21. The Bill, now an Act, deemed **NULL and VOID**

21.1. endangers the safety of ***Crown: We The People: of Superior Jurisdiction***

21.2. to such a profound level,

21.3. in that at any moment the Office of the Police Commissioner

21.4. may declare an Emergency

21.5. and unknown numbers are '**authorised covid19 Officers**'

21.6. can emerge into the landscape,

21.7. potentially without ID,

21.8. able to enter any home, car or building,

21.9. and can do anything to the occupants,

21.10. all with an alleged '**immunity**'.

21.11. These are terrifying standards

21.12. of gross violations

21.13. of inherent rights to live freely, without terror.

Order #1

We the People dismiss the

Emergency Management Amendment (Temporary COVID-19 Provisions) Bill 2022.

Recognising the COVID-19 Agenda as a psy-op, to launch a privately owned, commercial bioweapon, and nothing to do with a pandemic viral landscape.

This Bill is a severe encroachment upon the freedoms of We The People, and thus is dismissed as 'an absurdity in Law'.

And is being rushed thru with such a sever failure of due process, there is barely time for the Parliament to read the Paper, nor for We The People to read and rebut. But rebut we have.

What say you Jurors: This Bill , and any Bill similar, appearing in any state is deemed Null and Void due to a failure in Law.

Unanimous Yes:

24. A global Business Plan, invites a Global response:

anywhere in the world to rebut the same attempts to incarcerate humanity in what we all know to be the 'papers please' agenda of a post WWII Germany.

24.1. For those who have done their research, the architects of this landscape are known to be the same architects of WWI and WWII, having launched their

24.1.1. privately owned currency in 1913:

24.1.2. The Federal Reserve USD, of which the Australian Federal Reserve is a franchise arm of.

24.1.3. Using more word trickery, most assume Federal refers to a Federal level of a 'We The People' government.

24.1.4. It does not.

24.1.5. The Federal Reserve is private Rothschilds corporation installing its privately owned currency into the landscape, and is aptly defined by this quote:

24.1.6. *"Permit me to issue and control the money of a nation, and I care not who makes its laws." Mayer Anselm Rothschild, 1790" (1791 was the establishment of the First Bank of the United States.*

24.1.7. A privately owned currency is **slavery**.

24.1.8. As has been witnessed by interest rate increases for the past 6 months, as a bankrupted system tries to save itself by gathering funds anywhere it can: largely fuel and food price increases, and interest rates.

24.1.9. Thus driving trauma and distraction in Community.

24.1.10. These Rothschilds architects then initiated WWI in 1914-1918

24.1.11. And launched the Big Pharma doctrine of health in 1914, a synthetic, patented paradigm of health, delivering the covid19 agenda, whilst trampling natural health protocols and practitioners.

24.1.12. And attempts to do that to this very day.

24.1.13. However ByLaw 004 intercepts that:

24.1.14. Located in the 14th Grand Jury:

<https://executiveorders.life/press-release-record/#gallery-22-35-5198>

24.1.15. It launched WWII in 1939-**1945**

24.1.16. And as an outcome to the end of WWII, Australia became a founding member of the United Nations in **1945**, without a referendum by ***Crown: We The People: of Superior Jurisdiction.***

24.1.17. The war never really ended. It just reorganised itself and delivers to us today, a global version of what it was perfecting in WWII.

25. The Bill, now an Act, deemed **NULL and VOID**, disrespects

25.1. the Nuremberg Code: an outcome of the violations of WWII

25.2. of defining inherent Rights,

25.3. of Law,

25.4. of Freedom,

25.5. of **Free Will and Informed Consent** for any bodily access.

25.6. This has been denied throughout the covid19 landscape and is now enshrined in this Bill.

- 25.9. Because the Constitution does not function in Australia, and was never a 'whole' document as it failed the First Nation People, by not creating any provisions for them, nor seeking any permissions, treaties or blessings from them.
- 25.10. To this day, there is no agreement between First Nation and colonial Australia.
- 25.11. It is an example of extreme belligerent occupation with a complete disregard to Lawful Due Process.
- 25.12. This is a private corporation that calls itself the 'Australia Government'.
- 25.13. It is not a 'We The People' Government.
- 25.14. Thus, ***Crown: We The People: of Superior Jurisdiction.***
- 25.15. must be a **slave, chattel, property: owned by the system that creates Bills/ Acts such as this.** It is a Bill/Act based in a severe psychosis of distorted privilege, and entitlement of 'the few', alleging to have power over the many;
- 25.16. viewing ***Crown: We The People: of Superior Jurisdiction*** as nothing more than a herd of cattle, - the two legged variety - to be monetised, herded, sterilised, euthanised, and now terrorised in our homes.

