- 23RD TERRA AUSTRALIS GRAND JURY -

AGENDA

11.11 am AWST 3.7.2023

Acknowledgement by Jurors to note these Orders and tools exist and have Lawful standing via Lawful Due Process conducted by **Crown: We The People of Superior Jurisdiction.**

End of 2nd World War. **September 2nd 1945**

United Nations began **October 24th 1945**

Australia was a founding signatory to the United Nations.

No referendum was held to consult with the good People of Terra Australis.

Thus these lands became part of a globalist compact, without the permission of Humanity.

A globalist government - created **without** the **Free Will and Informed Consent of Humanity.**

The **Rothschilds** banking system. 23.12.1913 - 31.1.2023. 110 years has ensured almost all countries have been indebted to this construct. Only now remedy coming in via the BRICS alliance.

The World Economic Forum by Klaus **Rothschild** Schwab - is an unelected body of people who then infiltrated all governments around the world, except those who find themselves in war, as an outcome of not joining this private 'club'. The implementation of the 15 minute city, a community prison, is the concept of this organisation.

Wishing to acknowledge

Bronwyn Newland ❤️ :

who passed suddenly 1.7.2023.

And the body of work she leaves behind: her words, her wishes, her visions for a fair and compassionate Humanity on these Lands.

Bronwyn dispersed a Landmark document to the government 20.3.2023, thus setting into motion the true, and documented Voice of the First Nation People of Terra Australis.

That document is gazetted here:

1.5. The Western Australian Government fails miserably in it's claim:

*1.5.1. The Parliament of Western Australia is honoured to be situated on the ancestral lands of the Whadjuk Noongar people. The Parliament acknowledges the First Australians as the traditional owners of the lands we **represent** and pays respects to their Elders both past and present.*

exact same blueprint; is a child trafficking enterprise. An enterprise of sheer misery.

- 1.7. Having Humanity trapped inside its scarcity program, run by the Catholic Church, whereby **Crown: We The People of Superior Jurisdiction**, are deemed to be **church property**, and maintained at 'sustenance' standards.
- 1.8. The military, a Jesuit run organisation, the 'God's army' of the Catholic Church, live in abundance; whilst promoting austerity, penance, sacrifice and the outreaching arms of this 'government'. They deem themselves not answerable to Humanity, in any way. Having positioned themselves to be the Parent State under the now defunct Parens Patriae 1481 a part of the Papal Bull Eterni Regis 1455.
 - 1.8.1. Made defunct by Order #7 Grand Jury 13 10 Sept, 2022 :

The doctrine of parens patriae is deemed Null and Void and Judges and Magistrates are strictly forbidden from using it.
- 1.9. Humanity is merely and simply trapped within a psychological operation. A completely fictional construct of evil, having harvested all the resources, and continues to do so. It is 100% fraud.
 - 1.9.1. Western Australian Parliament : Parliament House, 4 **Harvest** Terrace, West Perth WA 6005
- 1.10. No entity should have this much power: to create a banner, and then divide itself up into at least 22 departments, and deem itself not answerable to:

Crown: We The People of Superior Jurisdiction.

1.11. This entity is witnessed to be performing to standards of **Crimes Against Humanity**. And includes;

1.11.1. an incompetent Court system,

1.11.2. no adherence to Lawful Due Process,

1.11.3. the gross misappropriation of resources, as evidenced by the state of the property at 23 Honeyeater, Busselton, WA. Deemed non- inhabitable. As well as the empty pantry and the number of different family members in institutions, thus reducing the capacity of this First Nation family to support itself, upon their own lands.

1.11.3.1. Father - jailed - 5 times before the same Magistrate without evidence or a claimant in the court.

1.11.3.2. 2 young boys 8 and 3 in foster care. Foster care family now receives Centrelink payment to look after them. 200+days

1.11.3.3. Sibling: 5 month old baby girl - in a different foster care home. Foster care family now receives Centrelink payment to look after them.

1.11.3.4. 15 year old Grandson of Vicky - in Banksia Hill. Thus carer payment from Centrelink cut off. Redistributed to Banksia Hill.

1.11.3.5. Daughter of Vicky, mother of grandson in Banksia Hill, already told by DCP Busselton that her baby, due in 8 weeks, will be taken by DCP at birth. Foster care family will receive Centrelink payment to look after baby. Whilst baby is robbed of all culture.

1.11.3.6.Car - has sticker on it so cannot be driven. So Vicky cannot get to jail to visit son, who is stuck in there whilst all 3 children are missing.

1.11.3.7.Partner and mother of children - perpetually distraught. Positioned to be a job seeker. All Centrelink payments minimised. Regularly cut off from payments. In a desperate financial and emotional state.

1.11.3.8.This continued breakdown of the family unit, and the redistribution of resources to institutions is a framework of slavery.

Criminal code 270, 25 years jail.

1.11.4. This blueprint is not uncommon. It is precise, and it is rolled out verbatim. Now witnessed in multiple cases.

1.11.4.1.Isolate the parent

1.11.4.2.Potentially incarcerate the father

1.11.4.3.Write an extensive damning report about the parent/s

1.11.4.4.Take the children, with Police assistance

1.11.4.5.Run multiple useless court hearings, before incompetent Magistrates and Judges.

