Re: Darrell Foote

1. Let it be known by all parties in attendance today to fulfil a **Community Treatment Order**,
1.1. that the alleged 'patient', **Darrell Foote** **does not consent** to this procedure.
2. Therefore you are given the opportunity to consider the following choices before you proceed today.
3. Please take 5 minutes outside, or longer if required, to consider the repercussions of your actions today, as you have two choices before you, each with its own outcome.
4. Choice 1: Before multiple witnesses, let it be known that this process does violate the **Nuremberg Code of 1947** which specifically states that permission is essential to access the body of another in any way whatsoever.

- 4.1. This standard became a globally recognised standard after WWII and the horrific human experiments deemed to be **Crimes Against Humanity**.
5. To fail to recognise the **Nuremberg Code 1947** is to infer ownership of the 'patient'.
6. Thus the patient must be a **slave**, for private profit of pharmaceutical drug use.
7. Criminal Code 270 - **slavery** - 25 years jail.
8. Individuals can be brought before a Common Law Court to be trialled by your Peers.
9. Corporate Immunity does not exist in Law.
10. Choice 2: You can choose to not proceed with this procedure; stating it moves against your moral and ethical judgement. And endangers your own freedoms of choice by positioning you to be accountable for Choice 1.
