001-001 D and T Markwell and SAFA :

Kidnap, hostage, and failure of Lawful Due Process by Public Servants.

Also known as slavery.

Damages Bill assigned to SAFA and the Treasury, for immediate payment.

PRESS RELEASE

The Organised hostage and kidnap of youth by Government Departments:

Including Police, Department of Child Protection, Centrelink, Foster Care Homes, the Private Court System, The Indemnity Insurance Departments.

The 40 minute overview of this case, can be viewed here:

1. Further to the kidnap of Takara Markwell, on October 28 2021, at the South Australia Police Station, without free will or informed consent, and without lawful due process whereby the claimant must prove their claim before a competent court; a presumption of guilt was exercised against mother: Donna Markwell, indicating that she is a slave

without right to Lawful Due Process.

2. This resulted in the organised and premeditated separation of Donna from her 14 year old daughter, Takara, who then disappeared for 36 days into the foster care system of the Department of Child Protection (DCP). Without any contact with family for the first 17 days. This represents a hysterical landscape for mother, child, family and friends.
3. **This is a lawless process, which has proven itself to be accountable to no structure, authority, court, or ombudsman within the statutory framework in which it is created and continues to exist.**
4. This is a structure to facilitate the lawless process of kidnap and hostage by public servants who are all paid on the public purse.
 - 4.1. This is a form of child trafficking.
 - 4.2. This is a quest to secure Centrelink payments for carers.
 - 4.3. Thus drawing attention to Centrelink that it has no due process to clarify that a child who has left the family home and is now in care, has arrived there by lawful due process, supported by flawless, substantiating paperwork, in which the claimant has had to prove their claim.
 - 4.4. Such proof does not include long fabricated statements about a parent.
5. Although this is 'a good case' compared to many in which the children are never seen again, and whereby T Markwell was returned to her family in 36 days, and the entire court process was reversed: clearly indicating it was a lawless process implemented by

Magistrate Adair, the violence and trauma is real. The failure of Lawful Due Process is not a standard ***Crown: We The People of Superior Jurisdiction*** can ignore.

6. Details of the case may be viewed here:

6.4. And a video recording of the matter may be viewed here:

<https://screencast-o-matic.com/watch/c0Vj1iVwFZd>

7. As remedy for Injury has been sought throughout the past 14 months; there is clarity that remedy does **not** exist in this current legislative framework for such Lawless conduct. Not in the court system and not in the insurance companies.

The damages for Harm and Injury, as per invoice:

DCP-Invoice-001-on-06.11.2022-2.pdf remain outstanding, and can be viewed here, with names of perpetrators of kidnap and hostage, who at all times remain in 100% personal liability. 'Corporate Immunity' does not exist in Law, only in a statutory framework designed to perpetrate criminal activity, such as this matter.

8. The last communication in an attempt to acquire remedy, was dated 23.12.2022, by SAFA : South Australia Financing Authority - a Government Department to cover Indemnity Insurance for Government Employees, who have harmed community. The response validates that *within the statutory framework*, kidnap and hostage without lawful due process is not deemed to be harm, and it is ok to exist in our landscape. And thus SAFA did reject the claim for damages based on the following:

8.1. *The initial removal of Takara Markwell occurred pursuant to Section 41 of the Children and Young People (Safety) Act 2017 (the Act), and the subsequent interim care and protection order was made by the Youth Court on 4 November 2021.*

The interim protection order was revoked by the Youth Court on 8 December 2021.

In considering claims for compensation, SAFA is required to have regard to the appropriate legislation.

*In the circumstances of your claim, the above occurred in accordance with the relevant **statutory frameworks**.*

On this basis, we are not able to further assist you with your claim for compensation arising from this matter.

9. Statutory Framework should not be a license to facilitate criminal activity, but clearly is.

10. **Crown: We The People of Superior Jurisdiction** dismiss such standards and hold 100% accountability for damages.

