Department of Child Protection (DCP) : no case number available.

Rachel West and claims made against Rachel by DCP.

Crown: We The People of Superior Jurisdiction Tribunal:

Tribunal assessment of Department of Communities, Child Protection;

use of **Lawful Due Process** in matter Rachel West: 7 August 2023:

Fail. This matter is dismissed.

1. Alleged Claimant to DCP of wrongdoing by Rachel West: no claimant is available, or made transparent.
 - 1.1. DCP alleges they do not need to give details of the claimant.
 - 1.2. No such concept in Law exists.
2. **Maxim of Law: the claimant must prove their claim.**
3. This matter is **dismissed** due to a **failure of Lawful Due Process**.

3.1. That is: the claimant is missing, therefore no case can proceed.

4. Maxims of Law:

4.1. Rule of Law: All Are Equal Before The Law

4.2. All are accountable for their actions.

4.3. The claimant must prove their claim.

4.4. Free will and informed consent are essential for all matters.

5. A missing claimant renders a matter **Null and Void**.

5.1. *The possibility of an unidentifiable claimant allows for **the loss of Lawful Due Process**: in that some folks, or some corporations: such as the private corporation that refers to itself as the Australian Government; could make up anything about anyone, and run outrageous stories about a given **'alleged offender'**, and the claimant would not be held accountable to **prove their claim**.*

5.2. *This renders the very basis of Law, to be powerless, by the extreme violation of the **Maxims of Law**, that exist to protect Humanity from false and fraudulent claim.*

5.3. *A matter processed under these conditions is an act of Slavery, Criminal Code 270, 25 years jail.*

5.4. *There is now a **ZERO TOLERANCE** for failure of Lawful Due Process.*

6. The **Department of Child Protection** has a long, and well established, history of creating false claim, and generating a business customer for itself, in which public servants are paid on the public purse to pursue what could only be classified as severe character defamation and an unchecked invasive 'nightmare' into the families of community.

7. Public servants paid on the public purse pursuing said claim:

7.1. **Sandra Wybrant**

7.1.1. sandra.wybrant@communities.wa.gov.au

Case Manager

7.2. **Kirana Larasati**

7.2.1. kirana.larasati@communities.wa.gov.au

7.3. **Sophie Papaluca**

7.3.1. Sophie.Papaluca@communities.wa.gov.au

7.3.2. Senior Case Manager

7.4. **Nick Trahanas**

7.4.1. District Manager

8. **Crown: We The People of Superior Jurisdiction**; did conduct a Tribunal Hearing at the meeting 7th August 2023, and report the following:

8.1. Sandra Wybrant navigated the meeting with a sense of authority that had no basis in Law, in Lawful Due Process, nor any relevant Jurisdiction.

8.2. When informed that unless a claimant could make an appearance, the matter had no Lawful basis to proceed, and was thus deemed Null and Void, despite being told this several times, Ms Wybrant showed no understanding of Law and chose to proceed with her dialogues regardless. This is wilful belligerence.

8.3. Ms Wybrant went on to explain how they would continue with the investigation and contact the school and friends.

8.4. Rachel West expressed she **did not give her consent** for such action, and the matter was closed.

- 8.5. Ms Wybrant again continued with her process, now **absent of consent and with no claimant** available.
- 8.5.1. To enjoy such luxury of violation of Lawful Due Process, Rachel must surely be a slave and the public servant employees to be slave masters for the private corporation that refers to itself as the Australian Government.
- 8.5.2. Thus, this invokes Criminal Code 270: Slavery. 25 years jail.
- 8.6. The structure to disguise this slave system is referred to as Parens Patriae 1481, in which the State declares itself to be the parent. And Humanity to be a perpetual child, under Guardianship, of the Board of the Guardians, further developed via the Poor Laws of 1535.
- 8.7. And therefore; allegedly, the State is free to conduct matters as it sees fit, as an alleged disciplinary parent. This is referred to as 'Legal Fiction'.
- 8.8. This is a wholly fictional construct. This is a private legal system that refers to itself as Law, but is not Law at all.
- 8.9. Ms Wybrant was unable to state what Statutory and Legislative Acts she was relying on for her alleged authority, and luxury to ignore the **Maxims of Law**.
- 8.10. The Department of Communities building was oppressive, being dark and gloomy.
- 8.10.1. The room the meeting was in was squashed, had no windows, was painted a yellow colour and was gloomy.
- 8.10.2. It had many angles and doors.
- 8.10.3. The entire process was a deeply depressing and oppressive assault upon a mother regarding her role.
- 8.10.4. And all conducted on heresy.

- 8.10.5. This process is therefore an act of violence, resulting in **Harm and Injury** to the accused, who is forced to endure a process which has **no basis in Law**.
- 8.11. This process is deemed to be dangerous for the wellbeing of Community.
- 8.12. The Department of Communities is currently in an audit process by **Crown: We The People of Superior Jurisdiction** for other matters regarding the movement of children with incomplete paperwork resulting from a **failure of Lawful Due Process**.
- 8.13. The Busselton Department of Communities is closed by **Crown: We The People of Superior Jurisdiction** for the kidnap and hostage of Olivia Hume newborn, Lyrel Hume 3 and Terrence Hume 8, all by **failure of Lawful Due Process**.
- 8.14. In this case; the first requirement for the claimant: DCP to prove their claim is September 12, 2023, that being 299 days after the children had been removed.
- 8.15. Consequently because the Children's Court has supported this **failure of Lawful Due Process**, the Perth Children's Court is deemed closed as at 12pm 21 August 2023.
- 8.16. Cases in motion are redirected to Community based systems of Jurys.
- 8.17. In conclusion, the Tribunal assesses this matter to be dismissed.**
- 8.18. Pursuit of this matter by any Public Servants, paid on the Public Purse, will invoke Criminal Code 270, Slavery, 25 years jail.

