Notice of Harm and Injury with Damages Assigned.

1. Further to instructions sent July 4th 2022
2. A Notice has been received by Synergy, dated 25 July, 2022:
3. Synergy has positioned itself as **incompetent** in the marketplace:
 - 3.1.Unable to recognise Law when it receives it.
 - 3.2.Unable to recognise the Executor and Beneficiary when announced.
 - 3.3.Has robot humans at call centre points who regurgitate scripts.
 - 3.4.This is AI. Lower jurisdiction.
 - 3.5.Has only one level above call centre points, that being Complaints, even if the communications are not a complaint.
 - 3.6.Thus this organisation is structurally flawed.
 - 3.7.Complaints has proven itself to be incompetent and is recorded as such.
 - 3.8.Additionally, two recordings already exist of fruitless conversations in online chat.

- 3.9. One transcript of a fruitless conversation has been emailed.
 - 3.10. Another transcript of a fruitless conversation did not arrive.
 - 3.11. Synergy has positioned employee; Colin Smith, in exchange for his pay cheque, to be 100% liable and accountable for the actions of the corporation: alleging to have control over inherent right to resources, and to remove access to said resources unless payment is received.
 - 3.12. Synergy has facilitated Colin Smith to write emails based in violence: which is to allege that removal of access to resources for non payment is Lawful.
 - 3.13. This is slavery. 25 years jail for perpetrators acting on behalf of the corporation to issue Harm and Injury to humanity, in exchange for their paycheque.
 - 3.14. This is extortion for payment of goods already owned by We The People.
 - 3.15. This alleged authority is fraud.
 - 3.16. No corporate immunity exists in Law.
 - 3.17. Maxim of Law: All are 100% liable and accountable for their actions.
 - 3.18. Corporations exist in lower jurisdiction to humanity.
 - 3.19. Any harm issued by a corporation to humanity, is a criminal act.
 - 3.20. Such an injury would be processed through a We The People Court, with a jury, and in Superior Jurisdiction.
 - 3.21. There is a master trust from which payment may be acquired.
 - 3.22. Permission was granted to access the master trust.
 - 3.23. This organisation has failed to be accountable for following Executor instructions.
4. Thus receiving an email of threat of denial of access to inherent resources is an injury and does incur Harm and Injury expense as Remedy.
 5. Remedy is \$10 000 per day, that this organisation fails to address matters in Law.
 6. Please refer to the accompanying invoice.
