PAFROL PAPERS 001-004

17.10.2022 PLANDEMIC: THE END.

Mandatory vaccination by privately owned, profit generating, bioweapon corporations, on Terra Australia soil, without First Nation permissions is forbidden.

Immunity from accountability from injury is a legal fiction. Immunity is Dismissed.

1. The Inaugural Australian Grand Jury 21 September, 2021

2. Order 41: Just as we were all subjected to living through the 'war on terror' era, now we are expected to live through the 'covid pandemic/vaccination' agenda. That will not be happening. This business plan is **terminated**.

Overwhelming evidence proves that the Covid plandemic is a de-population tool, rendering all dialogues and actions connected to the perpetuation of the covid landscape to **cease immediately** throughout Terra Australis.

7. **Order 68:** A corporation is a legal fiction. An artificial intelligence. It does not, can not, will not, and never can have a Superior Jurisdiction over the Sentient Being.
