## 1. Order #1 Closing Busselton DCP and immediate return of Hume/Rodd children.

1.1. Further to the delineation of the behaviours of The Department of Child Protection and in reference to Order 1 Section 1:14 of the the 23rd Grand Jury 3.7.2023:

*All of these departments need to be audited. Therefore, this Order is a large, overarching Order, that gives Community the authority to audit any department necessary and will include a comprehensive letter to all members of Parliament informing them that **Crown: We The People of Superior Jurisdiction**, will be making contact, with templates to hold accountability, and to repurpose assets, and free those who are incarcerated, be it in jail or foster homes: by failure of Lawful Due Process.*

And in the matter of Cheyenne Hume and Terrence Rodd and the removal of **Terrence 8 and Lyrel 3 and baby Oliviah**; by Department of Child Protection, a child trafficking organisation and does appear as a wolf in sheep's clothing, this matter is found to be based in unsubstantiated claims warranting accountability, as by the **Sovereign Peoples Assembly of Western Australia** (SPAWA) on July 30 2023; **Claim # 91714646**, in an 8 hour **Common Law Hearing**, and before a **Jury of 13** individuals, in which **all 11 defendants were found guilty of all 5 charges** of:

1.1.1. Kidnap and Hostage

1.1.2. Torture

1.1.3. Human Trafficking

1.1.4. Slavery

### 1.1.5. Misappropriation of Resources.

- 1.2. Therefore, as example to all DCP offices throughout Terra Australis, the Busselton Office will be closed by Notice on the windows, and public gazette, and the assistance of the Australian Federal Police.
- 1.3. **The 3 Hume children will be returned immediately**, by aid of the Common Law Sheriffs and Australian Federal Police - they being public servants, paid on the public purse, and of inferior jurisdiction to all Common Law matters as they are under oath to a private corporation that calls itself the Australian Government, and the private BAR Guild legal system that refers to itself as Law.
- 1.4. The children will reside temporarily at XXXXXXXXXX
- 1.5. Department of Housing will bring the property up to habitable standards immediately, as per professional building codes and standards. Or, as requested by XXXX, a house made available in XXXX , immediately.
- 1.6. **What say you Jurors?**  
**Unanimous Yes.**

## 2. Order #2: Closing the Perth Children's Court

- 2.1. Based on the fact that the President of the Children's Court; Judge Quail, was a defendant in the above named Hearing by **Sovereign Peoples Assembly of Western Australia** on July 30 2023, **Claim # 91714646**, and was found guilty by a jury of his peers, it does render the Children's Court to be a court based in a **failure of Lawful Due Process**, and

therefore needs to be closed.

- 2.2. The energy in this building is toxic, rendering it worthy of gutting, cleansing and repurposing.
- 2.3. Current cases for Hearing will need to be suspended, and come before a Common Law Court with a Jury.
- 2.4. Youth with genuine offences will be given a term of community Service and mentorship, not incarceration by the State in State facilities which merely serve to generate revenues; whilst risking suicide and further emotional and psychological injury to those incarcerated.
- 2.5. Such process will be made available as soon as possible within given assemblies, but by no later than September 1, 2023.
- 2.6. A template will be created by processes established by the SPAWA format to ensure rapid case management and remedy.
- 2.7. **What say you jurors?**  
**Unanimous Yes**

### 3. Order #3:

- 3.1. With regard to the Hume/Rodd case; further to Order #1, section 1.3, and based on the outcome of the Hearing by **Sovereign Peoples Assembly of Western Australia** on July 30 2023, **Claim # 91714646** there will be no trial September 12, 2023, nor a need for a readiness hearing August 28th, 2023.
- 3.2. The extreme **failure of Lawful Due Process** to establish any substantiation of the claims before enacting remedy or in this case; penalty, that is the removal of the 3 children, for

now 240 days for Lytrel and Terrence, and 144 days for Oliviah, has been one of such **insufferable cruelty, and damages yet measurable**, that no further claims about this family will be entered into.

3.3. Full focus will remain on uniting this family of 5.
