23.4.2024 = 8 : 11110-093 The End and the Beginning - **MURDER**

CROWN WRIT BY : WE THE PEOPLE OF SUPERIOR JURISDICTION

ORDERS: Dismantling a Child Trafficking Enterprise.

A wolf in sheep's clothing. A Predator. A Fraud. A Slave Master. A Genocide Machine.

YOU CALL IT SUICIDE. 🦴 WE CALL IT MURDER.

This Report is too important for just 2 pages on the **We The People Speak** Telegram feed.
We invite you to invest **your very valuable time** in exploring the numerous links embedded in this document and to **acknowledge** that a thorough Audit has been underway by

Crown: We The People of Superior Jurisdiction

via **Crown Executive Orders**, host of the **Terra Australis Grand Jury's: Est 23.9.2021**

and in conjunction with the **Sovereign Peoples Assembly Western Australia**

and the **Terra Australis Common Law Sheriffs.**

Please read the entire document to grasp the magnitude of what is at play in this **child trafficking** industry.

We will call him: **Angel** 😇; the 10 year old First Nation boy who has died in State Care.

Cry out his name Mama and Papa.

This **tragedy** is another culmination of raising the **alarm bell**, and being **ignored**, about the horrors of the **Department of Communities** and the 'scarcity paradigm' that The Australian Government: a private Corporation, runs upon Humanity, via a Statutory and Legislative framework for its Business model.

Positioning the **Custodian** as the **Customer**. And the **Creditor** as the **Debtor**.

Thereby fuelling all manner of misery, hardship, and extreme violence.

We are now seeing a fresh wave of Public Servant trauma as they come to terms with the architecture they are serving. We are compassionate. We know there are many good folk trapped in a toxic system.

The Stolen Generation : Assimilation. And Others. Free all Stolen Children.

The Grandmothers call home their Grandchildren. First Nation Sovereign Council.

23. As does document 424 04/21 - used by Busselton DCP to snatch children by failure of Lawful

25. It has been established by the Common Law Courts, July 30 2023, hosted by

37. Call the Common Law Sheriffs if you feel threatened.

38. Roger Cook says '*the government has the task of finding answers for the boy's family*'.
39. That would be like asking the murderer to judge the murderer.
40. **Not necessary!**
41. **Crown: We The People Of Superior Jurisdiction** have been formally **auditing** the

48. We know exactly what the answers are and have extensively communicated them to you and

49. gazetted them. <https://executiveorders.life/press-release-record/>

50. The Australian Government is a Belligerent Occupier and does not deem itself answerable to

51. Law. It just does whatever it wants, as this ample documentation proves.

52. **All paid for by Us !!! Crown: We The People Of Superior Jurisdiction**

53. This Beast deems itself **100% unaccountable to Law**, and to the Power of the People.

54. DCP and other **ALL** other 'Government' Departments rebut all contact with Superior

55. Jurisdiction with statements such as:

55.1. 'we don't believe that.'

55.2. Locking doors, inside government buildings, and running away.

55.3. Pulling down blinds.

55.4. Ignoring documents.

55.5. Hanging up phones

55.6. Failing to respond to emails and phone calls.

55.7. Failing to meet deadlines for reply.

55.8. Failing to turn up to scheduled meetings.

55.9. Having one meeting and never having another meeting because accountability is on the

55.10. table.

55.11. Using fictional Statute and Legislation to block transparency for critical safety matters.

55.12. Alleging to have Authority that does not exist.

55.13. Alleging to have control over free will and informed consent. That being: **slavery**.

55.14. Uses the term '**we are going in circles**', over and over and over again to throw off linear

55.15. dialogues and escape accountability.

55.16. Using Security Firms like Ventia to block Common Law Sheriffs from even stepping on

55.17. the front steps of the Children's Court.

55.18. Banning Common Law Sheriffs from access to buildings.

55.19. Including Court hearings in which children have been kidnapped by the State.

55.21. Government Buildings where individuals may be called forward for discussions of

55.22. accountability.

55.23. Maxim of Law: All Are Accountable Before The Law.

55.24. Using 'privacy' as a tactic to make vulnerable individuals inaccessible and disappear.

55.25. Attempt to steal children directly from the hospital and when put on Notice, disappear

55.26. for 5 weeks and then return and take the baby anyway.

55.27. Putting out fear based warning to staff members; that the Common Law Sheriffs are

55.28. to be avoided and thus blocking access to the 6th Floor of Boorloo.

55.29. Raise fear by needing to 'escort' staff if there is an event at the Courts.

55.30. <https://executiveorders.life/press-release-record/entry/6184/?gvid=2748>

55.31. The list of behaviours is extreme to protect these low levels of transparency.

55.32. Silence all team members.

55.33. Brainwash team members that they can be in government buildings as Public Servants,

55.34. or contractors to the government, so still Public Servants, and have their ID hidden, and

55.35. not produce it when asked for.

55.36. This is a Belligerent Occupier that enjoys stealing Humanities treasures, which it then

55.37. disperses as a pittance, via the 'Treasury'.

56. The Australian Government, in its current format, is a reckless tyrant and a **Belligerent**

57. **Occupier** of these Lands. A parasite. A leach. A penal colony. A wolf in sheep's clothing.

58. This administration is on **Notice** for its gross incompetence resulting in Harm, Injury, misery,

59. poverty, and death. A gross failure of Duty of Care.

60. The Global Military is tasked and commanded to remove the key figures responsible for these

61. matters, based on a threat to our Safety and Security.

62. **By their fruit you will recognise them. Matthew 7:16** AO 🍏

63. Who is the new Governor General ?

64. Sam Mostyn **AO** 🍏.

65. Are we sure this is the true Governor General?

66. Or an installation from **the private club** to perpetuate Private Legal systems called Law.

67. The **Elders/Sovereign** are at the table.

68. The Sovereign is the Landlord.

69. The fiction is finished.

70. He was under the care of WA's Department of Communities.

71. Also known as the 'Department of Child Trafficking'.

72. Easily one of the scariest machines ever built.

73. The **AI** of 'Communities'.

74. Ruthlessly ripping individuals from their homes, by **failure of Lawful Due Process** and

75. disappearing them.

76. Into the world of someone else, somewhere else. Often never to be seen again.

77. Kyan: Age 5. Taken. Stolen. Trapped in a wacky lawless Court Order handed out by
