- 28TH TERRA AUSTRALIS GRAND JURY -

AGENDA

11.11 am AWST 27.11.2023

1. Order #1

1.1. Throughout 2023, we have constantly given **NOTICE** to the private members association (PMA) that **Crown: We The People of SUPERIOR JURISDICTION** were now at the table. And the First Nation Elders are at the table, in their own tribal jurisdiction.

1.2. We have toiled in the trenches and learned a significant amount as to what the PMA called The Australian Government will attempt to maintain its position of alleged authority.

1.3. It likes to play dirty.

1.4. But **LORE/LAW** is clean.

1.5. And **LORE/LAW** works it out, by holding accountability to the **Maxims of Law**.

1.6. We therefore continue to grant ourselves the inherent AUTHORITY to speak in the tongue of the DIVINE SOURCE CREATOR ENERGY, many of whom call God, and may appear by many other titles, and thus call attention to:

1.7. RULE OF LAW: ALL ARE EQUAL BEFORE THE LAW.

- 1.8. We are not the product of a ruling elite; barcoded in every way, and referred to as the 'PUBLIC'. And made to pay for resources we have inherent right to, such as water and electricity nor to pay to reside on our own land, our Beloved Mother Earth.
- 1.9. Thus this is a rising of the Consciousness that Humanity does not pay its own administrative system to reside on our own planet.
- 1.10. Nor pay twice via the monetisation of the Birth Certificate to build structures such as the Water Corporation or the electric companies, and then pay a second time when we use those resources.
- 1.11. That is a fraud, also known as double dipping. It is an accounting absurdity, to position Humanity as the **debtor** when Humanity is the **Creditor**.
- 1.12. We continue to separate out our Private, also known as the **Executor and Beneficiary**; from their 'Public' that they created for us, as a tool in commerce, and by which we hereby **claim**, to now be **under our individual management**.
- 1.13. All Board of the Guardians must take the position of Trustee if offered.
- 1.14. And upon refusal; be deemed **incompetent** and therefore a danger to the wellbeing and safety of Humanity, and may be charged accordingly, as per the previous Grand Jury Orders.
- 1.15. Thus, what say you Jurors:**
- Do you agree this is the landscape of the 180 degree flip, from debtor to Creditor, as we move towards the end of 2023; and action much of what has been built this year in terms of Orders, in 2024.
- 1.16. Unanimous Yes.**
