# 31ST TERRA AUSTRALIS GRAND JURY - AGENDA

11.11 am AWST 24.2.2024

---

## 1. Order #1 Service of Terra Australis Grand Jury Orders and First Nation Sovereign Council Orders.

1.1. It is acknowledged that the hard copy of the 500+ Orders of the Terra Australis Grand Jury Orders, and the First Nation Sovereign Council Orders; to the private Corporation that calls itself the Australian Government did occur, via the SPAWA Sheriffs: the Sovereign Peoples Assembly Western Australian Common Law Sheriffs, on February 14th 2024 at Parliament House, Service #1; whereby they were wholly rejected by Public Servants paid on the Public Purse, who used the Police Force to ensure the documents

could not be served across the counter at Parliament House despite a facility exactly for that being available.

1.2. As evidenced in the following photographs:

1.3. And did deny Western Desert Elder Richard Evans from delivering the Orders, thus alleging to have Superior Jurisdiction over First Nation. That being a wholly fictional concept of the Vatican class based system of Guardianship.

1.4.And does render the Australian Government to be a Belligerent Occupier.

1.5.Further: Service #2; the Orders were then delivered to Dumas House and were rejected by Zionist door keepers, who also locked the cafe and denied access to basic facilities like water and toilets on a 38 degree day, and referred to the Government building as 'private', referred to themselves as 'private' and alleged that **Crown: We The People of Superior Jurisdiction** were not the source of their pay cheques. No such concept exists.

1.6.It was recommended by these individuals that the Orders be served to the State Solicitor's Office, David Malcolm Building, 24th floor.

1.7.Service #3: This was attended Wednesday 21.2.2024. All Public Servants at this Office immediately freaked out, ran, hid, threatened to call Security and were of such a weak character, willingly moving against Humanity as if they had the right to do that. Thus clearly indicating the calibre of Public Servant employed is of a certain personality type, further exacerbated by a

comfortable pay cheque, provided by **Crown: We The People of Superior Jurisdiction** . The Public Servants are gagged and dumbed down and are a menace to the wellbeing of Humanity.

1.8.Service #4. The Orders were then taken to floor 23, also the State Solicitors Office and also the Treasury. The two receptionists and an employee from the Justice Department were 100% useless and also refused to accept the hard copy Orders.

1.9.Thus clearly indicating Belligerent Occupation and an impotent Public Servant sector.

1.10.Regardless: The Orders are deemed to have been served and electronic version will be sent via email, and a hard copy sent via registered post with signature of receipt required.

### 1.11. A: What say you Jurors?

1.12.Does this serve as sufficient evidence that we are captured in a Belligerent Occupation (BO) on these lands?

### 1.14. B: What say you Jurors?

1.15. We are paying large sums of money to useless Public Servants who are paid to position Humanity within the Debtor framework.

This is treason, fraud and slavery .

1.16. An investigation of who we are paying and why we are paying them is in Order. With either repurposing or redundancy requirements evident.

1.17. A letter entitled 'Do we need you?' will be sent to the State Solicitor's Office putting staff on Notice that moving against the Creditor: Crown: We The People of Superior Jurisdiction is an action worthy of dismissal and possible jail sentence as it is treason.

### 1.18. Majority Pass

## 3. Order #3 Statements of Escapism

3.1. We observe the following use of terms by the Belligerent Occupier, in an effort to disrupt linear dialogue in which they are being held accountable to standards of Lawful Due Process.

3.1.1. 'We are going around in circles.'

3.1.2. 'That is your opinion'.

3.1.5. These statements are recognised as 'escapism' statements in an effort to avoid accountability.

3.1.6. What say you Jurors?

3.1.7. When **Crown: We The People of Superior Jurisdiction** are offered these dialogues as a response, our response will be to note they are ***'reciting a script and it has no basis in Lawful Due Process: All are accountable for their actions'***.

3.1.8. ***Unanimous Yes.***

- 4.10. Thus the document will offer two simple options:
  - 4.10.1. Did you lose your license due to spiteful behaviour by the State?
    - 4.10.1.1. Therefore the capacity to travel on the Private roads exists.
  - 4.10.2. Did you lose your license due to dangerous driving?

12.12.A simple Profit and Loss (P&L) is all that is required as reference for earnings.

12.13.The Services Australia employee may not say things such as ‘if you don’t put in your tax return your payment will be stopped’, and then not have the legislation beside him to substantiate such a threat and claim. It is a blatant lie.

12.14.And a fictional claim as tax is voluntary.

12.15.Nor may the Services Australia employee discuss assets, as it is none of their business and not dependent on the outcomes of the Profit and Loss.

12.16.Nor may Centrelink fail to send out a letter that says ‘Your exemption expires in a month, please update your P&L’. But does take the trouble to send out a letter to the small business owner of an appointment with a Jobseeker Provider, a third party interloper in a Government contract, that we pay for, where one is subjected to an uneducated Jobseeker Provider employee/Public Servant telling the Business owner that they ‘don’t make enough money and now they are looking for work.

12.16.1. Such claim is 100% violence.

12.16.2. It is an alleged authority to attack and destroy small business by deploying the business owner from the asset management and disorient them into job seeking.

12.16.3. And therefore renders the employee of such dialogue to be worthy of **instant dismissal** and the **\$66 000 penalty** established Grand Jury #26 Order #13 29 September 2023

12.16.3.1. Section 13.6.6. Any individual team members who action a disconnection from resources upon any individual will be **held personally liable and accountable** and incur a penalty of **\$66 000** - flat rate.

12.17. Further, the 'Government' will facilitate easy access to funding, via the Trust account, for small business to flourish, so that the landscape does not continue to be flooded with large multinationals, thus killing culture and absorbing profit into offshore bank accounts.

12.17.1. Such funding would be in \$10 000 increments and would require a mentor process attached to it, for smart spending.