11. SAFA is hereby informed,

11.1. it is an arm of the Board of the Guardians, it exists because of **Crown: We The People of Superior Jurisdiction**.

11.2. It is financed by **Crown: We The People of Superior Jurisdiction**.

11.3. It is a public servant to **Crown: We The People of Superior Jurisdiction**.

11.4. And is therefore beholden to instructions from **Crown: We The People of Superior Jurisdiction**.

11.5. Failure to follow such instructions is deemed another example of slave conduct in which **Crown: We The People of Superior Jurisdiction** cannot be seen, nor heard, and will attract the consequential outcomes for such a crime.

12. The 'statutory frameworks' that SAFA, and its individual employees, relies upon to rebut the damages claim renders it also to be **complicit in kidnap and hostage**.

12.1. Statutory being an inferior jurisdiction to Law, and the private rule book of a Private Operating System Of Commerce (POSOC) that does view the People as its Public/cattle, and thus may be moved around for profit, no different than a sheep.

12.2. This standard is wholly fictional and is slavery. Criminal Code 270, slavery 25 years jail.

12.3. As SAFA is merely an empty corporation, all responsibility, as per maxim of law: *'all are accountable for their actions'*, rests firmly with the employees of the corporation, who are administering the funds of the Birth Certificate. Each Birth Certificated is valued at \$230M. Accountability is deeming the kidnap and hostage of a 14 year old girl without Lawful Due Process to be acceptable, when in fact it is criminal activity.

12.3.1. Mr Rick Persse - Under Treasurer, Presiding Member

12.3.2. Mr Mark Day: Company Director

12.3.3. Ms Susan Crago

12.3.4. Mr David Russell

12.3.5. Ms Jacqueline Guerin.

12.5. And as per the Orders from - 17th Terra Australis Grand Jury - Agenda 11.11 am AWST 7.1.2023 Order #5, the following is relevant:

Order #5

5.1.Regarding the Markwell case: and the feedback from the insurance industry, in this case the SAFA, relying on the following feedback:

5.1.1.The initial removal of Takara Markwell occurred pursuant to Section 41 of

the *Children and Young People (Safety) Act 2017* (the Act), and the subsequent interim care and protection order was made by the Youth Court on 4 November 2021.

5.1.2. The interim protection order was revoked by the Youth Court on 8 December 2021.

5.1.3. In considering claims for compensation, SAFA is required to have regard to the appropriate legislation.

5.1.4. In the circumstances of your claim, the above occurred in accordance with the relevant statutory frameworks.

5.2. Therefore: Crown: We The People of Superior Jurisdiction recognise that such relevant statutory frameworks are a license to kidnap and hold hostage children, whilst failing lawful due process that the accused would have the most basic right to be heard, in response to the claim made against her, and that the claimant, by Maxim of Law would have had to prove their claim before exercising any alleged remedy to said unfounded claim and therefore this relevant statutory frameworks is a framework of slavery. Criminal Code 270 25 years jail.

5.3. Nor was the communication a request for compensation. It was a submission of fees incurred as damages for kidnap and hostage as per un-rebutted affidavit ACC-21-1795, which was filed into Adelaide Youth Court on 4.11.22. And was accepted.

This un-rebutted affidavit does include the fee schedule and is the substantiating document to DCP Invoice 001, 6.11.2022: **\$77 921 400**, as at \$10 000 per hour for every hour Takara was kidnapped, and for the ensuing trauma off retrieving her, such as court appearances. This figure pertains to each individual involved in

the kidnap. The list of individuals involved, is not yet exhausted, eg: foster carers who are complicit in child kidnap and holding hostage.

WHAT SAY YOU JURORS?

In the face of the evidence of no court in Australia having any jurisdiction over the matter: Federal Court rejected the claim based on no jurisdiction, and the High Court refused to hear it, nor being able to redirect to where remedy might be found; or any capacity to administer appropriate standards of Lawful Due Process, does this Grand Jury *of Crown: We The People of Superior Jurisdiction*, hold the SAFA accountable for facilitating the damage fees incurred for hostage and kidnap of Takara Markwell?

