1. myGov is run by Services Australia
2. on behalf of the Australian Government.
3. We refer to Services Australia as 'we' or 'us' in these terms of use.
4. We think of myGov as a portal or gateway.
5. You sign in to myGov to let other organisations know who you are and to access their online services.
6. We refer to these organisations as linked services.
7. A linked service is an organisation, or part of an organisation, that provides online services to you through myGov.
8. This happens when you link them to your myGov account.
9. For more information about how we collect, hold, use and disclose personal information, go to the [myGov privacy notice](#).
10. Why terms of use are important
11. By having a myGov account, you agree to be bound by these terms of use.
12. Importantly, this means making sure you know and comply with your responsibilities.
13. **2. Changes to terms of use**

14. We may change these terms of use at any time.
15. To keep using your myGov account, you need to accept any changes to the terms of use.
16. These new terms of use replace any myGov terms of use you have accepted before.
17. 3. **Who can have a myGov account**
18. You must be a natural person to have a myGov account.
19. This means you are an **individual human being.**

19.1. Agreed, we are individuals: however, the interface with Services Australia is the Public aspect of each individual, that is; the commerce aspect of each of us.

19.2. Which many are increasingly claiming to manage under the Jurisdiction of Executor and Beneficiary.

*19.3. Services Australia is not free to attempt to marry its 'corporate self' to anything other than our 'corporate self' a tool in commerce, recognised as the **Capital** name.*

*19.4. Crown: We The People of Superior Jurisdiction are the **Source/Capital** of all funding.*

19.5. Services Australia should not attempt to confuse Lore/Law and legal.

20. You are not, for example, **a corporate entity, robot, or a software program.**

20.1. Indeed, as per 19.1 - 19.5, there is indeed a 'corporate' version of each of us. And that performs in commerce.

20.2. Services Australia is well aware of this, and should not attempt to cause confusion on this matter, nor violation of jurisdictions.

20.3. Services Australia is the Public Servant.

*20.4. And is 100% answerable to **Crown: We The People of Superior Jurisdiction.***

20.5. To allege anything different to this: is to be complicit in treason, fraud and slavery.

21. You must also have your own email address.

22. This is because each myGov account must be linked to a unique email address.

23. If you share an email address with someone, you can only use it for one myGov account.

24. **4. Your responsibilities**

32.4. Keep linked services up to date

33. You must make sure your personal details are correct and up to date with linked services. For example, your name and contact details.

34. Sometimes the **law** requires you to tell a linked service when your personal details change.

34.1. All matters pertaining to Services Australia are recorded in a Statutory framework and should not be referred to as Law.

34.2. Crown: We The People of Superior Jurisdiction are the guardians of the Lore/Law, and hold accountability if **Failure of Lawful Due Process** is recognised.

35. When you update your personal details in myGov, it does not mean we will tell your linked services about your updates.

37. You are responsible for changing your personal details with your linked services as well as with myGov.

108. These Terms and Conditions clarify the following:

109. We are led to believe that Services Australia, is a **'We The People', Government Department**, that:

109.1. we own

109.2. and we source

109.3. via taxes,

109.4. and for the more advanced: the monetisation of the birth certificate.

109.5. And the monetisation of the resources of Mother Earth, in which Humanity is the First and only Custodian of.

110. However, **Services Australia** tells us it is:

110.1. **free to disconnect anyone at any time, for any reason.**

111. Thus we can be clear, this entity does not work for the People, and is not responsible to the People.

112. It is free to do what it wants and how that might effect our life, is not its responsibility.

113. Thus we must assume this is a **private enterprise** presenting itself as a We The People '**Government**', by use of that word: '**Government**'.

114. But it is clear **We The People** are the customer; as one is often referred to as 'customer' when interacting with **Services Australia**.

114.1. One even has a **CRN: Customer Reference Number**.

115. And we can be dismissed at any time, as a 'customer' without reason.

116. So who and what is this entity in our landscape?

116.1. that alleges to be both 'Government',

116.1.1. That is: Public Servant paid on the Public Purse.

116.2. but operates as private enterprise, free to discriminate amongst the population at its whim, of whom it may serve, and whom it may simply disconnect, without reason, or explanation required?

117. This is an alarming development to witness that **Crown: We The People of Superior Jurisdiction** are not in charge of anything at all, under this current system of **'Government'**.

118. Essentially, we are the live stock of something/someone, which does indeed use our energy as its harvest. But what might happen to us, is, by these Terms and Conditions: irrelevant.

119. Because we own this infrastructure: it can be held accountable by **Crown: We The People of Superior Jurisdiction** for how it conducts itself.

120. Thus, the gold rebuttal do hold this enterprise accountable to:
Rule of Law: All Are Equal Before The Lore/Law.

120.1. To allege to have the power to disconnect anyone at any time, ever, is
STRICTLY FORBIDDEN.

120.1.1. For it alleges the Public Servant is a Ruler, and **Crown: We The People of Superior Jurisdiction** are its slaves.

120.2. At no time may any individual be left without access to funds, either by use of the currency: now terminated as at 31.1.2023, and was collateralised by the energy of **Crown: We The People. of Superior Jurisdiction.**

120.2.1. As evidenced here:

120.2.2. **Or:** the infrastructure has been fuelled by Quantum Financial System resources, which are of abundance and are scheduled to flow to all.

120.2.3. And are the inherent right to resources of Humanity as

The Meek Shall Inherit The Earth. Matthew 5:5

120.2.4. And this private psy-op of scarcity is over.

120.2.5. Either way, matters are in favour of Humanity, and not

Services Australia which has only one role to play, and that is

to SERVE **Crown: We The People of Superior Jurisdiction**, as

the Public Servant that it is.

120.3. Services Australia Secretary: **Ray Griggs**

120.4. And CEO **Rebecca Skinner**, are 100% accountable, to :

Crown: We The People of Superior Jurisdiction, to ensure,

with Military Precision, that not one individual is left without funds. Ever.

120.5. Failure to achieve this, is to deem ***Crown: We The People of Superior Jurisdiction*** to be

120.5.1. Disposable

120.5.2.Less than

120.5.3.Not have inherent right to resources

120.5.4.Slaves: Criminal Code 270: slavery. 25 years jail.

121.And if this enterprise is hurting financially, it is because it is at the end of a financial structure, of 110 years,

121.1.and it is either bankrupt

121.2.and has not been refuelled yet by the implementation of the Quantum Financial System ,

121.3.or it is fuelled, and has not evolved to reflect that in the management of resources.

122.Regardless: **Crown: We The People of Superior Jurisdiction** own the infrastructure of Services Australia, and are the Rightful Custodians of all resources on Mother Earth, and therefore deem:

122.1. these Terms and Conditions inadequate for the role of Services Australia

122.2.That is Fiduciary Trustee
