NOTICE 001 - 001/3 :

DEPARTMENT OF PLANNING, LANDS AND HERITAGE.

Your reference: L00065-2013_A12179259

1. Re: Daniel Kickett:

- 1.1. Loss of 40 acres **without Lawful Due Process** and corresponding paperwork or Bill of Sale.
- 1.2. 5 acres now exists within the Department of Planning, Land and Heritage
- 1.3. 35 acres now exist within the Aboriginal Land Trust - who are yet to make contact.
- 1.4. Mr Kickett has been left with 0.01 of a hectare, that being where his house sits and is on a lease, signed under duress, and whereby, upon death, the land is consumed by the State. It is not passed on to the next generation.

2. Aboriginal Land Trust: established **without Lawful Due Process**,

- 2.1. The Aboriginal Lands Trust (ALT) is a statutory board convened under the Aboriginal Affairs Planning Authority Act 1972.
- 2.2. The ALT estate covers some 22 million hectares of land in Western Australia,
 - 2.2.1. With a claim of alleged '**ownership**', despite no historical paperwork of Lawful Due Process of how such 'ownership' came to be.

2.2.2. And is inside a document of 865 pages. That being an unmanageable document for most to comprehend. Thus rendering a competent due process to interface with the Trust, to be near impossible.

2.2.3. And of the possible 70 autographs listed for First Nation People to agree to the document: only 9 autographs appear.

The Kickett family is not one of them.

All other autographs are from Corporate Bodies.

2.2.4. Parties: Clive Davis, Noel Moorish, Nigel Wilkes, Trevor Nettle, Dianne Wynne and such other persons as are duly authorised by the Native Title Agreement Group (Representative Parties) for and on behalf of Native Title Agreement Group.

2.2.4.1. In Customary Lore: it is **forbidden** that someone may represent someone else. Thus rendering this document invalid.

2.2.5. **Alarmingly:** Just at page 8, point E,

the following is written:

2.2.5.1. In exchange for the payment and provision of the benefits* under this Agreement, including those referred to in paragraph G of this background,

the Noongar People will agree:

(a) to a surrender of Native Title Rights and interests in respect of the Settlement Area; and

(b) to the validation of all acts that, historically, may have been done invalidly in relation to the Settlement Area.

*NB: Historically, 'benefits' are recognised as a slave stipend. A mere pittance to ensure survival, but may not exceed standards of complete misery and hardship. Born of the Poor Laws 1535 and onwards, including The Workhouse Test Act, now known as Centrelink/Social Services.

2.2.5.2. Further: Referencing 2.2.2.2, as the history of the treatment of First Nation People on the lands of Terra Australis, by the global corporate blueprint, which on these lands refers to itself as 'The Australian Government'; has been so incredibly violent; including mass genocide without relief, total land theft, and deprivation of basic essentials such as clean water and deprivation of tribal customary lore, there is no possibility that First Nation Elders would have knowingly agreed to such a clause.

Thus raising further **alarm** regarding clarity of the contents of the

2. ***Crown: We The People, of Superior Jurisdiction,***

Rule of Lore/Law: All Are Equal Before The Lore/Law

does not recognise Corporate Immunity. That being; a 'legal fiction' of an inferior jurisdiction 'private operating system of commerce' (POSOC).

- 2.1. Corporate Immunity is a tool designed to facilitate a lack of accountability, alleging individuals can hide behind their office and title.
- 2.2. Maxim of Law expressly states: All Are Accountable for their actions. (AAA)
- 2.3. In this way we protect humanity from treason, fraud, slavery and grand theft of essential resources.
- 2.4. By following the standards of **Rule of Lore/Law: All Are Equal Before The Lore/Law**: individuals are positioned to patrol the conduct of Corporations - inferior jurisdiction; for criminal activity.
- 2.5. 'Corporate Immunity' - a legal fiction; fools them into believing they need to support the conduct of Corporations in exchange for their pay cheque, even if it is criminal activity, and that they cannot be held accountable.

2.5.1.Eg: middle management takes instruction from upper management and delivers to other employees:

'you will need to have the covid19 vaccination, or you will lose your job'.

3.6. **Max Corr, email not provided, despite being requested.**

Manager Metropolitan and Peel – **email not provided**

has responsibility for the day-to-day administration of land within the Metropolitan and Peel Regions.

3.6.1. Possible conflict of interest regarding community resources.

Disclosure of relationship to Darren Corr is required.

4. Education : Lore/Law is not made up by humans in Parliament.

4.1. Parliament is a 13th/14th Century class based construct, born of the Master Trust: Unum Sanctum 1302, a reaction to the 1297 developments of the Magna Carta.

4.2. Unum Sanctum was designed to manage the greater humanity which was deemed a 'subset' and called 'the Poor', still identifiable in the current passport with a 'P' under Type.

4.3. Under the 'Poor Laws' of Henry VIII, the 'Poor' have been maintained in a fraudulent scarcity mentality upon our abundant planet Earth.

4.4. The perpetual 'austere' budget constraints of underpaid nurses and a pittance for retirement are simply 'toxic ideas', based in 100% fraud, and accountable to the perpetrators of such psychopathic Harm and Injury upon Humanity.

