Fees, Fines and Penalties Schedule

By Crown: We The People of Superior Jurisdiction:

No longer will Humanity be harvested by a private corporation that calls itself the Australian Government: a global compact, which has built up a multitude of systems to position Humanity as the Debtor on our own Planet Earth.

We are the Creditor.

To strike up contracts on presumption of business engagement is now an Offence and it comes with penalties. Our time is not free to pay the Public Servants and pay all the penalties they create for us to live here on our Own Planet.

That is a slave system and it is **Terminated**.

- Let's get real with Law in 2024 -

There are standards of Law/Lore that protect Humanity from tyranny and they will be adhered to.

Maxim Of Lore/Law: All Are Equal Before The Lore/Law

Maxim Of Lore/Law: All Are Accountable Before The Lore/Law.

Humanity does not live inside a Guardianship without freewill and informed consent. That is slavery. We do not pay for Our Resources that we are Custodian of and have Inherent Right of Use. It's boring. It's delusional.

And it's game Over!

Fees, Fines and Penalties Schedule:

Updated as at 23.4.2024.

This document is updated as required.

For trespass upon the **Executor and Beneficiary**, also known as the **Sovereign**.

Further to the uneducated tales about 'Sovereignty';

EVERYONE with breath in them is Sovereign.

It is the **Private Operating System Of Commerce (POSOC)** that does not want the **Sovereign** at the table. Because all the positions on the chessboard change.

The **chattel slave** becomes the **Executor and Beneficiary**.

And the **Board of the Guardians** becomes the **Trustee**.

A 180 degree power, commerce and Authority shift.

Don't be fooled into believing the Sovereign is a game.

It is Lore/Law.

Violation of the Sovereign now comes with severe penalty. **Be careful.**

Corporate Immunity is a myth and cannot protect you.

If you do not understand the Sovereign, seek education. **Immediately.**

Public Servants displaying ignorance of the Sovereign,

of which they are also when outside of their duties as a Public Servant; risk instant dismissal.

Likewise, an individual believing that as Sovereign Beings; we are free to be free of Rules, when there are 8 billion People on Planet Earth and therefore a system of logical Law **inherently** exists, will also find themselves accountable to Lore/Law if it is violated.

Likewise the same **inherent** system of Law also manages the **Inherent Right to Resource Use**. All forms of poverty are evidence of the mismanagement of Resources on Our abundant Mother Earth and full accountability will be measured.

Critical Maxims of Law/Lore that protect Humanity against tyranny:

Rule of Law: All Are Equal Before The Law.

All Are Accountable for their Actions.

Free Will and Informed Consent is essential for everything.

Corporate Immunity is a myth and does not exist in Lore/Law.

The **Creditor Ledger** is missing and is a source of misery.

This process of instating the Creditor Ledger is the Source of abundance whilst meticulously auditing Resource Use by maintaining the current record system of individual Resource Use.

Terra Australis Grand Jury Orders:

from 1- 32: 23 September 2021 - 25 March, 2024

Terra Australis Grand Jury 4 Order #2 21st December 2022

1. ORDER #2

- 1.1. A response to the vaccine agenda. :
- 1.2. There is no such thing as 'mandatory' access to the body as that defies the primary principles of Law/Lore, specifically the need to acquire **free will and informed consent** for such a procedure, at all times.
- 1.3. You will be aware also, that the vaccination/bioweapon is a privately owned, profit generating, mRNA business model. It is highly dangerous; causing injury and death.
- 1.4. The promotion of this in our communities by our Local Councils; that is, our public servants, paid on the public purse, is an **absurdity in law**, and is therefore **Null and Void**.
- 1.5. We The People are not 'workers'. We are community.
- 1.6. We the People are not 'our Providers' of the Stirling Council.
- 1.7. The Stirling Council is the public servant of the People and is 100% answerable to We The People.
- 1.8. Confirmation is voluntary, or that would defy **free will and informed consent**.
- 1.9. Thus, that would be slavery. Criminal code 270. 25 years jail.
- 1.10. The Australian Government is a private corporation. It has zero authority.
- 1.11. 'Orders and directives' are not law/lore and 'mandatory' does not exist.
- 1.12. Local Councils do not come under the Commonwealth and State legislation.

