2.2. PAFROL - the Peoples Alliance for **Rule of Lore/Law:**

All Are Equal Before The Lore/Law.

2.3. This is www.Executiveorders.life where we:

Crown: We The People of Superior Jurisdiction

architect progress for humanity based on **Rule of Lore/Law:**

All Are Equal Before The Lore/Law.

2.4. This is an evolving landscape, for all of us, and we maintain license to update data and definitions as new content comes to hand, but all matters are based in

Rule of Lore/Law:

All Are Equal Before The Lore/Law.

2.5. We are following the stepping stones of the well lit narrow path of Law. This is not random.

That Law refers to Galactic Laws, as well at Planetary Laws of Mother Earth, of which humanity is her prime Custodian.

2.6. If something fails the Maxims of Law - it is not Law, and may be **TERMINATED.**

2.7. In this way, we protect humanity.

2.8. All are accountable for their actions.

9. Orders:

9.1. Order #1 - original

The word for the year for 2022 was '**jurisdiction**'. Great strides forward were made in folks being able to see through the illusion of the alleged authority, and many now speak in terms of superior and inferior jurisdiction.

The word for 2023 is '**repurpose**'. As humanity now focuses on every resource and assesses it for its value. Does it serve and just require a change of jurisdiction? Or is it corrupt and needs to be dissolved. In this way, many resources will come available.

9.1.1. What say you Jurors ?

9.1.2. Unanimous Yes

9.6. **Order #5**

At any time we the People are free to declare the Guardianship over, and to put them in the position of Trustee and we take the position of Executor and Beneficiary and are free to communicate via the Executor and Beneficiary letterhead, and issue instructions to disperse resources.

And just as they persist in ignoring the Creditor to maintain their position of war, we persist in holding accountability to bring about Peace and Prosperity for all.

9.7.2. Unanimous Yes

9.8. Order #7

That we recognise the POSOC and it's machinery of the private, managing the People as their public and have been culling the herd to prevent a further financial implosion.

We recognise Parliament as the place where the rules are made for the POSOC.

We recognise the Supreme Court is the place designed to deliver banking, not law, and foreclosure is a banking act of inferior jurisdiction . As confirmed by the words of Brian Smith of global legal firm, but not lawful, Dentons.

What say you jurors? That we recognise Dentons as a global predator, and the Supreme Court a tool to perfect legal commerce, but not deliver Law.

9.8.1. What say you Jurors ?

9.8.2. Unanimous Yes

9.9. Order #8

Repurpose the BC and update the Terms and Conditions as we see fit, including changing the standing for its use to not be a tool of War as per the War Laws, but to be a tool of Peace as per these Laws of Peace. All War does cease.

9.9.2. **Unanimous Yes**

9.10. **Order #9**

Clear recognition that the Reserve Bank of Australia is a global enterprise on these lands and is a franchise arm of the Federal Bank of America, which was not audited for 60 years, until the 2008 GFC and did sneak through Congress in 1913 to install itself against the wellbeing of the People and uses deceptive language such as Federal to create the illusion that it is government, when it is private, just as here in Australia it uses web addresses ending in [.gov.au](https://www.gov.au) and pays itself from the Public purse as if it was Government, but is actually a private machine harvesting the People.

What say you jurors, do we address from this point forward, the dialogue from the Creditor position and speak with conviction of the hidden accounting and work patiently to achieve accurate accounting results. That does include 'set off', by simple instructions from the Creditor? And may use the document provided and the Executor and Beneficiary letterhead?

9.10.1. **What say you Jurors ?**

9.10.2. **Unanimous Yes**

9.11. **Order #10**
