# THE SECOND AUSTRALIAN GRAND JURY 2021

21.10.2021

Further to Orders written and established in the  
Inaugural Australian Grand Jury 23.9.2021.

### Opening Address by Leith Masters

Welcome to the Second Australian Grand Jury, 21.10.2021,  
12pm ACST, Uluru time,  
chosen as we do pay respect to  
Australia's Original Nation People,  
their customary Lore,  
and their great wisdom for the care of our beloved Australia.

We offer immense respect to the higher powers and forces that do provide for us and breathe the life force  
energy through this body temple.

We invite you to be present to witness the ongoing developments of the changing of the jurisdiction in  
Australia, leaving behind the private legal system of the Board of the Guardians derived from the private trust

of Unum Sanctum 1302, and welcoming in Crown Jurisdiction, also referred to as **Rule of Law: All Are Equal Before the Law.**

That being the primary measuring tool, today, and from this point forward. **All Are Equal Before the Law.**

And thus to partake in the knowingness, as we now move deeper into the logistics and mechanics of dismantling a privately owned and profiteering business model, of mass vaccination with an experimental mRNA cocktail, in which your body, is its customer, whether you like it or not.

We offer immense empathy and compassion for the extreme hardships that have resulted from this business model of an alleged pandemic. We recognise the agony of loss of loved ones, job loss, business collapse, suicide, domestic violence, family breakdown and mental and emotional trauma, all derived from the measures implemented by **public servants**, in support of a version of 'health and safety', in the face of this alleged pandemic.

Together, We The People, install **Rule of Law: All Are Equal Before The Law**, and draw an end to this legal, but not lawful, privately owned, subset of Law, that has delivered to Australia and the world this Covid19 landscape that does include extreme violations of our God Given inherent rights upon the human population.

Now 20 months into this alleged pandemic, the private legal system has failed miserably to draw a halt to tyrannical conduct, nor to uphold standards of recognised inherent rights, despite these being recorded over and over again throughout the decades and indeed the centuries.

Such a gross failure, does require, an across the board dismissal of a failed system. This did occur as at the Inaugural Australian Grand Jury 23.9.2021. We would like to thank the Australian Government, our public servants, for delivering a system to us, We The People, that is so obvious in it's failure of **Rule of Law, All Are Equal Before the Law.**

That being, constructing a 2 tiered society based on the 'vaccinated and the unvaccinated', and preventing access to all manner of community facilities to the unvaccinated sector of society who choose to not indulge in the privately owned products of the Covid landscape. A two tiered society is an obvious system of slavery.

*Hence there is no debate of such failure to adhere to **Rule of Law: All Are Equal Before the Law**, there is no debate that we live in tyranny, and there is no debate that We The People, remove such a tyrannical system urgently and immediately.*

We are expanding Consciousness

thus we have changed jurisdiction

We are shifting from legal to lawful.

We are exiting a 2000 year Age of Guardianship, the Age of Pisces

We are entering the 2000 year Age of Humanitarianism, the Age of Aquarius,  
where humanity manages itself.

There is no calvary.

We The People, are the cavalry

Only we can navigate this course

and retire a system that has had it's time

and does not, cannot, and will not serve us into the future.

We welcome you to the Second Australian Grand Jury, 2021, under **Crown Jurisdiction, Rule of Law, All Are Equal Before the Law**, where we will address the mechanics of some of the Orders listed from the Inaugural Australia Grand Jury, 23.9.2021. Plus additional orders that have come to light in the past 3 weeks.

10i) Do we have agreement from the Jury ? Please say yes and raise your hand.

1. **Unanimous Yes.**

11. **Order #3:** Failure to step away from your position, when misconduct is evident, will result in a public listing in which all assets are frozen and a case for **SLAVERY** will be filed in this court, to be trialled before 12 jurors.

11i) Do we have agreement from the Jury ? Please say yes and raise your hand.

12. The Australian People do recognise the following **public servants** to occupy primary positions, with most alleging to have superior authority over the wellbeing of the people, as evidenced by their actions; assuming a role of *needing* to make health related decisions for the people, issuing fictional mandates of conduct and 'rules' as if the people were children or complete idiots.

