- 11TH TERRA AUSTRALIS GRAND JURY -

AGENDA

11.11 am AWST 14.7.2022

1. Welcome to the 11th Grand Jury of **'We The People'**.
2. There is no Jurisdiction higher than the events of this Court.
3. This Court is Superior Jurisdiction, recording the voice of **'We The People'**.
4. This Court and Jury performs its duties in Crown Jurisdiction.
Therefore it clearly recognises the body temple, the mind and the Spirit as inseparable from each other.
5. It recognises **'We The People'** as the highest authority on Planet Earth, forever recognised as the custodians of Mother Earth.
6. **The Meek Shall Inherit The Earth.** Matthew 5:5
7. **We The People** are free and without encumbrance from others,
8. So long as a 'Do No Harm' policy is observed.
9. **All Superior Rights are Reserved Under Rule of Law:
All Are Equal before The Law. At All Times.**
10. This Court recognises critical pillars of Natural Law:
 1. of Free Will
 2. and full and informed Consent.
 3. It recognises 100% personal liability and accountability of all individuals.

4. It deems **corporate immunity** to be a 'legal fiction', not existing in Natural Law, and has been used as a critical tool to trample humanity, as evidenced by the covid19 mechanics to enforce the for profit, bioweapon of a private corporation, commonly referred to as a vaccination, into the body temple of humanity.
5. This Court recognises '**failure in transparency**' as a standard to render matters **Null and Void**.
6. This Court recognises that those who do harm and impinge on inherent rights, will be **inevitably called to accountability**.

11. This Court recognises and respects the original custodians of this land Terra Australis. We remain in conversation with the Warlpiri Tribe, Central Desert in developing the standards of rightful jurisdiction, having identified and separated jurisdictions in the 7th and 8th Grand Jury's, to recognise that First Nation never surrendered their jurisdiction and are not accountable in any way to a colonial court of the private BAR Guild.
12. My name is Leith Masters and I will guide you throughout this formal proceeding.
13. As a professional Astrologist: A.G.E. Int'l Dip, I do address critical astrological cycles at the beginning of the Grand Jury's, thus facilitating the consciousness of humanity to move forward in alignment with these cycles, and thus to harvest the

unspent potential of them.

14. To the Jurors: We thank you for your attendance today.
15. It is vitally important, that as a humanity, here in Terra Australis, that we are writing and recording what we require as a People and that we are adhering to
Rule of Law: All Are Equal Before The Law.
16. We will do a roll call of those in attendance today: For the recording, I will just go around the room and call your name as I see it on the screen, please reply yes to your attendance, raise your hand for easy visual reference, and please name the state you are in. Thank you.
17. **ROLL CALL**
18. When the voting begins you need to clearly raise your hand and keep it up until the vote has been recorded. 75% in one direction is a winning vote. All names and faces must be visible at all times.
19. We are emerging out of a slave system, which is disguised as a system of 'Guardianship'. And is managed by the Board of the Guardians. This arose throughout the past centuries under the Poor Laws.
20. So not only is humanity inside a private Vatican Trust called Unum Sanctum, 1302, a reaction to the developments of the Magna Carta, but it is further enslaved in a class based system, inside the Poor Laws, of 1535 and which continue to develop to this day, and where the majority of the population are deemed to be Paupers.

And managed as paupers. This is evidenced by a 'P' that appears in the modern day passport under Type.

21. You are a slave, by a self assigned elite.
 22. It is vital that humanity craft its own Law, in alignment with Natural Law, or humanity will remain under Guardianship until it is able to do that.
 23. That is what we are doing today, further developing the People's voice, always in alignment with Natural, inherent Law.
 - 24. Therefore each one of you here today is vitally important.**
 25. You are the **Lawmakers**.
 - 26. Thank you for navigating your good self here today and being the voice of the People for Terra Australis.**
 27. Your voice and your clear cognitive assessment of matters, is critical to what we lay down for the benefit of humanity.
 28. This Grand Jury is for Terra Australis.
 29. Please do use the recordings of prior Grand Jury's to your benefit and the benefit of others.
 30. This is the 11th Grand Jury and a significant amount of Law has been passed by the Jurors, for our use.
-
31. I would like to also introduce other admin team members:

2. Donna Markwell, who is also making good headway in the area of accountability for the actions of Child Protective Services, having had her own daughter kidnapped for 36 days by a gross failure in lawful due process.

The success of the retrieval of said daughter is deemed to be based in the removal of **corporate immunity** and the public listing of perpetrators of the kidnap. These public listings will continue.

Donna Markwell to speak re the kidnap of her 14 year old daughter; by the Department of Child Protection, by failure of Lawful Due Process.

Quantum Shift of positions:

Moving from incompetent chattel, to Executor of the Estate:

1. This reflects the change of jurisdiction from the Inaugural Australian Grand Jury of September 2021.
2. You are moving from chattel to Executor of the Estate.
3. The public servants are moving from Guardian, as in Board of the Guardians arising via the Poor Laws, to Trustee.
4. The Trustee must follow the instructions of the Executor.
5. Or be guilty of slavery.
6. And administer resources correctly.
7. This is part of GESARA: The Global Economic Sanctions And Reformation Act: whereby humanity arrives to be the administrator of their inherent right to resources.
8. To begin, first enter your Crown Jurisdiction as a moment in time, time stamped, on the gazette, as a record that you have spoken into reality your Superior standing. That being the recognition of your own Express Trust. The Power of the word is God. Include claiming your

9. Announce Crown Jurisdiction/Executor as required, eg: if talking to Centrelink - get through all AI stuff, then when speaking to someone, just say,
“ Before we proceed, so it is on the record, I am standing in Crown Jurisdiction.”.
You require no feedback from the public servant in regard to this.
10. Upload a letterhead from your Executor Office that states that.
11. And to all other service parties.

