Re: Letter dated 09 February 2024

1. No thank you.

I deem your claims that the Council has a Superior Standing re my images in Council records or expiation 515963 false.

2. The council and all public servants are paid by the public purse to manage infrastructure in a lawful and responsible manner.
3. Photos taken in such an unconscionable manner, by an unauthorized public servant, without my consent, whilst I am peacefully going about my private business, with the concomitant intention to misappropriate said photos for financial gain is neither lawful nor responsible.

It is:

- a) A breach of Office
 - b) A breach of Trust
4. If you continue to use these digital photos without my consent I will hold you personally and financially responsible.
 5. I instruct you to provide me with your valid Authority to Act in this manner within 7 days of the date of this letter

Regards

Stephanie Botten