Perhaps under Guardianship of a privately owned church trust, such as the Papal Bull Unum Sanctum, 1302. Perhaps Australia is just one giant church managed by Ministers? For those who have done their research, which is vast numbers of We The People, there is no

foreign owned, forced vaccination, peddling fear mongering, blowing up your family, friendships, businesses, capacity to work without being tethered to a AI vaccine business model, suicides, domestic violence, extended and excessive incarceration in your own home, and preparing you for the coming age where AI runs the planet and you are its social credit slave.

If you have done your research, you know this is the trajectory of what is unfolding. It is the same trajectory as it has always been, there are simply new tools available now, with the development of technology to harvest the life force energy of humanity for the profit of the few.

and additional vast quantities of extensive research; all available for your education at [www.Executiveorders.life](http://www.Executiveorders.life)

Let us address this landscape via the press release issued by the Mark McGowan's Western Australian agenda, just yesterday, but with relevance to all states:

15. **Order #4:** In Law, it should be well known by our **public servants**, that **Free Will and Informed Consent** are the primary pillars of a free society. Failure to deliver this option,

is an act of SLAVERY and will be treated accordingly.

15i) Do we have agreement from the Jury ? Please say yes and raise your hand.

1. **Unanimous Yes.**

16. **Order #5:** Also in Law, we therefore acknowledge, that every transaction is an **offer** and an opportunity for **acceptance**, or **rejection**.

16i) Do we have agreement from the Jury ? Please say yes and raise your hand.

1. **Unanimous Yes.**

17. **Order #6:** Anything other than that, would be 'enforcement' of a given ideology and would constitute SLAVERY. Particularly since humanity has already done a profound amount of work throughout the ages, and sacrificed many ancestors, in the pursuit of right ways and freedom.

17i) Do we have agreement from the Jury ? Please say yes and raise your hand.

1. **Unanimous Yes.**

18. **Order #7:** Thus, as presented by Mr Mark McGowan at 20.10.2021, via his facebook feed, the following quotes from our **public servant** and feedback from the People, are relevant:

i. *McGowan : 'Based on the latest health advice':*

We the People; **do not agree** with the standard of health advice of the State, nor Federal Chief Health Officers, deeming it to be vested interest in a private business model, based in profit and control, as evidenced by point 14 above, and the vast quantities of associated research and data. Links are available at the ExecutiveOrders.life site, in Section 9 of the Inaugural Australian Grand Jury 2021.

18.i) Do we have agreement from the Jury ? Please say yes and raise your hand.

i. **Unanimous Yes.**

ii. McGowan: *'we have just outlined a new overarching workforce vaccination policy - with a phased approach which will cover a majority of occupations and workforces within WA.*

GJ: There is no such thing as a privately owned, foreign owned, overarching, workforce vaccination policy, enforced upon **The People**, and created by our **public servants**. Nor the instalment of threats of up to \$100K fines for business owners who fail to adhere to ensuring their teams are vaxxed. And with the promise of spot checks, this is a Gestapo style system of governance. It is 100% slavery. It is gross incompetence by this **public servant** who is worthy of nothing more than dismissal for his acute failure to recognise, understand and implement **Rule of Law, All Are Equal Before The Law.**

18. ii) Do we have agreement from the Jury ? Please say yes and raise your hand.

GJ: For those of us who are educated beyond the mainstream media machine, for example Channel 9, which does have the same Chairperson, Peter Costello, as the Futures Fund, worth \$226B, and which has \$2.5B invested in vaccines, and thus does constitute a gross conflict of interest; **We the People**, view statements such as this, based in the perpetuation of the '**sickness**' industry, rather than the '**vibrant and healthy**' industry, to be fabricated, profiteering mind control.

