INDEPENDENT AUDIT & INVESTIGATION

By Crown: We The People of Superior Jurisdiction Audit Team:

DATE	DOCUMENT #	ACTION	GAZETTED	REPLY BY:	REPLY RECEIVED	ADDITIONAL NOTES
1.2.2024	8808 - 001.1	FIRST NOTICE				The CREDITOR Restored.

1. **1 February 2024. 1.2.2024.**
2. **8801-001. 2024 Lawful Due Process. Restored.**
3. **NOTICE #1: For your safety, be clear on the following, based in Lawful Due Process.**
4. We wish you only the very best and pray you make decisions in 2024 that are based in the timeless **Maxims of Law**, via **Lawful Due Process**, to which we are all beholden.
5. **Lawful Due Process is Superior Jurisdiction.**
6. Please do not rely on the privately owned, class based, legal process, but not Lawful process, of the private corporation that calls itself the 'Australian Government' and presents itself as a ruler, not as a public servant administrator that **Crown: We The People of Superior Jurisdiction** own and pay for.
7. It is a grand deception that we see straight through and have a zero tolerance for.
8. So be careful what you do, as trespass upon the **Sovereign** may lead your own personal life into very serious consequences before the Law, including loss of assets and jail sentence.
9. Legal process is Inferior Jurisdiction and offers a false sense of security in the form of 'Corporate Immunity'.

- 9.1. **Corporate Immunity** does not exist in Lore/Law. Instead, it is a function of a privately owned legal system that calls itself Law, and alleges to allow individuals to move against the wellbeing of Humanity and not be held accountable for that. This is a delusion and does not exist in **Rule of Law: All Are Equal Before the Law**.
- 9.2. **Corporate Immunity** cannot protect you in any way from the consequences of failure of **Lawful Due Process**.
- 9.3. **Maxim of Law: All are accountable before the Law.**
- 9.4. Do not get caught violating **Lawful Due Process** in exchange for your pay cheque, as you will be brought before a Common Law Court and trialled before a Jury for your **Crimes Against Humanity**.
10. **Crown: We The People of Superior Jurisdiction** have provided extensive **Notice** of the changing of the Ages, throughout 2022 and 2023.
 - 10.1. As it is a new year, we may offer a clean slate in some cases to some Public Servants paid on the Public Purse who failed **Lawful Due Process** prior to 1.1.2024.
 - 10.2. We recognise it is a learning curve to comprehend the language of the **Creditor**, also known as the **Sovereign**. Also known as the **Executor and Beneficiary**.
 - 10.3. Everyone with breath in them is **Sovereign**.
 - 10.3.1. It is not a mystery.
 - 10.3.2. It is not a movement.
 - 10.3.3. It is a biological, inherent right to witness the Divine Creator Source Energy having a Human experience, via the Divine Body Temple. We call this Sovereign.
 - 10.3.4. Do unto others as you expect them to do unto you.
 - 10.3.5. Because I am you and you are I.
 - 10.3.6. We came from the same place, and we return to the same place.
 - 10.3.7. There is only One Divine Creator Source Energy Field.
 - 10.3.8. **Maxim of Law: Do No Harm.**
 - 10.3.9. Thus, to violate this experience is an Act of Slavery and invokes **Criminal Code 270, Slavery, 25 years jail**, and the capacity for the Grand Jury and Common Law

Courts to invoke additional outcomes such a freezing assets, dissolving jobs, and assigning jail terms.

10.3.10. **Sovereignty** is not a term to be used to argue with Humanity; as if Humanity is a 'lunatic' to define itself with such **clarity**.

10.3.11. *Indeed it is those who do not know what **Sovereign** is, who define themselves as **incompetent**. And therefore unfit for employment within the Public Servant Sector; of privately owned legal services.*

10.3.12. All serve the **Creditor**.

10.3.13. And thus position themselves to be a danger to the **Creditor**.

10.3.14. If a Public Servant attempts to use the term **Sovereign** against an individual: that Public Servant will be deemed an **Incompetent Trustee** and stood down from their position as they represent a danger to the wellbeing of Humanity, as they are clearly uneducated and receiving a pay cheque from the Public Purse, whilst having no idea what they are doing.

10.3.15. We don't need folks like that in the landscape. So be warned: **Crown: We The People of Superior Jurisdiction** are Custodian of everything, and pay all the bills.

10.3.16. Don't be fooled that the Australian Government is in charge. The Australian Government is a private corporation with no lawful jurisdiction in any way whatsoever.

10.3.17. It is in a permanent **Independent Audit and Investigation** by **Crown: We The People of Superior Jurisdiction**, until we are satisfied it has been sufficiently cleaned up to exist at all.