26.

into this new Age:

We farewell

the Age of Pisces

Where humanity has spent the past

720 years

in a private trust

deemed to be under the Guardianship

Of the Board of the Guardians:

A Catholic Church, Church of England 'legal fiction' construct:

Delivered by the fictional construct of Parliament:

A class based system

Of one small group of Individuals

Harvesting the greater Collective

For private profit.

Parliament; is from the medieval 13th and 14th centuries

It simply does not come with us into the next Age.

It is put to rest as part of the Age of Pisces.

This class based system, is terminated. (5)

We welcome the Architecture of the Aquarian Age.

Self governance and adherence to

Rule of Law: All Are Equal Before The Law.

27. What has finished.

27.1. Legal fiction pretending to be **LAW**.

27.2. All violations of Rule of Law: All Are Equal Before The Law

27.3. The private legal fiction of the private BAR Guild. Established 1541 to manage 'The Poor', in the Poor Laws.

27.4. The Poor, established 1535 by Henry VIII, a King who failed Rule of Law: All Are Equal Before The Law, gazetted in 1215 by the Magna Carta. Henry VIII cut the head off of 2 of his wives. This is not an individual who understood Rule of Law: All Are Equal Before The Law. Nor equitable accountability.

27.5. As a humanity, we have continued to be under a class based system.

27.6. Until Now.

27.7. Thus identifying a class based system and it's functionality:

27.7.1. Parliament - is obsolete for The Aquarian Architecture.

27.7.2. Parliament: *a council of state in early medieval England.*

27.7.3. *an assemblage of the nobility, clergy, and commons*

27.7.4. Anglo-Latin *parliamentum* is attested from early 13c.

The specific sense of "representative assembly of England or Ireland" (with capital *P*-) emerged by mid-14c. from the broader meaning:

"a conference of the secular and/or ecclesiastical aristocracy summoned by a monarch."

<https://www.etymonline.com/word/parliament>

27.7.5. of or pertaining to a parliament; in accordance with the rules and usages of legislatures," 1610s, from **parliament** + **-ary**.

27.7.6. Legislature and statute are not **LAW**.

27.7.7. Mon-arch: one ruling the many. Again a failed structure for the Age of Aquarius. **Rule of Law: All Are Equal Before The Law.**

27.7.8. Legislation is the POSOC. *The Private Operating System of Commerce*, with function to monetise all possible resources and bring wealth to the few, at the expense of the many.

27.8. All violations of Rule of Law: All Are Equal Before The Law, are forbidden.

27.9. Further, what has ended:

27.9.1. The employment of PUBLIC SERVANTS who voted in favour of **Emergency Management Amendment (Temporary COVID-19 Provisions) Bill 2022**.

And are now listed for **HIGH TREASON**.

27.9.2. Legal fiction and public servants paid on the Public Purse to play in the landscape of legal fiction, disrupting lives, businesses and enforcing fraud

upon humanity, ie the alleged covid19 plandemic. A highly architected, over decades and indeed centuries, privately owned depopulation agenda:

27.9.3. Presented by the World Economic Forum, Klaus Rothschilds-Schwab: a function of the bankrupted Rothschilds banking system. And as per the document of *Silent Weapons For Quiet Wars* - a strategy based in saving an imploding financial system; by depopulating the planet.

27.9.4. Silent Weapons for Quiet Wars can be found here, half way down the homepage: :<https://executiveorders.life>

A 45 page read of the psychological warfare that has been enacted upon humanity.

27.9.5. Also finished: public servants who have done no research and believe that COVID19 is about a virus, and not about the installation of the new Private Operating System of Commerce (POSOC), in preparation for the **bio-economy**.

27.9.5.1.COVID-19 stands for

27.9.6. Also ending: Guardianship in which

Crown: We The People: of Superior Jurisdiction

is deemed to be incompetent and needs to have decisions made for it by the Board of the Guardians, and does include Judges, Magistrates, your Local Town Council, and many others.

27.9.7. Unum Sanctum 1302. The Master Trust, created by Pope Boniface in 1302. Which did deem all of humanity and all of the Earth's resources to be inside the Trust.

