AGENDA

11.11 am AWST 31.8.2023

Acknowledgement by Jurors to note these Orders and tools exist and have Lawful standing via **Lawful Due Process** conducted by **Crown: We The People of Superior Jurisdiction**.

End of 2nd World War. **September 2nd 1945**

United Nations began **October 24th 1945**

Australia was a founding signatory to the United Nations.

No referendum was held to consult with the good People of Terra Australis.

Thus these lands became part of a globalist compact, without the permission of Humanity.

A globalist government - created **without** the **Free Will and Informed Consent of Humanity**.

The **Rothschilds** banking system. 23.12.1913 - 31.1.2023. 110 years has ensured almost all countries have been indebted to this construct. Only now remedy is coming in via the BRICS alliance and the Quantum Financial System.

The World Economic Forum by Klaus **Rothschild** Schwab - is an unelected body of people who then infiltrated all governments around the world, except those who find themselves in war, as an outcome of not joining this private 'club'. The implementation of the 15 minute city, a community prison, is the concept of this organisation.

1. Order #1 Legal Practitioners and the misrepresentation of Bail.

1.1. Legal practitioners must disclose to defendants who have been awarded Bail, that it is an option to sign the Bail form. Everything is by **consent**.

1.2. The Legal Practitioner is not free to say 'you just have to sign your Bail form and then you can go'. That is misinformation.

1.3. The alleged offender may make a counter offer, by which they will then be bound by their own word as a code of ethics. Violating their own word invokes the appropriate repercussions.

1.4. What say you Jurors?

Unanimous Yes.

2. Order #2 Legal Practitioners and the misrepresentation of Lawful Due Process.

2.1. Legal Practitioners must disclose to the defendants that by using Legal Aid, they are entering a particular jurisdiction which renders them to be incompetent within a Private Legal System of the Private BAR Guild and at the whim of what the Legal Practitioner can negotiate for them.

2.2. Individuals are to be made aware that a Superior Jurisdiction is available to them and they should seek education in regard to that by visiting

5.15. At the time the property was claimed to be under a possession order, and the attempted transfer of the Titles, the original proprietors were protected by indefeasibility, at that point in time, and beyond such time, that being an estoppel.

5.16. Therefore the seizure and proposed sale of the above named properties is deemed **Null and Void**.

6.2. Specifically, if Common Law Sheriffs attend the Courts for any reason, that the Sheriffs are acknowledged as being in Superior Jurisdiction than the Judge or

Magistrate, as they are members of the privately owned Board of the Guardians.

Common Law Sheriffs may unfold peaceful business within the Courts, particularly for those attending in a Superior Jurisdiction, or those having requested the Sheriffs attend on their behalf.

What say you jurors?

Unanimous Yes.

for perverting justice for a first offence. To overrule the Executor is to deem the Executor a slave. Criminal Code 270, Slavery, 25 years jail.

7.3. And sum certain **\$666 000 AUD** in equivalent hard asset, eg: Gold or Silver, for a second offence.

7.4. Guantanamo Bay is reserved for possible placement.

7.5. And a Public Listing.

7.6. Effective immediately.

8.1. All tiers of Government, particularly Local Government are 100% responsible for being 100% transparent in all matters of 5G Towers and should immediately publish on both a webpage of their website and by take home flyer, all contracts involved in their installation and maintenance of 5G Towers.

8.2. All frequency data and the level of harm it may or may not produce must be made Public knowledge immediately.

8.3. Local Councils will be responsible to ensure recognisable health standards are maintained and documented.

8.4. Councillor names and Council employees will be held accountable for the information they provide or fail to provide.

8.5. What say you Jurors?

Unanimous Yes.

9. Order #9: Registrars

9.1. Registrars found to be manipulating paperwork filings of Defendants, or Applicants, particularly those who may be appearing in the capacity of **Executor and Beneficiary**, are behaving as a slave trader, by alleging to have power over the free will of the individual to file 'their word' and thus do effect the outcomes of the cases as the Magistrate, Master or Judge who may not have the complete version of the submission before them when making a determination.

