2.1. The document **001-022A LIBERATION FROM DEBT SLAVERY** is the final document to date: to map and track a Debtor based statutory and legislative framework in which the true **Creditor** is positioned to be the **Debtor** inside a privately owned legal system that likes to call itself Law.

2.2. This document when quoted, and the Matter number; protects those who use it; from Disconnection from all Essential Services: water, gas and electricity, and a \$2000 per day fine is issued, for any Utility provider engaged in the process of 'disconnection'. 2.4. Find the document here: <https://executiveorders.life/shop1/>

2.5. You may use the coupon 180FLIP

2.6. What say you Jurors?

2.7. This is a defining document.

2.8. Unanimous Yes.

3. Order #3

3.1. Within the jail system, which continues to present itself as a violent system and not one of rehabilitation of behaviours that were likely brought about by the scarcity, fraudulent debt system, the failure to provide Internet is of the dark ages and prevents detainees from making headway of self education, or remedy to their own matters if they wanted to pursue bringing accountability to fraudulent circumstances of how they are incarcerated in the first place, which accounts for an endless stream of wrong doing by the fictional system that calls itself the Australian Government.

3.2. The prison system is a prison within a prison, within a prison. Not only is the body incarcerated, but access to loved ones is highly limited: a 15 minute phone call per day, that is taped. Whilst discussion with a legal practitioner is permitted at 20

minutes. An automatic cut off system is installed to prevent excessive access beyond the assigned time frame.

- 3.3. Some jails assign courses to do, such as 'The Denial' course, for detainees to do, if they have pleaded not guilty, stand by their plea, but are incarcerated nonetheless.
- 3.4. The courses are scheduled to clash with parole times, so the detainee cannot access parole opportunities because they have not completed the courses.
- 3.5. The process of submitting an appeal is a long winded process whereby a private legal practitioner of the Private BAR Guild is likely required for the process as the system cannot recognise anyone in an alternate jurisdiction, thus rendering this blind slave system to allege to have Supreme Jurisdiction. A wholly fictional notion.
- 3.6. Bail conditions may follow a released individual around, even if the matter was dropped by the claimant, thus easily landing the individual back behind bars.
- 3.7. This system continues to be addressed for barbaric standards generating further decay of mental health and wellness of detainees, based in deprivation of inherent freedoms.
- 3.8. Unfinished Lawful Due Process is likely apparent. Fraudulent details may have been used to assign a guilty verdict.
- 3.9. Private judiciary may not assign pleas against the freewill of the alleged 'criminal'.
- 3.10. Private judiciary may not allege to have jurisdiction over plant based medicinal use, which is wholly fictional without a patent. Nature cannot be patented.

3.12.Unanimous Yes.

3.12.1.This system is literally a nightmare from hell and must hold all parties accountable for failure of Lawful Due Process; including legal practitioners, Judicial Officers, jails.

3.12.2.Penalty for mismanagement of a case resulting in incarceration is a listing for incompetence, whilst being paid on the Public Purse.

3.12.3.Isolation and restraint, including chemical restraint is a mental and emotional health matter. And may only be used in extreme circumstances.

3.12.4.Being held on remand for extensive periods of time, must be addressed in a timely manner, eg 24 hours.

3.12.5.Refer to prior Orders for financial penalty.

3.13.B) What say you Jurors?

3.14.Unanimous Yes.

4. Order #4. Flags

4.1.The private corporation that calls itself the Australian Government has taken the role of Authority to impose its private legal system upon Humanity from presumption. And has thus placed flags of 'Aboriginal' and Torres Strait Islander in all its ports of jurisdiction: Courts and institutions.

4.2.This is by presumption, and not by permission.

4.3. The judiciary needs to acquire written, signed permission, by appropriate Elders, for use of the flags in the ports, and to presume to be able to assign outcomes to these People.

4.4. What say you Jurors?

4.5. Majority Yes.

4.6. One individual undecided.

5. Order #5 Mental Health Act

5.1. This Act is a legal fiction. And has origin in the following:

5.2. *From 1871 onwards, the Board of Guardians and Clerk of Guardians were granted even more guardian responsibilities with the creation of “districts” called **Sanitary Districts** governed by a **Sanitary Authority** responsible for various public health matters including **mental health legally known as “sanity” through the Local Government Act of 1871, Public Health Act 1872 and Public Health Act 1875.** The Boards of Guardians and Clerk of Guardians were also granted guardianship over minors through the Guardianship of Infants Acts 1886 and 1925.*

5.3. Based on the current two cases in house, that being South Australian case Darrell Foote, and Western Australian case Asha Dickson, it is 100% evident that these individuals are human experiments.

5.4. Both are subjected to forced pharmaceutical use.

- 5.5.** Asha is subjected to forced incarceration within a high security mental health ward and is now on her 50th day of incarceration.
- 5.6.** The psychiatrists take an arrogant position that their version of health - a synthetic pharmaceutical drug protocol is superior to Nature, referring to substances like cannabis as an illicit drug, whilst their own concoctions are touted as acceptable within their own private legislative structure.
- 5.7.** The Act facilitates the removal of free will. This is wholly fictional and does not exist in Law.
- 5.8.** This is a violation of the Nuremberg Code.
- 5.9.** The Tribunal, held to address if the individual may have their free will returned to them is an inefficient mess of 3 individuals, Public Servants paid on the Public Purse, who have never met the individual before, claiming some sense of authority, to host the meeting, whilst silencing the family and community members from being able to speak beyond even a sentence or two.
- 5.10.** Even in the face of direct 'no consent' statements from the patient, the Tribunal is allegedly free to overrule this and enforce continued pharmaceutical drug protocols and continued incarceration.
- 5.11.** It is a complete circus of fiction by brainwashed individuals who believe they have powers they do not have.
- 5.12.** Forced incarceration is billable at \$10 000 per day, per offender; payable by offending parties, such as the psychiatrist, or the individuals within the Tribunal, Police, security personnel, and others.

5.14.Unanimous Yes.

6. Order #6 Mental Health Act continued.

6.1. In the matter of Darrell Foote, it has become apparent that when documents have been sent to SACAT, it has failed to pass the documents along to team members, despite such documents having liability attached to them for forcing injections upon non consenting patients, including those who are showing severe signs of life threatening side effects.

6.2. Such failure to inform, coupled with failure to cease actions, is accountable for individuals at \$50 000 per event.

6.3.What say you Jurors?

6.4.Unanimous Yes.

7. Order #7

7.1. Local Shire Rangers may not access a property and may not remove trees on firebreaks and bill the resident, without the consent of the resident.
