35TH TERRA AUSTRALIS GRAND JURY -

AGENDA

11.11 am AWST 22.6.2024

1. Order #1. Body, Mind, Spirit.

1.1. At no time, may the Private Corporation that calls itself the Australian Government, a globalist enterprise, deem itself to have the authority to interfere with the health, wellness, safety, security, access to resources of ***Crown: We The People of Superior Jurisdiction.***

1.2. The private Corporation that calls itself the Australian Government is financed by the monetisation of the chattel papers, known as the Birth Certificate, as evidenced by UCC document 2001059388 and is therefore 100% owned by ***Crown: We The People of Superior Jurisdiction.***

1.3.This is a global banking system document.

1.4.It has, and has had, global impact.

1.5.However, the US\$ Reserve banking system became publicly known to be terminated as at June 9 2024, and prior as at 31 January 2023, and has been replaced by the BRICS Nations independent currency system, in which currencies are no longer pegged to the privately owned US\$. Now replaced by the USTN - United States Treasury Note. Which serves as a peg, as well as the Chinese Yuan.

1.6.And therefore the monetisation of the Birth Certificate can no longer continue, as we claim inherent right to all resources as Custodian and Creditor. Not as debtor and customer. We The People use the Birth Certificate as a tool in commerce.

1.7.The Guardianship imposed by the Papal Bull instruments of Unum Sanctum, the Doctrine of Discovery, The Board of the Guardians have been terminated by Grand Jury Orders passed in previous Grand Jurys and will be terminated again now, solidifying