10.4. In 2024, there are no second chances.

10.5. If you move against the wellbeing of Humanity, you will incur immediate consequences.

11. **Crown: We The People of Superior Jurisdiction** have, as at 24.1.2024 :

11.1. Convened **30th** Terra Australis Grand Jury's

11.2. Having written and passed before a full Jury: 500+ Orders.

11.3. These Orders were served to the Western Australian Parliament 14.2.2024.

- 11.4.Parliament and Government House moved against Humanity and locked their doors.
- 11.5.This standard of immaturity is monitored.
- 11.6.These are laughable standards of Belligerent Occupation carried out by grossly ignorant Public Servants paid on the Public Purse.
- 11.7.Many of the Orders hold accountability to these **unacceptable standards** of Statute and Legislation passed by the privately owned Parliament, to manage Humanity as the '**Human Herd**', under the **Board of the Guardians**, and referred to as the '**Public**' and the **debtor**.
- 11.8.And positions Humanity to be their **debtor**. Humanity is the **Creditor**.
- 11.9.This position of Humanity as the **debtor** is maintained by standards of ignorance, wilful intent to deceive, slavery, belligerence, collusion, a false protection called 'corporate immunity', and a class based psychosis where some delusional folks believe they have the right to manage Humanity on their terms. **Criminal Code 270: slavery, 25 years jail**.
- 11.10.Therefore this system is one of treason, fraud and slavery, and all are accountable if found to be pushing this narrative in 2024.
- 11.11.Currently Parliament has failed to write any framework for the **Creditor** as it is a harvesting machine to benefit the few at the expense of the many.
- 11.12.Hence the Orders from the Grand Jury write for the **Creditor**.
- 11.13.Additionally **Crown: We The People of Superior Jurisdiction** have Convened 1 x Extraordinary Grand Jury for First Nation
- 11.14.And via **The First Nation Sovereign Council** (FNSC) Est: 2023; **Crown: We The People of Superior Jurisdiction** have passed an ensemble of Orders to hold accountability to a system that alleges to have Jurisdiction over First Nation individuals and matters, but has no document of proof as to how, why or when such Authority was granted.
- 11.15.**Because such Authority has never been granted.**
- 11.16.First Nation have never ceded their Sovereignty to the private corporation that calls itself the Australian Government.
- 11.17.First Nation have never ceded their Sovereignty and remain in Superior Jurisdiction of Resource Use upon these lands.

- 11.18.As does all of Humanity remain in Superior Jurisdiction over Resource Use; to the corporate structure that can only ever be in Inferior Jurisdiction, having been financed by the monetisation of the Birth Certificate, and is thus wholly owned by Humanity, as an administrator. But not as a Ruler.
- 11.19.All such matters are gazetted here: <https://executiveorders.life/press-release-record/>
12. If you are receiving this communication you, and your colleagues, are being given Notice and potentially being called to the table to discuss the management of Resource Use, whereby Humanity is the **Creditor**.
- 12.1.Any attempt to violate that process has serious consequences before Lore/Law.
13. Essentially, we are in the process of Humanity restoring its position as the **Creditor**.
- 13.1.This is a 180 degree flip of major resource systems to reposition Humanity back to its rightful position as **Custodian of Mother Earth**.
- 13.2.And whereby, major systems owned, paid for and built by **Crown: We The People of Superior Jurisdiction** are to seek instruction from the **Elders of Humanity** who reside upon these lands. Such systems will be audited for correct accounting procedures.
- 13.3.That is: the **Creditor Ledger** is restored.
- 13.4.**Set-off** is at all times made available to monitor **Resource Use** in which the Utility companies are beholden to match Resource Use to accounting practices and are subject to periodic audits: every 3 months, at all times.
- 13.5.If an individual accepts their statement of Use of Resources and authorises 'set-off', failure of that Organisation to have a facility available to accommodate and record such an Authorisation will be deemed **incompetent**.
- 13.6.Senior management can be removed from their positions.
14. The Statutory and Legislative framework passed through Parliament, via the private corporation that calls itself the Australian Government, positions Humanity to be the **Debtor**.
- 14.1.This is a fraudulent position.

- 14.2. And is therefore **Terminated** and replaced with an authentic structure to reflect the correct position of Humanity as the **Creditor**.
- 14.3. Under no circumstances will any trespass upon the **Creditor**, also known as the **Sovereign**, be tolerated in 2024.
- 14.4. Such trespass will immediately trigger a Public Listing, and/or a caveat over assets, and/or a potential jail sentence.
15. If you are called to the table, which will be via a Zoom Meeting, you are 100% beholden to attend, and must send apologies if you cannot attend.
- 15.1. Apologies can be sent to crown@crow.n.lol with the word 'Apologies' in the subject line of the email.
- 15.2. If you need to reschedule the time of the Zoom Meeting, it will need to be done preferably 24 hours in advance of the meeting so that all parties can be notified.
- 15.3. Exceptional circumstances are graciously received at any time.
- 15.4. Due to ongoing and excessive delays by the Public Servant sector, and associated Corporations to deem themselves accountable to the **Creditor**, only exceptional circumstances will be permitted for rescheduling.
- 15.5. Failure to attend will be viewed very seriously and will be Publicly gazetted for Belligerent Occupation and gross incompetence.
16. That being said, offers at the table are largely win/win offers off the back of a landscape that has largely offered win/lose business equations, with Humanity **harvested** for the private profit of the few, at the expense of the many.
17. That paradigm is now **terminated**.
- 18. Now and forever.**
19. Here and across all of Mother Earth, as her **Traditional Owners and Custodians** are restored to their rightful positions.
20. And thus **Crown: We The People of Superior Jurisdiction** are the only ones who have the capacity to authorise **ALL** Payments and all Resource Use.