Department of Child Protection :

Terra Australis Inaugural Grand Jury Order #93. 23 September 2021

Industry is called to attention, to cease all dialogues regarding vaccination mandates. Such mandates have no basis in Rule of Law: All Are Equal Before The Law, and are an act of slavery. Caution is raised; that inflicting such alleged 'mandates' on team members does position the individual of that organisation to be 100% liable and accountable for their action on behalf of their organisation, and in exchange for their pay check. There is no such thing as Corporate Immunity. That is a legal fiction and does not exist in Law.

All contracts related to the vaccination suppliers and the Australian Government, are inherently **Null and Void**, as such contracts do include the use of the body of individual Australians for which

Regarding the Markwell case: and the feedback from the insurance industry, in this case the SAFA, relying on the following feedback:

5.1.1. The initial removal of Takara Markwell occurred pursuant to Section 41 of the Children and Young People (Safety) Act 2017 (the Act), and the subsequent interim care and protection order was made by the Youth Court on 4 November 2021.

5.1.2. The interim protection order was revoked by the Youth Court on 8 December 2021.

5.1.3. In considering claims for compensation, SAFA is required to have regard to the appropriate legislation.

5.1.4. In the circumstances of your claim, the above occurred in accordance with the relevant statutory frameworks.

5.2. Therefore: Crown: We The People of Superior Jurisdiction recognise that such relevant statutory frameworks are a **licence to kidnap and hold hostage children**, whilst failing **Lawful**

Due Process that the accused would have the most basic right to be heard, in response to the claim made against her, and that the claimant, by **Maxim of Law** would have had to prove their claim before exercising any alleged remedy to said unfounded claim and therefore **this relevant statutory frameworks is a framework of slavery. Criminal Code 270, 25 years jail.**

5.3. Nor was the communication a request for compensation. It was a submission of fees incurred as damages for kidnap and hostage.

In the face of the evidence of no court in Australia having any jurisdiction over the matter: Federal Court rejected the claim based on no jurisdiction, and the High Court refused to hear it, nor being able to redirect to where remedy might be found; or any capacity to administer appropriate standards of **Lawful Due Process**, does this Grand Jury of **Crown: We The People of Superior Jurisdiction**, hold the SAFA accountable for facilitating the damage fees incurred for hostage and kidnap of Takara Markwell?

And clearly noting: that all funding, for anything, is underwritten by the tool in commerce called the **Birth Certificate**, whereby each Birth Certificate was last valued at \$230M each. 4.2. Claimant makes a claim. And must prove claim

4.3. Accused must be heard to rebut the claim.

Terra Australis Grand Jury #23 Order # 3 3 July 2023

3.1. Based on the Hume Case of 3 children taken by DCP, for 200+ days.

3.2. The Court process is recognised as a **fraud**.

3.2.1. Producing 5 court hearings during the 200 days, in which absolutely nothing was achieved.

The claimant: Gemma Varney, on behalf of the Corporation known as the Department of Communities - Busselton, has not had to substantiate her 7 pages of claims with evidence. She has not been seen in the Court process at all.

3.2.2. The 4th hearing was merely to set a date for the 5th hearing, which was to set a date for the 6th hearing, which would be a trial, and was set for a further 90 days out. That being September 12th, 2023.

Thus of a 2 year order of detainment of the children, almost 1 year of it will have passed before it is ascertained if the claims are valid.

This is gross failure of Lawful Due Process and is thus blatant kidnap, hostage and child trafficking.

3.3. The use of document 424 4/21 is dismissed as a failure of Lawful Due Process.

3.4. Further to documents provided to DCP, the children needed to be returned by midday 30/6/2023. This did not happen.

3.5. Thus denying the authority of FNOSC and the Orders written to manage DCP: <https://executiveorders.life/press-release-record/entry/5696/?gvid=2748>

3.6. This matter is to come before a Common Law Court hearing on 30th July 2023 in which public servants, paid on the public purse, will come before a Jury of 12+ and will be held accountable for these **failures of Lawful Due Process** and are subject to accountability for:

with templates to hold accountability, and to repurpose assets, and free those who are incarcerated, be it in jail or foster homes: by failure of Lawful Due Process.

And in the matter of Cheyenne Hume and Terrence Rodd and the removal of Terrence 8 and Lyrel 3 and baby Olivia; by Department of Child Protection, a child trafficking organisation and does appear as a wolf in sheep's clothing, this matter is found to be based in unsubstantiated claims warranting accountability, as by the **Sovereign Peoples Assembly of Western Australia** (SPAWA) on July 30 2023; **Claim # 91714646**, in an 8 hour Common Law Hearing, and before a Jury of 13 individuals, in which all 11 defendants were found guilty of all 5 charges of:
