Inaugural Australian Grand Jury 23 September, 2021

Order 95.

All Property foreclosure cases are Null and Void and will maintain this standing until further Notice.

14th Terra Australis Grand Jury 11.11am 10.10.2022

Order #3:

Local Councils cannot commence property seizure action based on the Local Government Act 1995. This Act has no authority. Councils must produce accounting that is reflective of the We The People being the Creditor.

What say you Jurors? Unanimous Yes:

15th Terra Australis Grand Jury - 11.11 am AWST 8.11.2022

Order #3

Is this system of the Supreme Court terminated as having any authenticity in Law, since it is a private legal system? And is therefore forbidden to make any Orders related to foreclosure as it is designed to ignore the 8 essentials of a valid contract, and thus rule in favour of the Bank regardless of what the Bank might have done to cause Harm and Injury?

What say you Jurors? Unanimous Yes:

LAWFUL DUE PROCESS:

1. The purpose of this document is to establish if Lawful Due Process did occur **BEFORE** the PENALTY has been applied.

1.1. Lawful Due Process ensures:

1.1.1. The claimant has proven their claim before a competent Court.

1.1.2. The accused has been heard.

1.1.3. The penalty, if any, can then be applied.

1.2. As the Guardianship is a legal system, not a Lawful system, it is probable this process did not occur.

1.3. That is: the 'Australian Government' is a private legal system: it is a privately owned 'version of reality' in which your life belongs to the creators of the private version of reality.

1.4. Humanity is referred to as the 'Public'.

1.5. That version of reality is based in **scarcity**, which drives drama and crisis and keeps the many 'Government' departments in business, by generating revenue from your life and accessing the Master Trust for payment.

2. Please use this form if you are working on a matter involving any 'Government' Department.

2.1. It is acknowledged; the private, foreign, globalist corporation that has installed itself over these lands known as Terra Australis, is ***NOT a Crown: We The People of Superior Jurisdiction*** entity.

Although it pretends to be.

2.2. That entity calls itself the '**Australian Government**'.

2.2.1. Use of the word 'Government' by this private corporation

2.2.1.1. Is a marketing tool,

2.2.1.2. It is **not** a lawful jurisdiction.

2.2.1.3. No jurisdiction in Lore/Law exists.

2.2.1.4. This word: '**Government**', is used with wilful intent to induce in the populace; an **assumption** that this private corporation is a ***Crown: We The People of Superior Jurisdiction*** entity and is making decisions in alignment with the wellbeing of Community.

2.2.1.5. This is not the case.

2.2.1.6. This entity is a private, inferior jurisdiction, managing the People as its 'Public'.

2.2.1.7. Inside a fictional 'scarcity' paradigm.

2.2.1.8. This paradigm is wholly false.

2.2.1.9. This is fraud.

2.2.1.10. Thus this form allows Community to map and track an incident so **accountability** can be held.

2.2.1.11. This entity refers to its Statute and Legislation as Law.

2.2.1.11.1. It is not Law.

2.2.1.11.2. It is legal: a set of rules determined by the creators of the paradigm.

2.2.1.12. It is probable the rules fail

Rule of Law : All Are Equal Before the Law.

2.2.1.13. And they do.

3. **Maxim of Law: All are accountable for their actions.**

3.1. 'Corporate immunity' does not exist.

3.1.1. That is: *the alleged freedom to blindly follow the instructions of your corporation/employer, and not be held accountable.*

3.2. **This is false. You are 100% accountable for all you do.**

3.3. The standard adhered to is:

Maxim of Law: All are accountable for their actions.
