### **Notice of Jurisdiction: Private not Public.**

**This Sentient Being and business operates under Crown Jurisdiction.**

**Rule of Law: All Are Equal Before The Law.**

**All Superior Rights Reserved Under Rule of Law, At All Times.**

*In peace, and respect for all humanity, as at 4 July 2021, the following Notice is the **Voice of the People**. It requires no permissions from any public servant, nor any ceremonial due process to invoke. It is simple. It is the highest standing and authority in the land. **Let no other trespass upon the word of the peaceful and loving Sentient Being:***

1. An officer: that being a public servant, of the corporate crown: that being an AI: Artificial Intelligence; may not enter this business and allege to have superior jurisdiction over the inherent rights of Sentient Beings to trade, to serve, and be served as a community.
2. Nor to inflict any personal management upon the Sentient Beings conducting their affairs, in peace, within the community; such as to insist a mask must be worn, or that a business may not trade, or that a QR system be implemented to map & track the movement of humanity. Said claim of authority is wholly false.
3. *These actions are deemed to be Crimes Against Humanity, specifically **slavery**.*
4. Corporate crown officers may have badges photographed upon entry, and are expected to conduct themselves as Peace Officers. Failure to do so, will result in officers being publicly recorded for their actions, and held personally liable and accountable. Corporate immunity does not exist in Rule of Law.
5. **INDIVIDUAL CONSENT is ESSENTIAL** for everything; including map, track and vax. Under Rule of Law, no such term as 'mandatory' exist. As such, no penalty is lawful.

***By the People, For The People. The Creator, God Almighty***