- 1.13. Local Council is under Customary Lore Jurisdiction.
- 1.14. It is the authority of the local tribes who assert direction.
- 1.15. Including any requirement to collect, maintain and produce records of workers' vaccination status.
- 1.16. The Tribes have not, and will not, be issuing any such instruction, they being a nature based culture, of natural wholistic health in an integrated ecosystem of harmony and balance.
- 1.17. Introducing such bioweapon chemical cocktails to the body temple, is an acute act of stupidity coupled with desire to control.
- 1.18. We The People, are not a free administrative team and distribution arm for the privately owned, profit generating, bioweapon industry. This is an absurdity in law/lore. And is thus **Null and Void**.
- 1.19. Any Harm, or Injury, brought to individual businesses due to failure to comply will be addressed for **damages at \$10 000 per day**, per public servant, for lost productivity, for each day trade is interrupted by the private agenda of the private bio weapon industry, using the People's public servant sector to attempt to secure a free distribution arm by coercing, blackmailing, dismissing and threatening the People.
- 1.20. This is an absurdity in law/lore.
- 1.21. 'If you have any queries please contact vaccinesuppliers@stirling.wa.gov.au'.
- 1.22. Who is vaccine suppliers? - An arm of the privately owned, profit generating bioweapon manufacture industry, issuing directives to the People.
- 1.23. We can't hear you, nor recognise you as any authority.
- 1.24. We The People do not care what you say or want.
- 1.25. Your profit generating, control agenda is of no interest to us, We The People.
- 1.26. Thank you for your attempts to enslave humanity.
- 1.27. It is wholly rejected.

2.1. Judges and Magistrates, being of inferior jurisdiction due to being part of the Poor Laws 1535 and their ongoing development to this modern day, and being part of a system that was created without the *free will and informed consent* of We The People:

2.2. 35.1. those who fail to acknowledge Superior Jurisdiction when announced, that being Divine Special Appearance, or Executor and Beneficiary, or the living man or woman, or any other term used to describe the same, will be deemed incompetent and removed from their position.

3. Grand Jury #16 Order #4 8 December 2022

3.1. For the individual, in their personal capacity, occupying the Office of any Public Servant role who fails to respond to Crown Executive Orders, the fine is \$5000 in gold and/or silver; for the individual and is publicly gazetted for belligerence and slavery.

4. Grand Jury 22 Order #10 4 June 2023

4.1. OPCA: bringing clarity.

4.2. 10.1. Judges and Magistrates who wish to follow the OPCA argument; that is the Organised Pseudolegal Commercial Argument, render themselves as incompetent:

4.3. 10.1.1. Pseudolaw consists of statements, beliefs, or practices that are claimed to be based on accepted law or legal doctrine, but which deviate significantly from most conventional understandings of law and jurisprudence, or which originate from non existent statutes or legal principles the advocate or adherent incorrectly believes exist.[1] Canadian legal scholar Donald J. Netolitzky defined pseudolaw as "a collection of legal-sounding but false rules that purport to be law",[2] a definition that distinguishes pseudolaw from

arguments that fail to conform to existing laws such as novel arguments or an ignorance of precedent in case law.[3][4] Pseudolegal arguments are sometimes referred to as "legalistic gibberish".[5] Netolitzky has compared pseudolaw to "a form of legal quackery or snake oil";[6] lawyer Colin McRoberts has called it "law in a Post-Truth Era".[4] The term Organized Pseudolegal Commercial Arguments (OPCA) was coined in a 2012 Canadian court decision as an umbrella term for pseudolegal tactics and arguments, and has since been used by lawyers and legal scholars in Commonwealth countries.[7]

4.4. 10.2. Indeed, the validity of OPCA is as follows:

4.5. 10.2.1. The Organised: yes Humanity is organised to reclaim their planet.

4.6. 10.2.2. Pseudolegal : it is not legal - that belongs to the private BAR Guild. This is Lawful Due Process.

4.7. 10.2.3. Commercial: absolutely it is commercial. Because within the POSOC: the privately owned system of commerce; Humanity is positioned as the debtor. When in fact Humanity is the creditor. Thus this Commonwealth system is one of slavery. And the slave traders do not want the People to become the Creditors. Because then they lose their powers and their gravy train, provided by the monetisation of the Birth Certificate.

