- 26TH TERRA AUSTRALIS GRAND JURY -

AGENDA

11.11 am AWST 29.9.2023

Acknowledgement by Jurors to note these Orders and tools exist and have Lawful standing via **Lawful Due Process** conducted by **Crown: We The People of Superior Jurisdiction.**

End of 2nd World War. **September 2nd 1945**

United Nations began **October 24th 1945**

Australia was a founding signatory to the United Nations.

No referendum was held to consult with the good People of Terra Australis.

Thus these lands became part of a globalist compact, without the permission of Humanity.

A globalist government - created **without** the **Free Will and Informed Consent of Humanity.**

The **Rothschilds** banking system. 23.12.1913 - 31.1.2023. 110 years has ensured almost all countries have been indebted to this construct. Only now remedy is coming in via the BRICS alliance and the Quantum Financial System.

The World Economic Forum by Klaus **Rothschild** Schwab - is an unelected body of people who then infiltrated all governments around the world, except those who find themselves in war, as an outcome of not joining this private 'club'. The implementation of the 15 minute city, a community prison, is the concept of this organisation.

2. Order #2 The broken word of the Police.

2.1. Police alleging to do one thing and then do something else, render their word to be useless and the Trust to be broken. Without Trust, there is no Law.

2.2. Example: when at **Dept of Communities 130 Stirling St Perth WA 6001, 19.9.2023**, Police said, 'let's take it out of the building and talk outside.' We, as a team of 12 Sheriffs, cordially agreed, as it provided an opportunity to discuss Police assistance to DCP to round the children up and take custody of them.

2.3. They were clearly on a 2 minute time frame and then left. As indicated by a young Officer who repeatedly looked at his watch in a short space of time and then delivered an exit command.

2.4. This results in child trafficking going unattended and unaccountable.

2.5. The six officers who attended have been publicly listed on Blast 067 Posted 21.9.2023 1.9k views as at 28.9.2023 4.45pm.

- 2.7. **What say you jurors?** The Police are complicit in Child Trafficking when they conduct themselves in this way, because they fail to assist to bring remedy to the landscape.
- 2.8. The Officers named are to **Stand Down** for training in **Lawful Due Process**. And to be made an example of.
- 2.9. Law is real. If you fail to follow it, we have anarchy. That is, in this case: Public Servants paid on the Public Purse but failing to uphold inherent rights and freedoms.

- 2.10. **What say you Jurors?**
Majority passed.

3. Order #3 Corporations barricade themselves in.

- 3.1. Corporations are increasingly becoming non accessible and non accountable. One of the ways they do this is to make accessing them a time consuming process.
- 3.2. Examples of this include : 'no reply' emails. Wasting everyone time to find an email to reply to, that is not 'no reply'.
- 3.3. As well as email systems that do not allow for attachments to be added. Thus our own documents cannot be submitted, which may include the Executor and Beneficiary Letterhead as Lawful Jurisdiction.

3.4. It is deemed such corporations be rated for their user friendly landscape and may be penalised for wasting the time of Humanity.

3.5. **What say you jurors?** Corporations must provide access for an attachment, and easily available reply email addresses. Including featuring the email address to reply to, in the email that arrives on a no - reply email. Our time is not free for these laborious systems.

3.6. A Rating : Efficient

3.7. B Rating: Warning of non compliance to User Friendly standards.

3.8. C Rating: Penalty 1: \$1000.

3.9. D Rating: Penalty 2: \$5000

4. Order #4: Child Traffickers : Shezah Arif and Simon Thakrah

4.1. **Shezah Arif.** : Principal Lawyer at Department of Communities.

4.1.1. Facilitate child trafficking. As evidenced by the Hume case.

4.1.2. Takes children first and then has a trial just less than 300 days later.

Simon Thackrah : Head of Legal Department of Child Protections. MBA (Social Impact) candidate UNSW - General Counsel.

4.1.4. Facilitate child trafficking. As evidenced by the Hume case.

4.1.5. Disruptive behaviour 19.9.2023 when held to accountability for Failure of Lawful Due Process.

4.2. What say you jurors?

These two individuals in high positions, have no consciousness to recognise the agony their actions create, nor the mismanagement of the resources that result in a First Nation family being homeless.

4.3. They are fit for immediate dismissal as a measure of what is not tolerated in the landscape of the Sovereign and the equitable use of resources.

4.5. Unanimous Yes.

5. Order #5 Map and Track. Block and Check. Part A.

5.1. All Public Servants and Public Servant systems will be Mapped and Tracked as required.

5.2. If found to be encumbering Humanity, they will be Blocked and Checked accordingly.

5.2.1. Eg: Synergy: customer service team are dumbed down.

5.2.2. Electronic infrastructure is extremely limited with regard to email access

5.2.3. Upper management team of legal and accounting is 100% unavailable.

5.3. **What say you Jurors.** We own this system and it is run like a slave system, harvesting profit from a resource we already own and have paid for. This standard of enterprise is strictly forbidden and needs to adjust its infrastructure including making available the set-off process for payment.

