### 6. Thus, by: **Crown: We The People: of Superior Jurisdiction.**

### 8. On Monday, 24.10.2022, at approximately 1.23pm

8.2. Public servant, paid on the public purse,

8.3. And former Commissioner for WA Police, August 2017 - July 15 2022

8.4. gave 'royal assent' to the

Emergency Management Amendment (Temporary COVID-19 Provisions) Bill

- 8.13. This is a 'game', with very real outcomes.
- 8.14. Everyone is Acting. Hence why it is called **Emergency Management Amendment (Temporary COVID-19 Provisions) Act 2022.**
- 8.15. See through the **Illusion.**
- 8.16. Watch the Truman Show and many other gazettes if you are unclear. They serve to tell you what is happening.
- 8.17. **Maxim of Law: An un-rebutted claim stands.**
  - 8.17.1. Hence why we rebut and collapse this Bill/Act and the entire paradigm now, as it reveals itself to fail **Rule of Law: All Are Equal Before The Law.**
- 8.18. *GJ13.1. See the distinction between the People, Office of the Person, Office of the Public. And thus the freedom to administer your Office of the Person under the Superior Jurisdiction of Executor and Beneficiary.*
- 8.19. This Act: **Emergency Management Amendment (Temporary COVID-19 Provisions) Bill 2022**, now an Act, did seek to empower the following:
  - 8.19.1. By facilitating **unknown numbers** of
  - 8.19.2. **'authorised covid19 officers'**

8.25. This **fails** Rule of Law: All Are Equal Before The Law.

8.26. *And thus falls upon its own sword.*

8.27. Thus this Act is **NULL and VOID.**

8.28. May it be said in the writings of this document, that anyone who has done their research; and that does include vast numbers of the global population: said individuals are acutely aware of the following:

8.28.1. the covid19 agenda is not about a global pandemic,

8.28.2. It is about a further attempt to maintain control

8.28.3. by a bankrupt financial/political system

8.28.4. wanting to install a bioweapon into the bodies of community.

8.28.5. That does map and track and effect the psychological and physical wellbeing of humanity

8.28.6. And does infest and invade the organs of the body with self replicating nano-particles.

8.28.7. And is the foundation of the emerging 'bio-economy'.

8.28.9. this agenda has been exceptionally successful,

9.9.13. The list of gross incompetence and failure of lawful due process is extensive,

9.9.13.1. the overuse of AI- Artificial Intelligence to maximise profit

9.9.13.2. whilst wasting the time of Community,

9.9.13.3. without an appropriate **Code of Conduct**

9.9.13.4. is long overdue for a radical upgrade by ***Crown: We The People: of Superior Jurisdiction.***

9.9.13.5. This has all been achieved by having humanity trapped in a fictional Trust under the title of 'Guardianship', also known as slavery, based on an alleged 'incompetence', in which humanity does not need to be consulted and these private Ministers and business people, with billions of dollars of community resources in their private Trusts, deem themselves to be free to make any decisions they choose, and inflict them upon humanity.

9.9.13.6. This is an 'absurdity in Law'.

9.9.13.7. It is gross misconduct.

9.9.13.8. Correcting these standards, via **Restoring the Law**, is now in process.

## 10. What Private Trust?

10.1.1. Humanity has existed within the private Vatican Trust of Unum Sanctum, since 1302.

10.1.2. A outcome to the developments of the Magna Carta, originally from 1215.

It is acknowledged the current legal system is of inferior jurisdiction of administration, evolving without the free will and informed consent of the People and therefore is not Law at all. **What say you jurors?**

**Unanimous Yes.**

**12.16.** This Act clearly defines the People, via an assortment of Titles, who may be treated as slave chattel, who cannot be heard, the 'human herd' and cannot be seen.

12.17.5. GJ4 7. All Premiers terminated due to vaccine agenda

12.17.5.1. GJ4 8. All health ministers terminated re Pharma agenda.

12.18. Further, we acknowledge the Premier, Mark McGowan, also in the role of Treasurer, to be a **gross conflict of interest**.