And clearly noting: that all funding, for anything, is underwritten by the tool in commerce called the Birth Certificate, whereby each Birth Certificate was last valued at \$230M each. And recognising that the current system of currency is merely digits in a computer and any alleged scarcity of wealth is purely a psy-op of control and does not exist on our abundant planet.

What say you Jurors? Unanimous Yes

6.1.And do we hold the Public Servants, paid on the Public purse 100% liable and accountable for such disbursement or be also held complicit in kidnap and hostage. Those individuals being: <https://www.safa.sa.gov.au/about-safa/boards-and-committees>

6.1.1.The following Board is permitted 5 - 7 members. It has 5. One is supposed to be an Insurance specialist.

6.1.4.Ms Susan Cargo - No credentials listed.

6.1.5.Mr David Russell - No credentials listed.

6.1.7.And a further Board exists:

6.1.8.SAFA Risk and Performance Committee: The Risk and Performance Committee provides independent advice to the Under Treasurer on SAFA's financial and performance reporting responsibilities, risk management, and internal control systems. The committee consists of three members.

6.1.9.No members are listed by name, face or credentials.

6.1.10.It is pointless to refer to the Committee as **independent** as it is also a public servant and is inherently biased to uphold the standards of the prevailing relevant statutory frameworks

6.1.11.This system is grossly inadequate and requires immediate upgrade, to facilitate Law, as per Order # 5

Judges and Magistrates, being of inferior jurisdiction due to being part of the Poor Laws 1535 and their ongoing development to this modern day, and being part of a system that was created without the *free will and informed consent* of We The People:

Unanimous Yes.

13.6. **Grand Jury 13. Order #3 10.9.22**

Based on Order #2, we are now free to recognise Parliament, not as a place of Law, but as a place of legal, administrating the Office of the Person/s with the Private BAR legal practitioners not as 'lawyers', but as legal practitioners, who cannot practice legal beyond the scope of their oath to that private membership. We, The People, are Law. Because Law lives in Nature and We The People are Nature. Legal is Paper, Persons are administered via private statutes and legislations, some of which are useful and many of which are complete rubbish.

What say you Jurors?

Are We The People, free to expect all lawyers, will rebrand themselves as 'legal practitioners' and not present themselves as Lawyers, as this purposefully blurs the line between Person and People. ?

Further, no corporation may respond to communications, with just a department cited. A name must be attached to the response.

13.8. Grand Jury 13. Order # 7 10.9.22

The doctrine of **parens patriae**, born of Eterni Regis of 1481, in which the State declares itself to be the parent and We The People to be perpetual children of incompetent standards, and thus facilitates the abduction of children by the Department of Child Protection, **is Null and Void**. It has served as a function of the POSOC.

Such actions by DCP are deemed actions of kidnap and hostage and will be processed by the Common Law Courts accordingly.

This further substantiates previous Orders regarding the removal of children, and in which Sheriffs must now be present for such events and lawful due process before a competent Court must be witnessed.

What say you Jurors?

The doctrine of **parens patriae is deemed Null and Void** and Judges and Magistrates are strictly forbidden from using it.

No later than 20 January 2023 12pm. AEST.

As the insurance industry is the under insurer/taker of the Birth Certificate, that being the monetisation of the Birth Certificate; it is also responsible to facilitate the vast, **pending**, injury claims from the private business model known as covid19. Thus this Notice of Demand for Harm and Injury Payment is early warning to organise financial affairs in anticipation of that development.

Insurers will be notified accordingly of required funds as community continues to organise itself to bring full accountability for the gross violations of the covid19 private agenda of mass vaccination: an extraordinary violation of *Maxim of Law: free will and informed consent are essential, at all times*. Also framed in the Nuremberg Code, which has also been violated.

16. Clearly the Treasury will be involved in these payments.
