**Subject:** Mandatory Vaccination Information

Hi All,

On the 20<sup>th</sup> Oct 21, the State Government provided details of a mandatory Covid-19 vaccination policy. At this stage the policy is being managed in a phased approach involving two groups (one to be fully vaccinated by December 31 and the second to be fully vaccinated by 31 January 2022).

The Policy will affect the vast majority of Government sector workers. Workers affected will be required to be fully vaccinated to attend locations where they undertake their work.

How this policy is implemented across the PTA is still being worked through with advice being sought through the Department of Health.

In the meantime, it is important for everyone to strongly consider getting vaccinated. No one will be forced to be vaccinated, however the Policy is clear that certain work will not be able to be undertaken by unvaccinated workers. Medical exemptions from vaccination can only be provided by medical professionals, with final approval from the Chief Health Officer.

Kind Regards