9.2. Therefore Registrars found to be doing this may be fined **\$333 000 AUD** in equivalent hard asset, eg: Gold or Silver and given a public listing for **'Performing with prejudice to pervert the course of justice'**.

9.3. Example: in the matter of 2138/2022, Registrar Nelson allowed 2 of 14 documents to be filed, thus rearranging the case and facilitating Master Sanderson to make a quick decision in favour of the bank and thus a \$1.5M property, owned for 40 years, changed hands in 5 minutes.

9.4. This is a gross **failure of Lawful Due Process**.

9.5. What say you Jurors?

Unanimous Yes.

10. Order #10. *'You are not a party to these matters'*.

10.1.1. There is no such concept as *'You are not a party to these matters'*.

10.1.2. The Private Members Association (PMA) that refers to itself as The Australian Government is not free to use this phrase to hang up on investigative matters when a suspected **failure of Lawful Due Process** has occurred, or is occurring.

10.1.3. Common Law Sheriffs working on cases are in Superior Jurisdiction at all times; and are free to know details regarding matters unfolding in any cases related to **suspected failure of Lawful Due Process** and may announce themselves when making enquiries, to be a **Common Law Sheriff** investigating a matter.

11. Order #11: Belligerent Court Staff.

11.1. Court staff are found to be belligerent and highly uneducated in matters of Lawful Due Process and Superior Jurisdiction. Naturally because they are upholding the private legal system of the Private BAR Guild Union Club 1541. That likes to call itself Law, but is not Law. It is a system of Guardianship in which the People are the Public and the chattel to be monetised in every way possible via the Birth Certificate and the spell binding of words.

11.2. Often Court staff, whom we pay, surround those appearing in Superior Jurisdiction.

11.3. And leave cases until the court room is empty, which may be 6 hours of waiting eg: the Blackley case at the Fremantle Justice Complex. 14.8.2023

11.4. Security may attempt to remove individuals from the court process when they are simply filing their matters and responding to court outcomes.

11.5. Therefore all Court staff require a re-education program, called '**Understanding Jurisdiction**', which can be done in a simple video program, and will need to show a tag of recognition that they have seen the video and passed a test to ensure comprehension.

11.6. What say you Jurors:

Unanimous Yes.

12. Order #12: The Director of Public Prosecution.

12.1. The DPP may not extend cases to unreasonable and unrealistic time frames to prove a point. Multiple hearings pass by and the DPP does nothing. One recent case reveals the claimant withdrew her claim 10 days after making it, but the DPP retained the alleged offender for a further 6 months in Hakea Prison, and wasted 5 court hearings whilst achieving nothing except revenue for the PMA.

12.2. DPP are to produce paperwork to substantiate their claims and the names of the Public Servant Officers, paid on the Public Purse are to be listed as the ones extending the case beyond the word of the claimant.

12.3. What say you Jurors?

Unanimous Yes.

13. Order #13: Bees

13.1. The use of phrenaprenol as a toxic chemical to combat the Varroa Mite is to cease immediately, unless and or until it can be proven to not be harmful to the survival of the Bee populations.

13.2. Government protocol for use of this chemical must align with the Bee Keeper industry. A recent vote in NSW to ban the use of the chemical was voted in favour of the ban. Therefore its continued use is currently not supported and requires

further education and transparency.

13.3. What say you Jurors?

Unanimous Yes.

14. Order #14 Administrative Appeals Tribunal

14.1. In matters of a 5th hearing approaching with the Administrative Appeals Tribunal with regard to double financial penalty for not vaccinating ones child with the privately owned, profit generating products of the vaccination industry, the Barrister may be granted permission by the Executor and Beneficiary to perform functions of the Trustee, they being beyond the capacity of the prevailing Statutory and Legislative framework.

14.2. Thus facilitating this conversation to move forward. Being limited by the Statutory framework ensures the matter will be dismissed as frivolous and vexatious and amount to 14 months of time wasting.

What say you Jurors?

14.2.1. Do we grant the Barrister permission to make decisions from the position of Trustee, and in alignment with the 1947 Nuremberg Code of **Free Will** and **Informed Consent** is essential for access to the body, and should that be denied, a financial penalty may **NOT** be imposed.

15.2. And any and all definitions of mandate.