18. iii) Do we have agreement from the Jury ? Please say yes and raise your hand.

i. **Unanimous Yes.**

iv. **Order #9: McGowan:** *To allow businesses to continue operating safely in this long term*,

GJ: This excessive oversight by our **public servants**, into how business operates 'safely' in the long term, is a dialogue with a hidden agenda of perpetuating a consistent revenue stream for Big Pharma, by alleging there is a **deadly virus**.

To the educated, it is indeed a highly masterful **scam** played out upon the innocent, the frail and the uneducated. It is an unwarranted invasion of privacy, of a chosen standard of living, and the inherent right to unencumbered trade. We do not need our public servants to 'allow' us to trade. This is an inherent right.

- v. **Order #10:** McGowan: *The policy strengthens current 'mandates'.*

GJ: As our **public servants** would know, in **Law**, there is no such thing as a mandate, as that would encroach upon the **free will and informed consent of the people**. And would therefore be SLAVERY.

18.v) Do we have agreement from the Jury ? Please say yes and raise your hand.

- i. **Unanimous Yes.**

- vi. **Order 11:** McGowan: *'Mandating COVID-19 vaccinations for more than half of WA's workforce sets out a safe and clear framework for industries and workers, based on expert health advice.'*

GJ: This policy does render the '**expert health advice**' to be **gross incompetence** resulting in the slaughter of Australian society. With undoubtedly vested interest in the BioNtech share price of \$13.82 USD October 2019, now \$262 USD. With a peak at \$414 at August 2021. Pandemics are lucrative games to play by those who have their hands on all the resources, whilst the People have little.

COVID-19, any vaccination policy is entirely unwarranted and not a preferred choice.

But thank you for the **offer**. We The People, reject your **offer** to engage in the privately owned, foreign owned, experimental vaccination policy created by the public servants, and that does expect to just set up camp in all our lives. No thank you.

18. vii) Do we have agreement from the Jury ? Please say yes and raise your hand.

i. **Unanimous Yes.**

viii. **Order #13: McGowan:** 'Under this phased approach, two groups of workforces will be subject to mandatory vaccination by certain dates, with a third group required to be vaccinated in the event of a lockdown.'

GJ: Our **public servants**, paid via the public purse, would know that in **Law, Rule of Law, All Are Equal Before the Law**, there is no such thing as 'mandatory'. Use of the word 'mandatory' is fresh packaging for the word 'SLAVERY'. It is the removal of **free will and informed consent of the people**. It is ownership of our precious bodies by the public servants, rendering them to be slave traders. Trading our bodies for the profits of a private foreign enterprise. To enact this type of policy, your body must be alleged to be the property of the public servant Mr Mark McGowan. Thus, this is an act of SLAVERY.

- ix. **Order #14: McGowan:** *'Group 1: First dose by 1 December 2021 and fully vaccinated by 31 December 2021.'*

**GJ :** Thank you for your offer, **public servant** Mr McGowan, but We The People, do not accept your offer to indulge, to engage, in injecting experimental, foreign owned, mRNA cocktails into our bodies, on a regular basis, on the alleged theory that this is 'health'. No thank you. We have a God given immune system for the vast array of health matters.

- x. **Order #15: McGowan:** *'Industries determined to have high transmission risk, or are a vulnerability risk or are necessary or critical to the safety of the community.'*

**GJ :** Concepts such as this are an absurdity in **Law**. They are a gross violation of the natural equilibrium provided by nature and a healthy immune system, and will not be tolerated as a standard of dialogue by our **public servants** in our communities, whilst wielding experimental, foreign owned cocktails. If one has done their research, one knows this is 100% fraud, fear mongering, coercion and blackmail, installing a Tier 2 Slave System whereby the business owners are now the gestapo, patrolling the rest of community, insisting on vaccination to keep their jobs, to avoid horrendous fines. What a disaster. This is psychopathic and one must question the **mental health** of those who attempt to install this upon the freedoms of the Australian people.

### **GJ: All such industries are free to cease with this absurd agenda.**

A gross failure of competence and Rule of Law: All Are Equal Before the Law. An attempt to capture Australians within the realms of a private, profiteering business model, upheld by a private legal system.