4.5. Thus this construct of the 'Poor'; fails **Rule of Lore/Law: All Are Equal Before The Lore/Law.**

- 4.6. Thus, Parliament has been deemed an obsolete tool, in reaction to the delusional alleged authority witnessed via the passing of the Emergency Management Amendment (Temporary COVID-19 Provisions) Bill 2022. Western Australia. Now an Act. **NULL AND VOID.**
- 4.7. Ministers of Parliament are deemed to be of gross incompetence: believing legal fiction to be Law, calling themselves 'lawyers', when they are private BAR practitioners of the POSOC, and deeming themselves not answerable to ***Crown: We The People, of Superior Jurisdiction.***
- 4.8. The termination may be viewed here:
<https://executiveorders.life/press-release-record/entry/5244/?gvid=2748>
- 4.9. These are tired, time wasting standards that are no longer tolerated as we enter the Age of Humanitarianism.
- 4.10. ***Crown: We The People, of Superior Jurisdiction*** refer to a class based system as a 'legal fiction'.
- 4.11. 'Legal fiction' is no different to the rule book of a kids 'video game', in which the People; called *Public, Citizens and Persons*, are **disposable**.
- 4.12. And real assets: Land, may be stolen, *allegedly*, without consequence.
- 4.13. This 'legal fiction video game' likes to refer to its rules as 'Law'.
- 4.14. It is not Law at all.
- 4.15. It is statute and legislation and is relevant only to that 'video game'.

- 4.16. See all illusions of authority crumble now.
- 4.17. For the purposes of analogy, to define this system, and to continue to bring awareness back to the boundaries of this privately owned system, which can be very 'heady' at the best of times, the use of 'video game' will be used throughout this document.
- 4.18. The term POSOC has also been developed to define this system.
- 4.19. POSOC - private operating system of commerce.
- 4.20. In which the People are chattel, under Guardianship.
- 4.21. Another analogy or gazette of this system, is The Truman Show.
- 4.22. The Matrix is another.
- 4.23. Wake up to recognise everyone is 'Acting' in a version of 'someones' reality.
- 4.24. Eg: Aboriginal Heritage **Act** 1972.
- 4.25. This is a rule of the video game, in which Lore/Law is irrelevant and legal fiction exists.
- 4.26. That is why this system allows itself to say:
'we will not be responding to you any further'.
Eg: Darren Corr, and many, many other communications from Government Departments. A very common used response. Because in the video game rule book, that is allowed, and it allegedly prevents accountability to **Rule of Lore/Law: All Are Equal Before The Lore/Law.**
- 4.27. However, no such privilege exists. All Are Accountable (AAA)

- 4.28. Who is the 'someone making the rules'? Many names will be held accountable and brought before the continuous measuring of legal fiction against **Rule of Lore/Law: All Are Equal Before The Lore/Law.**
- 4.29. And should that measurement fail to meet appropriate standards, the legal fiction is simply deemed **Null and Void.**
- 4.30. And the perpetrators position themselves for accountability before Lore/Law.

5. Inherent Rights. Bestowed by The Creator Source Almighty.

- 5.1. There are no documents that grant rights.
- 5.2. There are only documents that record 'Inherent Rights'.
- 5.3. Such documents usually come to life in the face of tyranny.
- 5.4. This is one of those documents as we emerge out of tyrannical times.
- 5.5. And, there are 'slave papers' that allege to have the authority to remove 'inherent rights'. Such as the Emergency Management Amendment (Temporary COVID-19 Provisions) Bill 2022.
- 5.6. The authors of such papers, and the instigators of such papers, position themselves to come before a Crown Court of Superior Jurisdiction to be trialled for Crimes Against Humanity.
- 5.7. By Global Standards: Crimes Against Humanity earn the perpetrator a life time prison sentence, or death.

Magna Carta 1297

Imperial Act

Date of Assent 28 March 1297.

Imprisonment, etc contrary to law. Administration of justice:

- *NO freeman shall be taken or imprisoned, or be disseised of his freehold (also called fee simple or allodial) , or liberties, or free customs, or be outlawed, or exiled, or any other wise destroyed; nor will we not pass upon him, nor condemn him,¹ but by lawful judgment of his peers, or by the law of the land. We will sell to no man, we will not deny or defer to any man either justice or right.*

Note: Source: New Zealand Parliamentary Library, International Documents Collection

*'Allodial' refers to an original right to land,
ownership clear of any superior landlord.*

*The allodial rights to land exist free and prior
from ever being granted by the crown.*

That crown is a 'corporate legal fiction'. It's authority is fictional.

Crown, We The People, of Superior Jurisdiction are Lore/Law.

- 7.7. Acts of Parliament - rules created by a private member association for a game, including everyone, but where the rules are not disclosed due to the fraudulent assignment of humanity to be under the management of the Board of the Guardians. - 7.8. Deadwood: those who choose not to follow Maxim of Law. They will inevitably be removed from the landscape, as their behaviour will be measured as treasonous.
