Dear colleague

A review of your Department of Education HRMIS record shows that you have not uploaded a COVID-19 vaccination certificate.

The Department of Education has mandated double dose vaccination and third dose requirements for all school staff.

You have been removed from our list of active relief teachers as we are unable to offer you any relief teaching for 2022. If your circumstances change and you become eligible to rejoin our relief staff, please get in touch.

Thank you for your past work for Instrumental Music School Services.

Regards

Kevin Fraser