As per the Orders of the IAGJ.

**Corporate Immunity** is a construct of a private legal system that humanity has been entrapped in for 800+ years.

xiii. **Order #18: 'McGowan: Lockdown: Must be fully vaccinated to attend work during a lockdown or similar restrictions.'**

**There is no such thing as lockdowns. Anymore.**

Any further lockdown measures by the **public servants** upon the Australian People, is **strictly forbidden.** Lockdowns are a nasty game with People's lives and resources.

It is deemed an act of **treason, fraud and slavery** and will be processed via the Australia Trials, before a jury of 12 with outcomes ranging from: damages to be paid, assets frozen and/or sold, jail time, and/or death. As per the Nuremberg Trials. Precedent was set a very long time ago for this type of misconduct by the **public servants**, and that precedent included the blood of our ancestors in their noble fight to secure freedom. It will not be lost to privately owned, patented products.

**A zero tolerance policy is now in force for this 'vaccination' game with our lives.**

- xiv. **Order #19: McGowan:** *These critical workers must be fully vaccinated to leave home to attend work, to decrease transmission risk and prevent impact on the delivery of services . Groups 1 and 2 of industries represent approximately 60 percent of WA's workforce. With the addition of the lockdown group, approximately 75 percent of the WA workforce is covered by these categories.'*

It is well recognised, researched, with signed documents acquired, that the **public servants** of the Australian Government positioned the good, hard working **Australian People** to be in debt to the privately owned Big Pharma vaccine industry.

Not only did the **public servants** sign contracts to commit the bodies of the people to the privately owned experimental vaccinations, without the **free will and informed consent of the people**, to be the recipients of the privately owned experimental mRNA vaccination cocktails, but the people are of course the financiers of the vaccines since a government, as a legal fiction, does not have any of its own money. It is merely an administrator of the People's resources. Additionally, if community does not want this privately owned product, paid for by **The People**, they may have their job, which may be a critical field of expertise to community, terminated.

We the People, recognise it as: 100% SLAVERY, incurring Harm and Injury.

- xv. **Order #20: 'McGowan:** *We'll be undertaking close discussions with industries over the weeks ahead to ensure industries and workers understand the policy well ahead of the implementation phase.*

Thank you Mr McGowan for your 'offer' to accept your **public servant** policy related to health management of the Australian People. For those of us who have done the extensive deep dive research, it is recognised, with abundant evidence, as a private, racketeering, profiteering, business model preying on the weak, the vulnerable and the uneducated in community.'

### ***Your policy is immediately Null and Void.***

**We, the People,** are paying close attention to industry and will not hesitate to gazette perpetrators of slavery and process them via an Australia Trials. **This is Law.** It exists independently of the whims of folks in Parliament. It exists independently to protect us, We The People, from treason, fraud and slavery.

- xvi. **Order #21: McGowan:** 'Unvaccinated workers in settings where exposure is likely to cause tremendous harm. **They are a risk to themselves, their colleagues and the community.** We simply cannot afford to allow the hesitant or complacent to infect those who have done the right thing and been vaccinated.'

**GJ:** Thank you Mr McGowan; for putting in writing, your willingness to show yourself to be either **a completely uneducated idiot, who is also a public servant, or a complicit menace to society** with a agenda to profit from the misery of others as you attempt, gestapo style, to penetrate every element of society with your privately owned, foreign owned, experimental vaccination agenda.

Either way, you have outdone yourself with this comment. You fail **Rule of Law: All Are Equal Before The Law**. Therefore, you are grossly incompetent, and as **public servant**, you are hereby terminated, by **We The People**, from your role; under the title of Premier of Western Australia.

You are free to step away from your position immediately.

Thank you for your service. You are no longer required by the good People of Western Australia, and may you be an example to the other **public servants** out there, of what will NOT be tolerated.

**WE, The People, are in charge and you work for us.**

xvii. **Order #22: McGowan:** 'WA's vaccination rate continues to climb, but people should not wait until the eleventh hour. So don't wait for Delta to reach our State - vaccinations are available today at GPs, Pharmacies, and even without an appointment at any of our State run clinics.

