- 30TH TERRA AUSTRALIS GRAND JURY -

AGENDA

11.11 am AWST 26.1.2024

TODAYS AGENDA: WHAT TO EXPECT.

Approximately 2 hours. With open floor to follow if Jurors choose.

My name is Leith Masters and I will guide you through these formal proceedings. I work with Denise Chadwick, affectionately known as Dee, who will lead you in and out of the Orders.

Since working with the Sovereign Peoples Assembly of Western Australia, May 2022, this work has expanded exponentially for the use by many who are able to see through the illusion of 'Government Authority', and anchor themselves in the heart of Divine Authority, that being ***Crown: We The People of Superior Jurisdiction.***

The Meek Shall Inherit The Earth. Matthew 5:5.

Voting: 75% in one direction is a pass.

Once an Order has been read, Jurors may ask for the Order to be read again, or for clarity surrounding that particular Order. It is requested that the Jury remain on topic so not to

create distraction around an Order that has just been read. **Thank you.**

1. **Writings:** Welcome

2. Establishing the **Jurisdiction of the Court**

2.1. PAFROL - the Peoples Alliance for **Rule of Law:**

All Are Equal Before The Law.

2.2. This is work found at www.Executiveorders.life where :

Crown: We The People of Superior Jurisdiction

[architect](#) progress for humanity based on

Rule of Law: All Are Equal Before The Law.

2.3. Recognising that we are coming out of **Guardianship**, where all have **not** been Equal Before The Law.

2.4. And Humanity has not been made aware of this structure. Simply being born into someone's privately owned petri dish as a 'Human Experiment.'

2.5. As a debt slave.

2.6. Humanity has been under care by a self assigned caretaker:

2.7. The Vatican and its legal fiction instrument of Unum Sanctum 1302. A response to the developments of the Magna Carta in 1297.

2.8. And Henry VIII Poor Laws. 1535

- 2.9. Humanity has been deemed incompetent, before a system that it was never taught. This includes the private banking system of the Rothschilds, including the double entry accounting GAAP.
- 2.10. The **Creditor** ledger is missing.
- 2.11. Humanity has been positioned to be the **Debtor** when in fact: Humanity is the **Creditor**. With the Creditor bookwork hidden in a Private Members Association (PMA). This is a different jurisdiction to the 'Public'.
- 2.12. And both the PMA and the 'Public' are a different jurisdiction to the People, who at all times stand in **Superior Jurisdiction**.
- 2.13. Major accounting firms on the planet are responsible for hosting the **Creditor** accounting, and for facilitating the movement of large tracts of land into Government Trusts. Trusts with poor execution such as the Aboriginal Land Trust of WA, consisting of 22 million hectares of land inside in an 866 page document with only 12 of the 70 signatures of First Nation, after 6 years.
- 2.13.1. We note that it has now been announced that this land will be distributed back to First Nation by 2025, and whereby the private Corporation that calls itself the 'Australian Government' deems themselves the privilege of writing the 'law' to hand it back.
- 2.13.2. It is stolen land.

- 2.13.3. We have already covered this matter in prior Grand Jurys and collapsed the Trust and First Nation are already claiming back their rightful land with no need to consult with the 'Australian Government' and it's private legal fiction that it likes to call Law. But is not Law at all.
- 2.14. That Department of Planning Land and Heritage, after our first meeting; November 2022, refuse to meet to discuss this matter, thus identifying themselves as a **Belligerent Occupier** and not as a Public Servant sector.
- 2.15. **Crown: We The People of Superior Jurisdiction** pay for this standard of conduct.
- 2.16. We also pay for psychiatrists to pluck people off the street and incarcerate them in mental health institutions and force job them and have nursing teams lie to their family.
- 2.17. We pay for Department of Child Protection, also known as the Department for Child Trafficking to snatch our children and give them to other families, and then run court cases that are a mere circus, completely void of Lawful Due Process.
- 2.18. And we have Supreme Courts alleging to be of Law, but are Courts of banking, blatantly support fraudulent banking systems and removed houses from people, destroying lives and fuelling homelessness.
- 2.19. This is a wicked, belligerent system of slavery, poverty and lawlessness.

2.20. As Pluto has now entered Aquarius, just on January 21 2024, and will stay there for 20 years, it is an opportunity to harness our unspent potential as a Humanity. Pluto has largely completed its sojourn of 15 years in Capricorn, completely decimating this fictional system of debt slavery, beginning with the Global Financial Crisis in 2008, in which it was revealed we have been living in a mere Ponzi scam. There will be a brief retrograde back into Capricorn September 3 - November 18 2024, in which we will nail the coffin shut.