27.9.8. Public servants paid \$200 000+ per year to move against **LAW**, and violate the inherent rights of ***Crown: We The People: of Superior Jurisdiction***, thus positioning themselves to be in **HIGH TREASON**.

27.9.9. The possibility that the private organisation that calls itself the WA Police, could enter the homes of ***Crown: We The People: of Superior Jurisdiction***, at any time, without a warrant, or any lawful due process.

27.10. Alleged representatives of the People, referring to themselves as Ministers, surely indicating we are indeed, the chattel of the Catholic Church/Church of England and the Poor Laws of 1535 in which the People were deemed to be the **property** of the Church and are identified as such, even to this day, by a 'P' in the passport under Type.

- Person is inferior jurisdiction. People are Superior Jurisdiction.

 - In inferior jurisdiction,

- Persons are tools in commerce.

There are multiple cases of People being stripped naked by Police.

5) Executive Orders: Maxim of Law: claimant must prove their claim.

An **officer** (a legal fiction in commerce) makes a request to a **person** (a legal fiction in commerce). Both tokens of the POSOC: Private operating system of commerce.

- This does not pertain to The People. However, this legal fiction, facilitates violence against the individual that if they do not produce a tool in commerce, example, the drivers license, which then does allegedly marry the 'People - sentient Being' to the 'person - tool in commerce', which then allegedly **invokes** the statutes and legislation upon the People.
- Thus the Officer is allegedly empowered to extort the details requested, thus removing Free Will. This constitutes slavery. Or the individual may be subjected to 1 year imprisonment.
- This is what Parliament produces. Gross violations via 'legal fiction', that it likes to call Law.
- It is not Law in any way. It is **treason, fraud and slavery.**
- (4) A person to whom a request is made under subsection (2), (3) or (4A) may request the officer making the request to identify himself or herself.
- (5) An officer who is requested by a **person** to identify himself or herself must do so.

- **Penalty: Imprisonment for 12 months.**

6) Executive Orders: Maxim of Law: claimant must prove their claim.

Google: On average it costs **\$332 per day** to keep an offender in custody. However, this varies considerably from prison to prison, ranging from \$185 at Acacia, to \$1,292 at Wandoo. HOW IS THE MONEY SPENT? Employment expenses account for over half of the cost of running Western Australia's public prisons. (Google.)

A years revenue to the government and private enterprise prison establishments for someone who does not produce identification is **\$471 580**. Demanding identification, despite no such authority existing in Law, only in the POSOC, is another very lucrative "business model", thus rendering this Bill, now an Act to be **NULL and VOID** as having any force in Law.

- (7) For the purposes of subsection (6), the fact that an officer did not comply with subsection (5) as soon as practicable is a reasonable excuse.

7) Executive Orders: Maxim of Law: claimant must prove their claim.

This is Double standards. 'As soon as practicable' has no point of measurement. This constitutes a **failure in Rule of Law: All Are Equal Before The Law.**

- This suggests the Officer did not have identification for easy viewing on the Uniform in the first place.

Public servants are always easily identifiable, or they are the equivalent of a reckless gang in the landscape, getting away with whatever they want, and not being able to be held accountable.

- The early stage of the covid landscape showed us the disappearance of the compulsory standard of visible ID. This is a Crime Against Humanity. This is the incarceration of humanity within a private corporation alleging its statute and legislations are Law.

8) Executive Orders: Maxim of Law: claimant must prove their claim.

In conclusion: Part 3

This entire section is based in a gross violation of Law, robbing the People of their freedoms. That being of Free Will and Informed Consent.

In knowing that Covid19 standing for **Citizens Openly Volunteer Identification Daily via AI**, we can see this is a complete Gestapo takeover, with easy threat of imprisonment if failure to comply.

It is a clear example of a grandiose delusion, alleging the public servant sector, paid on the public purse, can patrol the People and demand identification at any time, under the guise that the People are persons. Persons are mere tools on a Monopoly Board.

Further concerns of this Bill:

(1) For the purposes of COVID-19 management while a COVID-19 declaration is in force, **an authorised COVID-19 officer may take control of or make use of any place, vehicle or other thing.**

(5) An authorised COVID-19 officer may exercise the powers under this section **without a warrant or the consent of the owner or occupier**, or the person apparently in charge, of the place, vehicle or other thing.

9) Executive Orders: Maxim of Law: claimant must prove their claim.

This constitutes an extreme failure in Lawful Due Process.

