2.2. This is [www.Executiveorders.life](http://www.Executiveorders.life) where we:

***Crown: We The People of Superior Jurisdiction***

architect progress for humanity based on ***Rule of Law:***

***All Are Equal Before The Law.***

***Rule of Law:***

***All Are Equal Before The Law.***

2.4. We are following the stepping stones of the well lit narrow path of Law. This is not random.

That Law refers to Galactic Laws, as well at Planetary Laws of Mother Earth, of which humanity is her prime Custodian.

2.5. If something fails the Maxims of Law - it is not Law, and may be **TERMINATED.**

2.6. In this way, we protect humanity.

10.6.5. Paperwork submitted, not dealt with in any way.

### 11. ORDER #3

11.1. Dentons: global lawyer for bank, happy to be guilty of failure of standards of a valid contract, and still submit case to Supreme Court for repossession.

11.2. The Supreme Court is a Court of:

11.2.1. the lowest jurisdiction

11.2.2. because it is a function of Parliament,

11.2.3. and Parliament is a function of the the 13th/14th Century and the founding of Unum Sanctum 1302,

11.2.4. a system of enslavement for humanity,

11.2.5. Further advanced by the Poor Laws of 1535

11.2.6. Deceptively called Guardianship

11.2.7. Under the Board of the Guardians, that being the Private Members

Association of the Private BAR Guild, founded in 1541 to write up a structure to manage the resources, including the human herd.

11.2.8. That structure has continued until this day. However, as we are at the end of Age, the class based system does not serve for the humanitarian based age of self responsibility and **Rule of Law: All Are Equal Before The Law.**

11.2.9. Therefore, as the Supreme Court,

11.2.10. also known as a bank

11.2.11. And a corporate construct

11.2.12. is motivated only to fulfil a legal fiction function of consistently reaping the resources,

- 11.2.13. whilst ensuring the Poor remain poor,
- 11.2.14. this system is ill equipped to pass judgement on any matters related to the 8 essentials of a valid contract,
- 11.2.15. as it is not designed to observe Law, only 'legal fiction' in which humanity is harvested for the profit of the few. .
- 11.2.16. Therefore perpetually causing Harm and Injury to humanity, by engaging in treason, fraud and slavery under the neat packaging of Guardianship, and the use of a tool called 'Acts of Parliament'.

11.3. What say you Jurors: Is this system of the Supreme Court terminated as having any authenticity in Law, since it is a private legal system? And is therefore forbidden to make any Orders related to foreclosure as it is designed to ignore the 8 essentials of a valid contract, and thus rule in favour of the Bank regardless of what the Bank might have done to cause Harm and Injury?

### 11.4. Unanimous Yes.

## 12. Order # 4

- 12.1. Parliament - happy to receive 2 Notices from We The People, deeming a Bill **Null and Void, and pass it anyway.**
- 12.2. Thus the People cannot be seen nor heard in this system in which the People are chattel.
- 12.3. A hopeless, outdated mess from the Middle Ages.

12.4. Parliament is TERMINATED in Notice 3, as it fails Rule of Law: All Are Equal Before The Law.

12.5. It is a class based system and can only ever be a class based system so therefore is deemed obsolete for the Aquarian Age.

12.6. What say you Jurors: Parliament is **TERMINATED** as an obsolete construct of slavery.

**Unanimous Yes**