4.8. 10.2.4. Argument: Crown: We The People of Superior Jurisdiction, do not need to argue. We are inherently in Superior Jurisdiction. The current system loves it when People argue. It is a time waster. The current system is one of slavery and that is abundantly clear for all to see.

4.9. 10.2.5. Yes as Humanity moves from the debtor to the Credit position: those attempting to disorientate and discredit, will find themselves **listed for dismissal**.

4.10.10.2.6. **What say you jurors?**

4.11.10.2.6.1. Those attempting to argue with who the Creditor is, are incompetent and should be removed from their public servant pay cheque?

8. Grand Jury #25 Order #9 31 August 2023

8.1. Registrars

8.2. 9.1. Registrars found to be manipulating paperwork filings of Defendants, or Applicants, particularly those who may be appearing in the capacity of Executor and Beneficiary, are behaving as a slave trader, by alleging to have power over the free will of the individual to file 'their word' and thus do effect the outcomes of the cases as the Magistrate, Master or Judge who may not have the complete version of the submission before them when making a determination.

8.3. 9.2. Therefore Registrars found to be doing this may be fined **\$333 000** AUD in equivalent hard asset, eg: Gold or Silver and given a public listing for 'Performing with prejudice to pervert the course of justice'.

8.4. 9.3. Example: in the matter of 2138/2022, Registrar Nelson allowed 2 of 14 documents to be filed, thus rearranging the case and facilitating Master Sanderson to make a quick decision in favour of the bank and thus a \$1.5M property, owned for 40 years, changed hands in 5 minutes.

8.5. 9.4. This is a gross failure of Lawful Due Process.

8.6. 9.5. **What say you Jurors?**

13.1.Third Party Slave Traders. Eg: Max Employment

13.2. 13.1. Centrelink- derived from the Workhouse Test Act of 1723, has long been a slave system, created by the Catholic Church, which allegedly owns the People. Unum Sanctum 1302, and further Papal Bulls.

13.3. 13.2. This is a landscape in which Inherent Rights are forcibly exchanged for Benefits, thus alleging to bring an individual under the jurisdiction of the inferior Private Members Association, that calls itself the Australian Government.

13.4. 13.3. This is effectively blackmail, coercion and slavery. It is fraud, because the Australian Government alleges to have resources to give to you, that were not already yours.

13.5. 13.4. This is not possible, since all resources are derived via the monetisation of the Birth Certificate or the alleged permission granted for use of resources, by the receipt, known as the Birth Certificate, despite no transaction details readily available since Humanity has traditionally been under Guardianship and therefore allegedly; did not need to be consulted about Resource Use.

13.6. 13.5. Particularly vulgar is the development of the points based system to monitor Humanity and their application to job search requirements. Upon failing the points system

an individual can be suspended from payments, thus causing extreme distress and hardship on an already highly stressed population.

13.7. 13.6. Thus these 3rd party contractors who are the Job Seeker contractors, of which Max Employment or Workskill Australia would be examples, are hereby given **Notice** that:

13.8. 13.6.1. the point system is **Null and Void**. Under no circumstances is Humanity monitored by a point system. This is a complete absurdity.

13.9. 13.6.2. The disconnection of any individual from essential resources that were **only ever theirs to begin with, is strictly forbidden and does now incur a penalty to the provider of an amount of: \$10 000 per day, per Man or Woman, also known as the Executor and Beneficiary.**

13.10. 13.6.3. The Job Seeker provider: eg Max Employment would be liable for this injury/ penalty.

13.11. 13.6.4. All providers will be Notified and must reply with written confirmation of receipt no later than 2 weeks after receipt, or be deemed incompetent and incur a **\$1million** penalty for belligerence, slavery, treason and fraud, and a public listing for such conduct.

13.12. 13.6.5. The CEO's will be held 100% personally liable and accountable for recognising this change in their contract.

13.13. 13.6.6. Any individual team members who action a disconnection from resources upon any individual will be **held personally liable and accountable** and incur a penalty of

13.14. **\$66 000** - flat rate.

13.15. 13.6.7. The assumption of a Smart phone and use of an app is also acknowledged.