12.19. An 'absurdity in Law', facilitating low levels of financial transparency and accountability to the Western Australian community,

12.21. and now by the asset backed Quantum Financial System, (QFS)

GJ13. 2. Recognise the Birth Certificate as a tool in commerce, to be used to our benefit, not as a tool to escape from. And collectively change the jurisdiction of the Birth Certificate from the Private Operating System Of Commerce (POSOC) that calls itself the global government, to the property of the People, as an administration tool for commerce, facilitating access to inherent right to resources.

12.23. Thus Treasury should expect **Crown: We The People: of Superior Jurisdiction** to be in further contact, and will be available for consultation on all Resource Management matters.

NCVIA's purpose was to eliminate the potential financial liability of vaccine manufacturers due to vaccine injury claims<sup>[1]</sup> to ensure a stable market supply of vaccines, and to provide cost-effective arbitration for vaccine injury claims.<sup>[2]</sup>

Under the NCVIA, the National Vaccine Injury Compensation Program (NVICP) was created to provide a federal no-fault system for compensating vaccine-related injuries or death by establishing a claim procedure involving the United States Court of Federal Claims and special masters

15.4.But it is called Law: to further fool humanity.

15.6.It is written by the same construct that delivered a micro version of this Bill, that is World War II Nazi Germany. 'Papers please'.

- 16.5. It is 'reckless insanity', instigated by strategic placement of complicit collusion by public servants in powerful positions, such as APHRA and Health Ministers.
- 16.5.1. iGJ 49 Further, additional agencies complicit in this false narrative vaccine roll out are AHPRA and the TGA. That being the Australian Health Practitioner Regulation Agency and the Therapeutic Goods Administration respectively. The first has silenced doctors and health practitioners from being able to speak openly about health choices, thus using them as a tool in the ever advancing covid landscape, and the second has banned known remedies such as Ivermectin and Hydroxychloroquine, thus being complicit in genocide.

16.7.Alas, by gross deception, this agenda has been highly successful,  
and has greatly harmed

***Crown: We The People: of Superior Jurisdiction.***

16.8.It is an absurdity in **Law**.

16.9.It is **slavery**.

16.10.Thus, anyone using ‘the office of authorised COVID-19 officer’ will be:

16.10.1.immediately terminated from their employment,

16.10.2.with assets frozen to recover damages to community for acting  
in **fraud** of an alleged, but non-existent authority.

16.10.3.And will be publicly gazetted for **TREASON**

16.10.4.and will come before a Court of Superior Jurisdiction

16.10.5.and be trialled by a jury of 12 People.

16.10.6.The standard sentence for **TREASON** being a life time jail sentence,  
and in other parts of the world, death by hanging.

17.To repeat: this Bill, now an Act, despite 2 prior Notices, is:

17.1.deemed **NULL and VOID**, in Western Australia,

17.2.And Australia/Terra Australis

17.3.and any such similar Bill/Act throughout the entire world,

17.4.also being a '**Junk Bill/Act**'.

17.5.For at any moment, it alleges that an 'Emergency' could be declared,

17.6.by one Office: the Police Commissioner,

17.7.which then unleashes a wave of alleged '**authorised COVID-19 officers**',

17.8.who are then free to act,

17.9.without restraint

17.10.towards whoever they want,

17.11.and to whatever property,

17.12.and not be held accountable.

**17.13.This is an 'absurdity in Law'.**

17.14.This is injury to **Law**

17.15.This is injury to ***Crown: We The People: of Superior Jurisdiction.***

### 18. 2 prior Notices

- 18.1.have been given to all members of Parliament to inform that this Bill,  
now an Act, is **NULL and VOID**.
- 18.2.These 2 Notices, of Lawful Due Process,
- 18.3.did not ignite sufficient awareness of Law.
- 18.4.Or Lawful Due Process.
- 18.5.The Bill passed through Parliament, to become an Act.
- 18.6.This is a failure of **Lawful Due Process**
- 18.7.This is a failure of **Rule of Law: All Are Equal Before The Law**.
- 18.8.This confirms that what **Crown: We The People: of Superior Jurisdiction**.
- 18.9. want and say, with regard to inherent rights, does not matter.
- 18.10.This confirms that **Crown: We The People: of Superior Jurisdiction**.
- 18.11. are a **slave**,
- 18.12.to a belligerent ruling hand,
- 18.13.that is paid to be a Public Servant,

- 18.15.Thus **Crown: We The People: of Superior Jurisdiction**.
- 18.16. will immediately reclaim our freedom
- 18.17.from those who believe they can take it.
- 18.18.And hold those in violation of such inherent rights, to full account.

