the following is now relevant:

21.1.1. Gemma Varney - Team Leader Busselton Intensive *Family Support Team*.

21.1.1.1. This is extreme hypocrisy as the father is incarcerated and the mother is destitute and emotionally broken. The children are separated in different foster homes. There is nothing 'supportive' going on here.

21.1.1.2. This is a wicked system of immeasurable cruelty and agony.

21.1.2. Joleen Bowles - Senior Child Protection Worker.

22.2. July 30th, 2023, for a Jury by Peers, to assess, in what capacity the 7 pages of claims by Gemma Varney are accurate. This document is dated 7.12.2022.

22.3. This document is supported by Form 424 04/21. A Form that outlines a **Failure of Lawful Due Process** and facilitates the taking of children based on unsubstantiated claims.

22.4. The notion that the children could be taken without first having established validity of the claim is an injury to **Law and Lawful Due Process**.

22.4.1. That Process being essential to ensure individuals do not find themselves innocently incarcerated in environments they should not be in.

22.4.2. Be it a foster home or a prison.

23. Due to the **failure of Lawful Due Process**, this case is currently a kidnap and hostage case with full liability resting with the names at 21.

24. There should be no encumbrances to this process by any Public Servants in any way whatsoever, without that Public Servant also becoming complicit in facilitating a **failure of Lawful Due Process**, and is 100% personally liable and accountable.

25. The Police have been listed as a source of constant harassment for the family.

25.1. And are therefore instructed to stay away.

25.2. Names and badge numbers will be recorded and publicly gazetted should Police offer any interaction that is not based in care and support.

26. The DCP, by their own admission, in their own documents, visited the house 23 times.

26.1. This is extraordinary harassment.

26.2. This process represents a gross misappropriation of funds, that these Public Servants would continue to be paid, whilst offering no assistance to the family other

than to take the children.

27. In. The matter of the Terrence Rodd being incarcerated:

27.1. Since April 16 - August 28th, evidence of the the crime is required.

27.2. And the claimant must make themselves known.

27.3. Without these essentials, this is a matter of persecution and generating revenues for the State by incarceration of First Nation individuals for which the Statutory and Legislative framework of Parliament has zero jurisdiction over.

27.4. The Magistrate will be held to account for wrongful imprisonment if the Jury cannot witness the evidence that has lead to the ongoing incarceration of Terrence Rodd.

28. This is a family who has been ripped apart by the State.

29. The Harm and Injury costs are considerable:

29.1. \$10 000 per hour, per child, for every hour the child is stolen by the State, with no

### **Lawful Due Process.**

29.2. The damages for the State of Western Australia, as at 15 June 2023: **\$114 960 000**

30. Therefore the Sovereign Peoples Assembly, the Common Law Sheriffs, the First Nation Sovereign Council and Crown Executive Orders deem this matter to be of one whereby:

30.1. The children should be immediately returned to family.

30.2. A Common Law Court should ascertain the validity of the claims, by Jury.

30.3. The Trial for September 12, 2023 in the Children Court be cancelled by Superior Jurisdiction.

30.4. The Salvation Army to provide all necessary goods required.