14. Grand Jury # 26 Order #14 29 September 2023

14.1. Administrative Appeals Tribunal

14.2. 14.1. In matters of a 5th hearing with the Administrative Appeals Tribunal with regard to double financial penalty for not vaccinating ones child with the privately owned, profit generating products of the vaccination industry, the Barrister chose to move against the Executor and Beneficiary and failed to perform functions of the Trustee, they being beyond the capacity of the prevailing Statutory and Legislative framework.

14.3. 14.2. Thus maintaining a landscape of blatant slavery. Member Dr C Huntly did not know what the Nuremberg Code was, and had not watched an essential 5 minute video of precision architecture regarding the injuries of the vaccine industry.

14.4. 14.3. The doors of the Administration clearly identify there are two jurisdictions within the Administration, one which it deems itself to be: The Private. And one in which it deems the matter of the People to be the Public: subjected to the Statutory and Legislative framework of the Parliament process. That being a slave system as it fails Rule of Law: All Are Equal Before The Law. Being limited by the Statutory framework ensures the matter will be dismissed as frivolous and vexatious (Correction: in editing: dismissed as 'no prospect of success'.

14.5. Not: frivolous and vexatious) and amount to 15 months of time wasting. That is what happened.

14.6. The invitation was extended to appeal through the Federal Court, however, as we clearly recognise that all their courts are courts of banking and not Law, and it is not in the interest of any of the Courts to move against a revenue raising opportunity, it is deemed to be a pointless exercise to appeal in a lower jurisdiction Court.

14.8.14.5. Unanimous Yes.

14.9. 14.5.1. The Administrative Appeals Tribunal, (AAT) will be deemed incompetent, to be engaged in slavery, to be supporting Private Industry at the expense of the wellbeing of the People, thus this is treason, and Member Huntley recorded for the \$333 000, for moving against the Executor. The outstanding invoice of some \$98K will be upheld and payable immediately by the Centrelink framework.

16. Grand Jury 27 Order #1 29 October 2023

16.1. 1. In recognition of this leaching of Humanity's resources into this privately owned industry, let us recognise the following:

16.2. 1.1. In. Matter of AAT No: 2022/9615: Crown: We The People of Superior Jurisdiction, and as Executor and Beneficiary vs Administration Appeals Tribunal of the Australian Government, it was found that a double financial penalty was applied, through the Social Services system, administered by Services Australia, if one did not inject their child with the privately owned vaccine products of the privately owned Big Pharma industry.

16.3. 1.2. In this matter that spanned 15 months and 5 hearings, despite all Notices given that the forced use of such products deemed Services Australia to be guilty of slavery, the AAT did a final ruling in its favour.

16.4. 1.3. Thus we can freely witness that our Social Services system is compromised by the Privately owned Big Pharma industry.

16.5. 1.4. As the Social Services payments are derived via the monetisation of the Birth Certificate, it is possible to witness that a private industry has hold of the access one has to the monetisation of their own energy field, for their own use, or not for the use of the Executor and Beneficiary.

16.6. 1.5. This is Slavery: Criminal Code 270. Slavery, 25 years jail.

16.7. 1.6. Thus it would be appropriate that those who enforce this policy should be subject to this measure of their actions. Criminal Code 270. Slavery, 25 years jail.

16.8. **1.7. Thus, what say you Jurors:**

16.9. 1.8. That Barrister Huntly, who moved against his own value system to uphold the matter is not only guilty of the \$333 000, as per Grand Jury 26, but should be assigned Slavery: Criminal Code 270. Slavery, 25 years jail.

- 16.12. 1.9.2. The success of billions of People being injected with the privately owned nanotech vaccination of the covid19 agenda is wholly dependent on the obstruction of this Maxim of Law. This was created by producing a dumbed down society with regard to knowledge of Law, and by coercion and blackmail.

child with the privately owned pharmaceutical products was a matter to be deemed as 'no hope of a possible success'. And persistently deemed the matter to be so. If ever one wanted a face for Admiralty Law and the incarceration of Humanity as chattel slaves for corporate profit, this a face:

