government; attempting to replace our inherent choices and our God given immune system with a privately owned, profit generating, experimental product range, called mRNA vaccinations, in which there are several private corporations manufacturing and profiting from.

7. Such a violation to mandate against the inherent rights of The People, has caused mass hysteria in community and threatened the wellbeing of the People, including potential loss of income for those who exercise their free will, God given inherent rights to not have a privately owned experimental cocktail injected into their body.
8. A public servant out of touch with the People he serves, and the People who pay him, and out of touch with the basics of Law, is of no use to the People.
9. Instead such action is dictatorship and 100% slavery. Thus there is no option but to dismiss perpetrators of such delusional misrepresentation of We, The People.
10. Mr Mark McGowan, We, The People, would like to thank you for your service as Premier of Western Australia. organisation to be 100% liable and accountable for their action on behalf of their organisation, and in exchange for their pay check. There is no such thing as Corporate Immunity. That is a legal fiction and does not exist in Law. [Order 18.xi and 18.xii of the Second Australian Grand Jury 2021 21.10.2021 12pm ACST, under Crown Jurisdiction, Rule of Law: All Are Equal Before The Law.](#)

13. All contracts related to the vaccination suppliers and the Australian Government, are inherently **Null and Void**, as such contracts do include the use of the body of individual Australians for which no free will and informed consent was asked for, nor given.
