Date: 17th November 2021

With just cause and without vexation.

All words and meanings here/within are-as, I, :Denis-Peter: defines them, Non-obstante.

For I am only seeking justice for a wrong done, as is my unalienable right;

Without any admission of any liability and with all natural indefeasible rights reserved;

- (1) For Attention of: Queensland Attorney General; Shannon Fentiman; and heirs and successors;
- (2) Find attached; Notice; of the reporting of a crime, that I, :Denis-Peter: am fully aware will not see justice by those assuming power in this country, therefore;

Attached: Notice of claimed Crimes reported to The Honourable Allison Herren Lee, Commissioner; The Honourable Hester M. Peirce, Commissioner; The Honourable Caroline A. Crenshaw Commissioner; and or their heirs and successors of the Securities and Exchange Commission, Washington, DC 20549 United states of America.

Crimes claimed as Committed against I :Denis-Peter: the living man, with supporting evidence, of ignoring the will and denied consent of I, :Denis-Peter: and failure to supply full and open disclosure; breaching the trust, committing Security Fraud, and doing harm with intent, using threats and intimidation to own and control the living man, (slavery):

This I do, as having absolutely no confidence or trust, in any claimed state or federal governments, agencies and offices in this occupied country; therefore I was left with no option but to take my claim of horrendous crimes against the people to a higher authority; in seeking lawful justice, as all that is offered here is threats, and corruption "now being an active penal colony Under foreign occupation";

Note:-I :Denis-Peter: reserve the right to make these claims public knowledge, and record with the International Common Law court, pending future action.