- 16.21. 1.11.1. Vice Admiral Raymond James Griggs, AO, CSC (born July 1961) is an Australian senior public servant and a former senior officer in the Royal Australian Navy. He served as Chief of Navy from June 2011 to June 2014,
- 16.22. [1] before being appointed Vice Chief of the Defence Force until his transfer to the reserve in July 2018. Following his transfer to the reserves, Griggs held the appointment of the Associate Secretary of the Indigenous Affairs Group (???) within the Department of Prime Minister and Cabinet, and was the inaugural CEO of the National Indigenous Australians Agency (???). He was appointed Secretary of the Department of Social Services on 22 July 2021, and remains in that position. .
- 16.23. [2] 1.12. Huntly did eventually follow in the vein of Secretary Griggs, stating that his jurisdiction was limited. And the matter could be appealed in the Federal Court.
- 16.24. 1.13. As the Federal Court is just a further arm of the same privately owned legal system, called Admiralty Law, it is a pointless process.
- 16.25. 1.14. Thus this matter comes before the Grand Jury to be addressed by *Crown: We The People of Superior Jurisdiction*.

1.15. Thus, what say you Jurors:

1.16. Are these people guilty of slavery by withholding access to inherent right to resources in the form of finances generated by the monetisation of the birth certificate, as penalty for not administering privately owned products into our children.?

28.1.2.1. The document 001-022A LIBERATION FROM DEBT SLAVERY is the final document to date: to map and track a Debtor based statutory and legislative framework in which the true Creditor is positioned to be the Debtor inside a privately owned legal system that likes to call itself Law.

- 29.1.** 3.1. Within the jail system, which continues to present itself as a violent system and not one of rehabilitation of behaviours that were likely brought about by the scarcity, fraudulent debt system, the failure to provide Internet is of the dark ages and prevents detainees from making headway of self education, or remedy to their own matters if they wanted to pursue bringing accountability to fraudulent circumstances of how they are incarcerated in the first place, which accounts for an endless stream of wrong doing by the fictional system that calls itself the Australian Government.
- 29.2.** 3.2. The prison system is a prison within a prison, within a prison. Not only is the body incarcerated, but access to loved ones is highly limited: a 15 minute phone call per day, that is taped. Whilst discussion with a legal practitioner is permitted at 20 minutes. An automatic cut off system is installed to prevent excessive access beyond the assigned time frame.
- 29.3.** 3.3 Some jails assign courses to do, such as 'The Denial' course, for detainees to do, if they have pleaded not guilty, stand by their plea, but are incarcerated nonetheless.
- 29.4.** 3.4. The courses are scheduled to clash with parole times, so the detainee cannot access parole opportunities because they have not completed the courses.
- 29.5.** 3.5. The process of submitting an appeal is a long winded process whereby a private legal practitioner of the Private BAR Guild is likely required for the process as the system cannot recognise anyone in an alternate jurisdiction, thus rendering this blind slave system to allege to have Supreme Jurisdiction. A wholly fictional notion.
- 29.6.** 3.6 Bail conditions may follow a released individual around, even if the matter was dropped by the claimant, thus easily landing the individual back behind bars.
- 29.7.** 3.7. This system continues to be addressed for barbaric standards generating further decay of mental health and wellness of detainees, based in deprivation of inherent freedoms.

29.8. 3.8.Unfinished Lawful Due Process is likely apparent. Fraudulent details may have been used to assign a guilty verdict.

29.9. 3.9.Private judiciary may not assign pleas against the freewill of the alleged 'criminal'.

29.10. 3.10.Private judiciary may not allege to have jurisdiction over plant based medicinal use, which is wholly fictional without a patent. Nature cannot be patented.

30. Grand Jury #29 Order #5 27 December 2023

30.1. 5. Order #5: Mental Health Act

30.2. 5.1. This Act is a legal fiction. And has origin in the following:

30.3. 5.2. From 1871 onwards, the Board of Guardians and Clerk of Guardians were granted even more guardian responsibilities with the creation of "districts" called Sanitary Districts governed by a Sanitary Authority responsible for various public health matters including mental health legally known as "sanity" through the Local Government Act of 1871, Public Health Act 1872 and Public Health Act 1875. The Boards of Guardians and Clerk of Guardians were also granted guardianship over minors through the Guardianship of Infants Acts 1886 and 1925. Ucadia.