2.21. With Pluto conjunct the Sun, Humanity is poised to reinvent the Consciousness of how we exist on our beautiful, abundant Mother Earth, and how we see ourselves as an upstanding Humanity in full Custodianship of the Resources for Mother Earth.

3. This is an evolving landscape, for all of us, and we maintain license to update data and definitions as new content comes to hand, but all matters are based in

Rule of Law: All Are Equal Before The Law.

3.1. We are following the stepping stones of the **well lit narrow path of Law.**

3.2. That path is driven by the Timeless **Maxims of Law**

3.2.1. This is not random.

3.2.2. That Law refers to Galactic Laws, as well as Planetary Laws of Mother Earth, of which Humanity is her prime Custodian.

3.2.3. Such Laws live in the realm of the energy that moves the waves, that blows the wind, that turns the apple seed into an apple tree. It is pointless to attempt to move against or outwit such energy forms. They will always seek to restore balance and right way.

3.2.4. They are the path of Truth.

3.3. If something fails the **Maxims of Law** - it is not Law, and may be **TERMINATED.**

3.4. The foundations of Law are

3.4.1. Free will

3.4.2. Informed consent

3.4.3. All are accountable for their actions

3.4.4. Do no harm.

3.4.5. **Corporate Immunity** is a myth, facilitating a private legal system to engage the Public Servant sector, that we pay for, via the monetisation of the Birth Certificate, to break the Law, and allegedly not be held

accountable. [No such luxury exists.](#)

3.4.6. Thus, by recognising the **Maxims of Law**; these become self-preserving mechanisms that ensures humanity looks after itself.

3.4.7. When a legal fiction like '**Corporate Immunity**' is introduced it allows for **great crimes** to be played out against humanity with individuals allegedly protected by the veil of the Corporation and a '**legal fiction**' construct, that calls itself Law.

3.4.8. The covid19 private business model for profit, rolled out this way, utilising **the fiction of corporate immunity** to coerce folks into believing they had to do what the corporation said.

3.4.9. The corporation is a dead entity and therefore classified as **Inferior Jurisdiction** to the the Sentient Being, the Sovereign, **Crown: We The People of Superior Jurisdiction.**

3.4.10. The injury upon humanity because of this deception is profound; with long and far reaching effects into future generations as it was indeed a genocide agenda, as documented in **Silent Weapons for Quiet Wars**, which can be found on the home page of ExecutiveOrders.life. Many of

our teenagers, coerced in high schools, have now been sterilised.

3.5. By measuring all against **Maxims of Law**, we protect humanity.

3.6. **Maxim of Law: All are accountable for their actions.**

3.7. **There is no such thing as Corporate Immunity.**

4. There is no higher jurisdiction than this Court,

4.1.1.that being: **Crown: We The People of Superior Jurisdiction**

4.1.2.and which recognises all

4.1.3.**Crown: We The People of Superior Jurisdiction Courts**

to be of Equal jurisdiction.

4.2. This Court recognises the current prevailing system to be a legal fiction of **'inferior jurisdiction'**.

4.3. It is inferior because it placed Humanity into a **Guardianship**, also known as **slavery**, **without free will or informed consent**.

4.4. This Parliament driven **statutory and legislative framework** has built complex structures of management around Humanity and access to our abundant Resources, without transparency, without a general easily

accessible education of such systems, and by using words that are spell binding.

4.5. Thus Humanity has been positioned as the **Debtor**.

4.6. **This is treason, fraud and slavery.**

4.7. Humanity is the **Creditor**.

4.8. Thus flipping all structures 180 degrees to reflect the **Creditor**, is the work of these Grand Jurys.

4.9. It is well acknowledged that Humanity is called to action once it is clear it is in a tyrannical landscape. The covid19 agenda clearly revealed that at such a mass level.

4.10. Humanity has hope to rearrange the master Trust from chattel under the Board of the Guardians, to **Executor and Beneficiary** with the public servant sector as **Trustee**, following equitable distribution of resources in alignment with the Executor instructions.

4.11. This is the turning of the Ages.

4.12. These are the **End times, and the Beginning**.

4.13. We are finished the 2000 year Age of Pisces - an Age of Guardianship.

4.14. And we enter the 2000 year Age of Aquarius - an Age of Humanitarianism - an **Age of self governance**.