12. Keep excellent records of all your business interactions.
13. Go back and read the Grand Jury's so you know what Orders have already been passed.
Quote them if you need to.

14. If you need to come or go throughout this proceeding please feel free to do so.

1. Is this Law???

2. Or is it 'legal fiction' rubbish?
3. That is the big question for this: the 11th Grand Jury of Terra Australis.
4. We will apply this simple question to every matter that we look at today.
5. See through the illusion
6. Become the Executor and Beneficiary of your own Estate.

7. Administer your right to resources from the Trust via the Trustee, the public servants, using the tools in commerce.

8. We are restoring the Creditor, who has become the debtor via a corrupted system.

9. Organise your office.

10. Clearly state: My time is not free.

11. Is this treason, fraud and/or slavery ?

12. Corporate immunity - The end of a dangerous fiction.

13. During this transition: We make some allowance for those caught up in a bad system.

14. We know we are living inside a fake, fictional legal system **alleging** to be Law.

15. A private legal construct run by the private BAR Guild. The British Accredited Registry.

16. And before we proceed to discredit the private BAR Guild as an organisation perpetrating it's own version of Law upon humanity, but is not really Law at all, we wish to acknowledge the good people who turn up to this industry, wanting to serve humanity, believing they are learning Law and administering Law.

17. Alas it is nothing more than the Board of the Guardians, a legal system with it's origins back through the centuries where the People were claimed as church property and put under Guardianship. **Without their knowledge of consent.**

18. Thus this private club, alleges that 'We The People' are it's '**public**' and administers the good People around the world as slaves, cleverly disguised as 'under Guardianship'. And still the average individual has no idea they are even under Guardianship, with most believing they can call on some Constitution somewhere.

19. Thanks to Unam Sanctum of 1302 and the Poor Laws of Henry VIII 1535 and onwards, which continue to appear in the modern day as the Board of the Guardians, the People are administered as property. You may refer to the extensive writings of the Inaugural Australian

Grand Jury is you would like further education in this area.

20. Thus, when under Guardianship, the People are not needing to be informed of much at all and are corralled along like dumb sheep through vaxxing stations, all being impregnated with bio-weaponry for constant surveillance.

21. And for ease of commerce that fills the coffers of the already rich who have stolen the right to resources from We The People.

22. However, breaking Law leads to misappropriation of resources.

23. And a consequential realignment. That is what is happening now.

24. If we find matters fail in Law, then that matter is dismissed from having any alleged authority in the landscape of Terra Australis.

25. We are aware our landscape has been invaded by the private architecture of the private, unelected body of individuals known as the World Economic Forum.

26. Hosted by Klaus Schwab - a Rothschilds banking descendent and a byproduct of centuries of inbreeding and where the notion of not controlling humanity, does not exist.

27. Covid has been the attempt to implement their 4th Industrial Revolution upon humanity.

C: Citizen

O: Openly

V: Volunteer

I: Identification

D: Daily

9: = I = AI = QR codes, covid passports etc.

29. **Volunteer**, the basis of Law. Everything must be by consent. Despite it being delivered in a violent way of 'get jabbed, or you don't have a job.'

30. The Rothschilds banking system is a privately owned currency that snuck into power in 1913.

31. Promptly delivering the first world war and a mandate to suppress natural health remedy and implement synthetic health products - such as the recent bioweapon experiment of the long planned, highly documented covid 19 depopulation agenda.

32. This is a sick and psychopathic agenda upon the well-being of humanity and full accountability is in progress.

33. Anyone employed in the Australian Government - a private corporation, as a public servant and paid on the public purse, and found to have a history with the World Economic Forum, to fulfil a globalist agenda, is held accountable for being complicit in a private agenda to govern humanity.

34. It is not the privilege of this unelected group of individuals to architect the way forward for humanity. Just a few of the overarching entities.

ORDER #1

1. Mortgages : Is this Law? No
2. Are mortgages lawful instruments? No
3. As reviewed in Grand Jury 10, a mortgage fails all 8 essential criteria of a valid contract.
4. So what lay on the other side for humanity getting off this merry-go round that is not a reflection of Natural Law. What lives beyond this paradigm for humanity?

1. Proposed Amnesty for mortgages and rents .

2. Degree of Pluto is 28
3. Began 2008 0 degrees
4. Finishes March 2023 - not taking the Rothschilds banking system with us into Pluto entering Aquarius: transforming Humanity.
5. A mortgage is 100% fraud.
6. Created by a privately owned financial system. Based on the Cottages Erection Act of 1588. peasants required local parish permission to erect dwellings whereas before the erection of a dwelling by a land peasant on their lord's land was considered a "right".
7. Thus it is slavery.
- 8. A mortgage fails all 8 essential requirements of a valid contract.**
9. These 8 essential requirements were discussed in the 10th Grand Jury.

Alleging to have the capacity to continue to manipulate interest rates and with such severity as a 0.75% increase, equalling, for example \$375 per month on a \$500k mortgage, is an absurdity in Law, and a game with People's lives.