5.3.1. **What say you Jurors?**

5.3.2. **Unanimous Yes.**

And **Part B. Example.**

5.4. Additionally, the **Energy and Water Ombudsman Western Australia** proves it is incapable of delivering an outcome that is not based in Humanity as the Debtor.

5.5. It is unable to address failures in Law, and simply sends Account Owners back to the same enterprise they began at, as having an alleged debt, despite instructions to do 'set-off', which is to access the Creditor Accounting.

5.6. Justin O'Malley Senior Investigating Officer confirms he relies on:

5.6.1. The Charter of the Energy and Water Ombudsman (Western Australia) Limited (Charter)

5.6.2. the Australian Standard (AS/NZS 10002-2014 Guidelines for complaint management in organisations) which defines a complaint as : 'an expression of dissatisfaction made to or about an organisation, related to its products, services, staff or the handling of a complaint, where a response or resolution is explicitly or implicitly expected or legally required'.

5.6.3. The Electricity Industry Act 2004 (The Act). Section 39. And 131.

5.6.4. The Economic Regulation Authority (Authority) to prepare Codes.

5.6.5. Section 54 of the Act

5.6.6. Section 79 of the Act for Code of Conduct for the Supply of Electricity to Small Use Customers (the Code)

5.6.7. The Independent Electricity Code Consultative Committee (ECCC) for review of the Code.

5.6.8. Section 80 of the Act.

5.7. Granting permission to process resource use as a set-off, is not a 'complaint'. It is an instruction and permission, granted by the Executor and Beneficiary. It is Superior Jurisdiction to the legal framework of the Acts - of the corporation.

5.8. What say you Jurors: as an aspect of this **Independent Audit and Investigation**, that Justin O'Malley is charged with educating the above entities with the set-off process. Or, he and the Board members of the above Authorities come before a Court of Superior Jurisdiction, before a Jury of We The People, to face Criminal Code 270 ; Slavery, 25 years jail.

5.8.1. What say you Jurors?

5.8.2. Unanimous Yes.

5.9. And

5.10. What say you Jurors? The **Energy and Water Ombudsman Western Australia** is an inefficient Office that **Crown: We The People of Superior Jurisdiction** pay for, and yet it treats us as a debtor. Therefore, in order for it to be a useful Office, it needs to immediately adopt the set-off process for the Creditor.

5.11. What say you Jurors?

5.12. Unanimous Yes.

6. Order #6: further to Order #6 from the 25th Grand Jury 31.8.2023

People, not the PMA that calls itself the Australian Government, and will move to ensure Lawful Due Process occurs at the Courts. That is the Claimant must prove their claim.

6.2. Specifically, if Common Law Sheriffs attend the Courts for any reason, that the Sheriffs are acknowledged as being in Superior Jurisdiction than the Judge or Magistrate, as they are members of the privately owned Board of the Guardians.

Common Law Sheriffs may unfold peaceful business within the Courts, particularly for those attending in a Superior Jurisdiction, or those having requested the Sheriffs attend on their behalf.

6.2.1. What say you Jurors?

6.2.2. Unanimous Yes.

....further

6.3. It is noted that on September 11th 2023 and September 12th 2023, that Ventia Security was diplomatically served the above documentation at its address 181 Adelaide Tce Perth 6000, by the Common Law Sheriffs.

- 6.4. Whilst initially polite, by 3.30pm 12.9.2023, Ventia did call and say we were not allowed back in the building,
- 6.5. and when we did attend the Court on Tuesday 12th September 2023, as Counsel for a First Nation family,
- 6.6. Ventia Security served to block our access to the Court, not allowing us even onto the steps.
- 6.7. And engaged particularly large Security Guards who outrightly said they were placed specifically for the purposes of preventing the Common Law Sheriffs from entering the building,
- 6.8. thus preventing Counsel from being available as per the Voice and Choice of the couple in the trial.
- 6.9. This is an Act of slavery by silencing the defendants in their choice of Counsel, and a failure of Lawful Due process to block access to the Court.
- 6.10. Ventia has therefore facilitated **child trafficking** as this case is already recognised as a **failure of Lawful Due Process** due to the trial being the 8th hearing in some 270 days since the children were taken.
- 6.11. And was heard before a Superior Court.....
- 6.12. The Department of Children Protection has a profound reputation for stealing children by **failure of Lawful Due Process**, and Ventia, by its actions, is facilitating this to continue.
- 6.13. **What say you Jurors:** Ventia Security is guilty of perverting the course of justice and needs to be held accountable for its conduct. Ventia must do a written letter

of acknowledgment and Public apology of its failure to address standards of Lawful Due Process, thus facilitating child trafficking.

