On the 12th March 1pm meeting with a psychiatrist (Name unknown.) I booked transport from the Aged Care Transport who do a good Job. Last week. Risma told me verbally that My appointment was at 1pm however when I arrived she told me 2pm. My transport I booked was for 1.30pm. I left at 1.30.

Then she had me on the phone with a psychiatrist Who I did not know asking me questions that I have answered, over the phone. They are putting another CMO on me. Tribunal Date 18th March for a Review. That is not good enough and totally unprofessional. My Life is at stake here.

The drug they are injecting into me are inducing symptoms of Parkinson's Disease.

I have written many emails to the government questioning your jurisdiction and have sent documentation that has not been rebutted.

Please refer to the cchr.org Website. A Watchdog over Psychiatrists and the Field of Mental Health. I have supported them for twenty years.

I am not Under your Jurisdiction. I'm a Crown Sovereign Matriarch Allodial Title Holder. I'm a Tribal Woman and under Customary law your jurisdiction does not apply to me.

The Tamarind Mental Health Centre are committing War Crimes and have violated Article 51 of the Geneva Convention.

I would like you to intervene and Stop the injections and to inform NTCAT Mental Health Tribunal that they have No Foundation in Law therefore they have No Jurisdiction.

Thank you for taking the time to read this correspondence.