The fact that it has passed through Parliament deems the entire Parliament to be **incompetent in Law**, and a danger to the safety and wellbeing of Community.

Therefore, all Members of Parliament are hereby on standby for dismissal for **TREASON**.

It is required all Ministers email Executive Orders at wethepeople@executiveorders.life and verify that they did **NOT** vote to pass this Bill. No later than 11.11.22 4pm.

No reply, is a reply.

An inability to be able to send such an email, renders that Public Servant to be INSTANTLY dismissed from their role as servant to protect the People. Having instead, contributed to an INJURY to Law and therefore an Injury to the protections of the People.

77 O. Powers of police to direct closure of places and 4 concerning movement and evacuation

(5) When exercising powers under this section a police officer has all the immunities of an authorised COVID-19 officer.

10) Executive Orders: Maxim of Law: All are accountable for their actions.

There is no such thing as **'immunity'**.

Immunity facilitates corruption and criminal activity where perpetrators are free from being accountable for their actions.

This is a failure of **Rule of Law: All Are Equal Before The Law.**

Therefore we can recognise this as a corrupted system that fails Law, and is

incompetent in Law.

Thus this Bill, now an Act, is **NULL and VOID.**

And Parliament has gazetted itself, via its actions of allowing this to be passed, to be incompetent in Law, and a danger to We The People.

77P. Exchange of information

- It is not tolerated in any way.

By Rule of Law: All Are Equal Before The Law

The fact that Parliament allowed this to be passed, renders the entire membership of this private club to be incompetent and dismissed.

- The one caveat is if a member is able to email confirmation that they did **NOT** vote for the Bill to be passed. Those members are free to retain a position of employment as a Public Servant, under the strict restructuring of this system to be 100% adhered to **Rule of Law: All Are Equal Before The Law.**

Radical shifts of wealth with large corporate increases in profits, whilst small business dies.

To NOT know this architecture at this advanced stage of this psy-op war; is to be deemed incompetent.

77S. General provisions regarding powers

(1) In this section — **officer** means an authorised COVID-19 officer or a police officer.

(2) If a person does not comply with a direction under this Part, **an officer may do all such things as are reasonably necessary to ensure compliance with the direction**, using such force as is reasonable in the circumstances.

13) Executive Orders: Maxim of Law: All are accountable for their actions.

For such a Bill to be passed, that contains elements such as this, and the others noted here, is to render the members of Parliament to have a mental health problem, an inability to recognise a failure of Law when it is presented to them, to recognise when they are leading humanity into dire danger.

This is an incompetent assembly of individuals, and all are rendered dismissed, unless they can email and prove that they did **NOT** vote to empower this Bill.

14) Executive Orders: Maxim of Law: All are accountable for their actions.

supply

(2) **For the purposes of emergency management —**

(a) **the CEO may authorise a person to administer, manufacture, supply or prescribe a poison;** and

(b) during a state of emergency a person authorised under paragraph (a) **may administer,** manufacture, supply or prescribe a poison.

(3) An authorisation under subsection (2)(a) is to specify —

(a) whether it applies to any state of emergency or is limited to a particular state of emergency; and

(b) the **person**, or class of **persons**, to whom it applies; and

(c) the poison, or a class of poisons, to which it applies; and

(d) the terms and conditions to which it is subject.

(4) An authorisation under subsection (2)(a) may be given orally or in writing but if given orally is to be put in writing as soon as is practicable.

Thus a decision to Act, can be made without written authorisation, and done as soon as 'practicable'. Which might be never.

(5) **A failure to put an authorisation in writing** does not invalidate the authorisation or anything done under the authorisation.

(6) When exercising a power under subsection (2)(b) **a person is to comply with —**

(a) the terms and conditions of the authorisation; and

(b) any directions of the CEO or State Emergency Coordinator.

[Section 76A inserted: No. 13 of 2014 s. 184.]

16) Executive Orders: Maxim of Law: All are accountable for their actions.

Thus we can clearly witness the removal of **Free Will and informed consent**.

An individual could be injected with 'anything', as per the evidence of the covid19 roll out of a bioweapon injection, marketed as a 'remedy' for a global pandemic. But is in fact a tool of the emerging **bio-economy**.

Clearly, in this paradigm, humanity is cattle, and can be subjected to whatever the legal fiction creates for it.

Fortunately Law can deem this 'legal fiction' to be nothing more than slavery, deem it **NULL AND VOID**, and hold accountable the perpetrators of such slavery upon the freedoms of humanity.

And it does.
