**Grand Jury #26      Order #13      29 September 2023**

### **Third Party Slave Traders. Eg: Max Employment, Workskil**

13.1. Centrelink- derived from the Workhouse Test Act of 1723, has long been a slave system, created by the Catholic Church, which allegedly owns the People. Unum Sanctum 1302, and further Papal Bulls.

13.2. This is a landscape in which Inherent Rights are forcibly exchanged for Benefits, thus alleging to bring an individual under the jurisdiction of the inferior Private Members Association, that calls itself the Australian Government.

13.3. This is effectively blackmail, coercion and slavery. It is fraud, because the Australian Government alleges to have resources to give to you, that were not already yours.

13.4. This is not possible, since all resources are derived via the monetisation of the Birth Certificate or the alleged permission granted for use of resources, by the receipt, known as the Birth Certificate, despite no transaction details readily available since Humanity has traditionally been under Guardianship and therefore allegedly; did not need to be consulted about Resource Use.

13.5. Particularly vulgar is the development of the points based system to monitor Humanity and their application to job search requirements. Upon failing the points system an individual can be suspended from payments, thus causing extreme distress and hardship on an already highly stressed population.

13.6. Thus these 3rd party contractors who are the Job Seeker contractors, of which Max Employment or Workskil Australia would be examples, are hereby given **Notice** that:

13.6.1. The point system is **Null and Void**. Under no circumstances is Humanity monitored by a point system. This is a complete absurdity.

13.6.2. The disconnection of any individual from essential resources that were only ever theirs to begin with, is strictly forbidden and does now incur a penalty to the

provider of an amount of: **\$10 000** per day, per Man or Woman, also known as the **Executor and Beneficiary.**

13.6.3. The Job Seeker provider: eg Max Employment and Workskil Australia would be liable for this injury/penalty.

13.6.4. All providers will be Notified and must reply with written confirmation of receipt no later than 2 weeks after receipt, or be deemed incompetent and incur a \$1million penalty for belligerence, slavery, treason and fraud, and a public listing for such conduct.

13.6.5. The CEO's will be held 100% personally liable and accountable for recognising this change in their contract.

13.6.6. Any individual team members who action a disconnection from resources upon any individual will be **held personally liable and accountable** and incur a penalty of **\$66 000** - flat rate.

13.6.7. The assumption of a Smart phone and use of an app is also acknowledged.

### 13.7. What say you Jurors?

### 13.8. Unanimous Yes.

10. No jurisdiction exists for the Private Corporation that calls itself the 'Australian Government' to attempt to open commercial business transactions and position the **Creditor** to be the **Debtor**, under the guise of 'safety', and or 'welfare check', and or 'mutual obligation'; resulting in harvest, harassment and invasion of privacy.

12. Further Grand Jury Orders will continue to be written to Map and Track, and Block and Check every move that this private administration presents to Humanity that causes **Harm and Injury**, a fictional **scarcity** on our abundant planet, and all forms of Belligerence by our Public Servant sector, paid on the Public Purse.
13. This is the End of Ages, and All Are Accountable for their actions. Choose wisely.
