Press Release.

Notice for Governor to Vacate Government House.

1. 001-001 Government House.
2. ***Crown: We The People of Superior Jurisdiction*** issue instruction to Government House to be vacated by the Governor:
3. Following the accusation by Police, on 2.1.2023, that the request by ***Crown: We The People of Superior Jurisdiction***, employer of the Governor, and source of finance for the Governor salary, were 'stalking' him, when this Public Servant should have been accessible and addressing the concerns of the People:
4. An act of violence was perpetrated against the People, in the form of arrest in an attempt to silence and intimidate. And an unsubstantiated claim was made by arresting officers that 'statute is Law'. Statute is not Law. It is merely the rule book of a private occupying corporation that refers to itself as the Australian Government.

a jail cell is required when administering Rule of Law: All Are Equal Before The Law.

Doing a Public Notice and filing it onto the website is an acceptable form of Notice.

What Say You ?

Do you agree, that until a quantum shift, individual Notice is acceptable to facilitate right action and administration of Law?

Unanimous Yes.

6.3. 12th Terra Australis Grand Jury 12.8.22 11am AWST

Order # 2

Change jurisdiction of Police Stations in preparation for arrests. The buildings belong to 'We The People', and although jurisdiction was changed in the Inaugural Grand Jury, now 12 months into this process, many great People have come to the table, and we are very close to acting arrests for those who break the Law, and perpetuate slavery against the good People of Terra Australis.

Caution: this is not a flippant action and is in discussion and organisation under management of Lawful due process and action. Please do not create action in any way without first checking on updated architecture of these matters.