1.11.4.6.Unfold alleged 'care programs' to the parents that involve blackmail to see the children. If seen at all. Often the children are not seen.

1.11.5. This is a criminal organisation.

1.12. Does Parliament know that it's government is a lawless child trafficking organisation? Does it have any clue what is going on?

1.12.1. Is it part of it?

1.12.2. Or is it ignorant?

1.13. Vicky Penny: Elder; grandmother of 3 missing children, was silenced in the Children's Court on 14.6.2023 by Judge Quail. Therefore deemed a slave.

1.14. All of these departments need to be audited. Therefore, this Order is a large, overarching Order, that gives Community the authority to audit any department necessary and will include a comprehensive letter to all members of Parliament informing them that *Crown: We The People of Superior Jurisdiction*, will be making contact, with templates to hold accountability, and to repurpose assets, and free those who are incarcerated, be it in jail of foster homes: by failure of Lawful Due Process.

1.15. Such matters will be recorded on the new Sheriff gazette for any public servants failing Lawful Due Process, failing to communicate, or failing to cooperate.

And does invoke:

Grand Jury 16. Order #4. 8.12.22 For the individual, in their personal capacity, occupying the Office of any Public Servant role who fails to respond to Crown

Executive Orders, the fine is **\$5000** in gold and/or silver; for the individual, and is publicly gazetted for belligerence and slavery.

1.16. What say you Jurors?

1.17. Unanimous Yes

2. Order #2

2.1. The house occupied by Vicky Penny and her family, was deemed, by Alan Wallace of Maunder Builders, to be **uninhabitable**.

2.2. Viewed and assessed 30.6.2023.

2.3. And required a budget of \$16 000, plus contingency: total \$25 000 to make it habitable.

2.4. This house is a Homeswest House.

2.5. Which renders it to be an asset of **Crown: We The People of Superior Jurisdiction. And yet it is maintained at this level.**

2.6. Further, Elder Wayne Smith, Geraldton; tells us of many zombie homes in Geraldton. Bordered up, despite a homeless issue whereby approximately 50 people are turning up to a house for rent.

2.7. Additionally Bronwyn, rest in peace, alerted us that there were zombie houses in Leonora also. Whilst folks were living by the river.

2.8. Thus it is apparent, we need to do a Nationwide stocktake of all Homeswest houses that are sitting vacant, or in severe disrepair, with addresses, and assign a starter budget of \$25 000 to these houses to get them operational

and provide housing in a housing crisis. A 'renovation blitz team will be required.

2.9. What say you Jurors?

2.10. Unanimous Yes

3. Order #3:

3.1. Based on the Hume Case of 3 children taken by DCP, for 200+ days.

3.2. The Court process is recognised as a fraud.

3.2.1. Producing 5 court hearings during the 200 days, in which absolutely nothing was achieved. The claimant: Gemma Varney, on behalf of the Corporation known as the Department of Communities - Busselton, has not had to substantiate her 7 pages of claims with evidence. She has not been seen in the Court process at all.

3.2.2. The 4th hearing was merely to set a date for the 5th hearing, which was to set a date for the 6th hearing, which would be a trial, and was set for a further 90 days out. That being September 12th, 2023. Thus of a 2 year order of detainment of the children, almost 1 year of it will have passed before it is ascertained if the claims are valid.

This is gross **failure of Lawful Due Process** and is thus blatant kidnap, hostage and child trafficking.

3.3. The use of document 424 4/21 is dismissed as a **failure of Lawful Due Process**.

3.4. Further to documents provided to DCP, the children needed to be returned by midday 30/6/2023. This did not happen.

3.5. Thus denying the authority of FNCS and the Orders written to manage DCP:
<https://executiveorders.life/press-release-record/entry/5696/?gvid=2748>

3.6. This matter is to come before a Common Law Court hearing on 30th July 2023 in which public servants, paid on the public purse, will come before a Jury of 12+ and will be held accountable for these **failures of Lawful Due Process** and are subject to accountability for:

3.6.1. Kidnap

3.6.2. Hostage

3.6.3. Torture

3.6.4. Slavery

3.6.5. Misappropriation of inherent right to resources

3.7. This Court blueprint will be made available throughout Terra Australis, to aid in the return of children to their rightful family clan.

10.5. What say you Jurors: Do you recognise that the government continues to steamroll ahead with Land Planning and fails to consult the appropriate parties and therefore this 'STOP Order', and budget for review, is warranted ?

10.6. What say you Jurors?

10.7. Unanimous Yes

11. Order #11:

11.1. Additionally: the Executive Director of the Department of Planning, Land and Heritage, Darren Corr, was given Notice 29.6.2023 for behaving like a Ruler instead of a Public Servant and shutting down communications with the Daniel Kickett Law Council, thus thwarting progress for 8 months with regard to ascertaining how the 40 acres of Daniel Kickett land became a part of the Aboriginal Land Trust.

11.2. The DPLH was also given instructions for the development of the 40 acres, to secure inherent rights for the Kickett bloodline and to provide urgent assistance to a family in need after tragic circumstances.

12.2. What say you Jurors?

12.3. Unanimous Yes

13. Order #13