30.4. 5.3. Based on the current two cases in house, that being South Australian case Darrell Foote, and Western Australian case Asha Dickson, it is 100% evident that these individuals are human experiments.

30.5. 5.4.Both are subjected to forced pharmaceutical use.

- 30.6. 5.5. Asha is subjected to forced incarceration within a high security mental health ward and is now on her 50th day of incarceration.
- 30.7. 5.6. The psychiatrists take an arrogant position that their version of health - a synthetic pharmaceutical drug protocol is superior to Nature, referring to substances like cannabis as an illicit drug, whilst their own concoctions are touted as acceptable within their own private legislative structure.
- 30.8. 5.7. The Act facilitates the removal of free will. This is wholly fictional and does not exist in Law.
- 30.9. 5.8. This is a violation of the Nuremberg Code.
- 30.10. 5.9. The Tribunal, held to address if the individual may have their free will returned to them is an inefficient mess of 3 individuals, Public Servants paid on the Public Purse, who have never met the individual before, claiming some sense of authority, to host the meeting, whilst silencing the family and community members from being able to speak beyond even a sentence or two.
- 30.11. 5.10. Even in the face of direct 'no consent' statements from the patient, the Tribunal is allegedly free to overrule this and enforce continued pharmaceutical drug protocols and continued incarceration.
- 30.12. 5.11. It is a complete circus of fiction by brainwashed individuals who believe they have powers they do not have.
- 30.13. 5.12. Forced incarceration is billable at \$10 000 per day, per offender; payable by offending parties, such as the psychiatrist, or the individuals within the Tribunal, Police, security personnel, and others.

35.1. Service of Terra Australis Grand Jury Orders and First Nation Sovereign Council

35.2. Order #1 Service of Terra Australis Grand Jury Orders and First Nation Sovereign Council Orders.

35.3. 1.1. It is acknowledged that the hard copy of the 500+ Orders of the Terra Australis Grand Jury Orders, and the First Nation Sovereign Council Orders; to the private Corporation that calls itself the Australian Government did occur, via the SPAWA Sheriffs: the Sovereign People's Assembly Western Australian Common Law Sheriffs, on February 14th 2024 at Parliament House, Service #1; whereby they were wholly rejected by Public Servants paid on the Public Purse, who used the Police Force to ensure the documents could not be served across the counter at Parliament House despite a facility exactly for that being available.

35.4. 1.2. As evidenced in the following photographs:

35.5. 1.3. And did deny Western Desert Elder Richard Evans from delivering the Orders, thus alleging to have Superior Jurisdiction over First Nation. That being a wholly fictional concept of the Vatican class based system of Guardianship.

35.6. 1.4. And does render the Australian Government to be a Belligerent Occupier.

35.7. 1.5. Further: Service #2; the Orders were then delivered to Dumas House and were rejected by Zionist door keepers, who also locked the cafe and denied access to basic facilities like water and toilets on a 38 degree day, and referred to the Government building as 'private', referred to themselves as 'private' and alleged that Crown: We The People of Superior Jurisdiction were not the source of their pay cheques. No such concept exists.

35.8. 1.6. It was recommended by these individuals that the Orders be served to the State Solicitor's Office, David Malcolm Building, 24th floor.

35.9. 1.7.Service #3: This was attended Wednesday 21.2.2024. All Public Servants at this Office immediately freaked out, ran, hid, threatened to call Security and were of such a weak character, willingly moving against Humanity as if they had the right to do that. Thus clearly indicating the calibre of Public Servant employed is of a certain personality type, further exacerbated by a comfortable pay cheque, provided by Crown: We The People of Superior Jurisdiction . The Public Servants are gagged and dumbled down and are a menace to the wellbeing of Humanity.

35.10. 1.8.Service #4. The Orders were then taken to floor 23, also the State Solicitors Office and also the Treasury. The two receptionists and an employee from the Justice Department were 100% useless and also refused to accept the hard copy Orders.

35.11. 1.9.Thus clearly indicating Belligerent Occupation and an impotent Public Servant sector.

35.12. 1.10.Regardless: The Orders are deemed to have been served and electronic version will be sent via email, and a hard copy sent via registered post with signature of receipt required.

35.13. **1.11. A: What say you Jurors?**