6.13.1. What say you Jurors?

6.13.2. Unanimous Yes.

7. Order #7: Fees for Public Servant misconduct:

Further to this Order: New fee schedule for Judiciary:

7.1. In addition to Terra Australis Grand Jury 12. Order # 3 12 August, 2022

Re: Judges and Magistrates, being of *inferior jurisdiction*: due to being part of the Poor Laws 1535 and their ongoing development to this modern day, and being part of a system that was created without the free will and informed consent of

Those who fail to acknowledge Superior Jurisdiction when announced, that being Divine Special Appearance, or Executor and Beneficiary, or the living man or woman, or any other term used to describe the same, will be deemed incompetent and removed from their position.

13. Order #13: Third Party Slave Traders. Eg: Max Employment

13.1. Centrelink- derived from the Workhouse Test Act of 1723, has long been a slave system, created by the Catholic Church, which allegedly owns the People. Unum Sanctum 1302, and further Papal Bulls.

13.2. This is a landscape in which Inherent Rights are forcibly exchanged for Benefits, thus alleging to bring an individual under the jurisdiction of the inferior Private Members Association, that calls itself the Australian Government.

13.3. This is effectively blackmail, coercion and slavery. It is fraud, because the Australian Government alleges to have resources to give to you, that were not already yours.

13.4. This is not possible, since all resources are derived via the monetisation of the Birth Certificate or the alleged permission granted for use of resources, by the receipt, known as the Birth Certificate, despite no transaction details readily available since Humanity has traditionally been under Guardianship and therefore allegedly; did not need to be consulted about Resource Use.

13.5. Particularly vulgar is the development of the points based system to monitor Humanity and their application to job search requirements. Upon failing the points system an individual can be suspended from payments, thus causing extreme distress and hardship on an already highly stressed population.

13.6. Thus these 3rd party contractors who are the Job Seeker contractors, of which Max Employment would be an example, are hereby given Notice that:

- 13.6.1. the point system is Null and Void. Under no circumstances is Humanity monitored by a point system. This is a complete absurdity.
- 13.6.2. The disconnection of any individual from essential resources that were only ever theirs to begin with, is strictly forbidden and does now incur a penalty to the provider of an amount of: \$10 000 per day, per Man or Woman, also known as the Executor and Beneficiary.
- 13.6.3. The Job Seeker provider: e.g. Max Employment would be liable for this injury/penalty.
- 13.6.4. All providers will be Notified and must reply with written confirmation of receipt no later than 2 weeks after receipt, or be deemed incompetent and incur a \$1million penalty for belligerence, slavery, treason and fraud, and a public listing for such conduct.
- 13.6.5. The CEO's will be held 100% personally liable and accountable for recognising this change in their contract.
- 13.6.6. Any individual team members who action a disconnection from resources upon any individual will be held personally liable and accountable and incur a penalty of \$66 000 - flat rate.

14. Order #14 Administrative Appeals Tribunal

14.1. In matters of a 5th hearing with the Administrative Appeals Tribunal with regard to double financial penalty for not vaccinating ones child with the privately owned, profit generating products of the vaccination industry, the Barrister chose to move against the Executor and Beneficiary and failed to perform functions of the Trustee, they being beyond the capacity of the prevailing Statutory and Legislative framework.

14.2. Thus maintaining a landscape of blatant slavery. Member Dr C Huntly did not know what the Nuremberg Code was, and had not watched an essential 5 minute video of precision architecture regarding the injuries of the vaccine industry.

14.3. The doors of the Administration clearly identify there are two jurisdictions within the Administration, one which it deems itself to be : The Private. And one in which it deems the matter of the People to be the Public: subjected to the Statutory and Legislative framework of the Parliament process. That being a slave system as it fails **Rule of Law: All Are Equal Before the Law.**

Being limited by the Statutory framework ensures the matter will be dismissed as frivolous and vexatious (Correction: in editing: dismissed as 'no prospect of success'. Not: frivolous and vexatious) and amount to 15 months of time wasting. That is what happened.

The invitation was extended to appeal through the Federal Court, however, as we

clearly recognise that all their courts are courts of banking and not Law, and it is not in the interest of any of the Courts to move against a revenue raising opportunity, it is deemed to be a pointless exercise to appeal in a lower jurisdiction Court.

14.3.1. What say you Jurors?

14.3.2. Unanimous Yes.

14.3.3. The Administrative Appeals Tribunal, (AAT) will be deemed incompetent, to be engaged in slavery, to be supporting Private Industry at the expense of the wellbeing of the People, thus this is treason, and Member Huntley recorded for the \$333 000, for moving against the Executor. The outstanding invoice of some \$98K will be upheld and payable immediately by the Centrelink framework.

17.11. This document does not absolve the past horrors of a genocide landscape?

17.12. One might ask, is it sufficient that this system that has left thousands in jail cells by **failure of Lawful Due Process** and therefore incomplete paperwork.

17.13. And has removed tens of thousands from homes and displaced their lives for their entire life, particularly First Nation families, and has perpetuated immense poverty amongst First Nation,