Thank you Mr McGowan, you are dismissed, by the People, for The People.

### **Order #24: Matter #2 - Exposing themselves in fraud. Accountable via education.**

Advancing Orders from IAGJ: Orders 8, 21, 23, 39, 40, 41, 42

1. A new standard in Education is now installed for the defunct positions of Premiers and Chief Health Officers and other associated Government Departments that do deem themselves responsible for thinking on behalf of community and deciding on behalf of community what 'safe' looks like.

In the face of believing and perpetuating the myth that there is a pandemic and that the privately

owned vaccination industry has the solution to that, for those who are educated, they know this is nothing more than a giant privately owned business model, of macabre standards. Thus all Premiers, who take their advice from CHO's, and then develop Rules that effect the lives of the Australian People, will now sign off on a series of education that will reveal this vaccination industry for the fraud that it is, and thus their either wilful ignorance of such research, or their complicit conduct in this genocide agenda.

2. A public gazette will be installed in coming days for community to witness the conduct of these individuals in advancing their education. Upon being educated, all dialogues of a pandemic will drop away, or if education is not completed, the wilful ignorance of that individual will be revealed and thus they render themselves obsolete in a system that is already declared to be terminated.
3. Additionally: All parties named in the gazette are also liable and accountable for disclosing how many BioNtech shares they own? Launched October 2019 at \$13.82USD, now valued at \$262.85, and having peaked at a 52 week high of \$464USD in August 2021. And any other shareholding in vaccination Corporations is also required to be disclosed. Failure to be transparent will be deemed a matter of treason.

### **Order #25: Matter #3 Accountability of alleged decision makers.**

Advancing Orders from IAGJ: Orders 39, 40, 49 , 50, 54, 55

1. Dr John Skerritt of the TGA will write an open letter to the good people of Australia; outlining the merits of why Ivermectin and Hydroxychloroquine were banned as remedy in this alleged pandemic
2. thus facilitating a dialogue that there was no remedy in the marketplace for Covid Sars2,
3. thus facilitating the perpetual use of the Emergency Declaration,
4. thus facilitating the introduction of the privately owned experimental vaccination.
5. This letter will be received to \_\_\_\_\_ no later than 28.10.2021 and will be made available for public scrutiny via the Press Release gazette.
6. Dr Skerritt, and associated employees of the TGA will also be subject to the education process of Matter #2, thus diffusing the fraud of the Covid pandemic dialogue and its associated measures implemented upon the freedoms of the Australian community.

### Order #26: Matter #4 Termination of a broken system.

Advancing Orders from IAGJ: Orders 5, 6, 15, 16, 18, 31 ,

1. Thanks to the recent speech by Tim Quilty in Parliament, these Orders are further substantiated .

2. The good Australian People have no time, nor interest, in petty squabbling of a broken, outdated political system, that fails to produce efficient results but has instead, allowed for a standard of living whereby we have gestapo Premiers, sending spot checks to business, welding threats of \$100k fines if staff are found to not be double vaccinated by a foreign owned, experimental cocktail. And this is called health in Australia.

No thank you! Absolutely not. Australia will not succumb to this standard of tyranny. Australians will continue to enjoy our stunning landscape, and our natural immune systems to deliver a lifestyle for ourselves and future generations that is in alignment with **Rule of Law, All Are Equal Before The Law.**

## 1. Unanimous Yes.

### In conclusion:

Thank you for your time today. Thank you to the many contributors who have assisted to bring this Second Australian Grand Jury to the table.

To our fellow Australians, please be confident that we are getting our country back, and we are systemically using the standards of **Rule of Law: All Are Equal Before the Law** to weigh and measure all actions. If it does not meet this measure, it cannot be law. It is slavery.

Please know and understand your inherent God given rights to *free will and informed consent*. And if anyone violates that, please feel free to report them on Form A, or the Australia Trials form, of the ExecutiveOrders.life website.

**THE MEEK SHALL INHERIT THE EARTH.**