18.22. This is the **3rd Notice**

18.23. Failure to adhere to ***Crown: We The People: of Superior Jurisdiction.***

18.24. is an act of **High Treason.**

18.25. And in Australia/ Terra Australis: carries a life sentence in jail.

### 19. Consequently:

19.1.1. It makes it very easy to terminate the entire system for

19.1.2. gross incompetence,

19.1.3. a danger to the wellbeing of humanity,

19.1.4. and a blatant slave system.

19.1.5. Parliament is a tool of an Age.

19.1.6. That Age is now finished

19.1.10.is **TERMINATED.**

### 20. In addressing the purpose of the Bill:

20.1. and for the record,

20.2. to assist the many who will seek to comprehend this decision

20.3. made by **Crown: We The People: of Superior Jurisdiction**

20.4. the following is relevant:

20.5. The Bill, now an Act, deemed **NULL and VOID**

20.6. moves against the wellbeing of

20.7. **Crown: We The People: of Superior Jurisdiction.**

20.8. So it automatically deems itself **NULL and VOID**

20.9. as it is a failure in Law.

**20.10. RULE OF LAW: ALL ARE EQUAL BEFORE THE LAW.**

20.11. The Bill, now an Act, deemed **NULL and VOID**

20.12. violates inherent rights of peace, safety, and freedom;

20.13. to facilitate the installation of a technological upgrade

20.14. of a 'privately owned system of commerce' (POSOC),

20.15. and utilises a psy-op of a 'global viral pandemic'

20.16. to induce fear and uncertainty with regard to health,

20.17. and inter familial and inter community relations,

20.18. to confuse and influence the People

20.19. to submit to the COVID-19 vaccination.

20.22.COVID-19 stands for

**Citizens Openly Volunteer Identification Daily, via AI A= (1) I=(9)**

**AI: = Artificial intelligence.**

20.23.This process is of Inferior jurisdiction, and yet has taken a dominant command of  
the landscape.

20.24.Assuming, by **violation of Free Will and Informed Consent**, that

20.25.***Crown: We The People: of Superior Jurisdiction***

20.26.is available for its mapping and tracking commercial system.

20.27.This has been achieved by this centuries old architecture of

20.28.Class based 'Parliament',

20.29.and by failing to educate the People on the POSOC they are a part of

20.30.**without Free Will and Informed Consent.**

20.31.This is **slavery**

20.32.Achieving this by using undefined language.

20.32.1.For example: use of the term '**person**',

20.32.2.does not define that it is **not** a Sentient Being.

20.32.3.But is a 'tool in commerce'.

20.32.4.In this way, humanity remains purposely confused, or oblivious, to where  
their rights are.

20.32.5. This is also relevant for the term **Public**, and **Citizens**.

20.33. These are 'tools in commerce' also,

20.34. and may bring an individual under the jurisdiction of the statutes and legislations created by the private Parliament,

20.34.1. a tool of a class based system,

20.34.2. via their failure to be transparent, and

20.34.3. in which the greater humanity exists within the 'Poor Laws',

20.34.4. As a subset to be managed by the Board of the Guardians.

20.34.5. And therefore allegedly does not need to be consulted in any matters.

20.34.6. This feeds and fuels grand theft of resources, and criminal activity.

**20.35. Maxim of Law: if the People do not understand it, it cannot be Law.**

20.36. The fact that these critical terms are not defined;

20.37. is a pre-designed sleight of hand to disempower humanity.

20.38. And it has.

**20.39. Until now.**

20.40. Thus the The Public Health Act - is for the Public, not the People.

20.41. The People are not the Public.

20.42. The Public are tokens on the Monopoly Board.

20.43. This is how this system of commerce has facilitated itself to operate,

20.43.1. via centuries of non transparency

20.43.2. violence and

20.43.3. obstruction of access to inherent right to resources.
