MAXIM OF LAW:

ALL ARE ACCOUNTABLE FOR THEIR ACTIONS.

- There is no such thing as Corporate Immunity. That is legal **fiction**.
- There is no such thing as Power of Attorney without **Free Will & Informed Consent**.
- Stealing Power of Attorney via the Birth Certificate; is not Free Will & Informed Consent.
- The Guardianship: a pleasant name for **SLAVERY**.

Is your name on this List ? :

Complicit in facilitating the kidnap of children:

1. The private, foreign corporation that calls itself the **Australian Government**;
Conducting business on these lands **without defined Terms and Conditions**
because the People have unknowingly and without Free Will and Informed Consent;
been under Guardianship: Unum Sanctum 1302 and the Poor Laws 1535 until this day;
and had all decisions made for them.

1.1. Police Department.

- 1.1.1. Minister for Police: Papalia. Doesn't reply. Blocks emails.
- 1.1.2. Commissioner for Police: Col Blanch. Doesn't reply.
- 1.1.3. Various Officers in assorted events to fulfil the agenda.

- 1.2. **Minster for DCP : Winton.** Doesn't reply. 40 days later: still can't find space in the diary for meetings of accountability for this lawless process that **Crown: We The People of Superior Jurisdiction** pay for.
- 1.3. **Services Australia - Centrelink:** paying foster carers, without a substantiated paper trail of at least legal due process.
 - 1.3.1. Chief Executive Officer: **Rebecca Skinner**
 - 1.3.2. Secretary : **Ray Griggs**
- 1.4. **Department of Communities. Busselton.** A belligerent organisation in a country town. **That we pay for.** And professes to having a different 'belief' system than to follow Law: *Phoebe through a locked glass door.* And lied about the matter having come before the Magistrate. When it has not.
- 1.5. Court system: making judgements for families under hysterical conditions; based on fraudulent and unsubstantiated claims by Departments of Child Protection.
 - 1.5.1. When the children are taken **first**
 - 1.5.2. and the court hearing happens **second,**
 - 1.5.3. this is 100% proof of **SLAVERY**. Criminal code 270. 25 years jail.
 - 1.5.4. Surely the Court knows this is a violation of Law. But participates regardless.
 - 1.5.5. **Crown: We The People of Superior Jurisdiction pay for this trauma in our communities.**

3.9. New standards imminent.

4. Cost per day to the State: **\$2 880 000** per day.

4.1. Based on \$10k per hr/ public servant.

4.2. For further details, refer to: <https://executiveorders.life/press-release-record/entry/5567/?gvid=2748>

4.3. It is now **very** expensive to make unsubstantiated claims about parents and steal their property.

5. Every day; **Crown: We The People of Superior Jurisdiction**, are supposed to wake up into this dystopia of mindless, unanswerable, lawless insanity. As if our brains are the size of pea and as if we look at this mess of child trafficking and believe this is the best on offer.

6. **Busselton Department of Communities** positions the **Magistrate** at the **Bunbury Court**: April 14th, 2023; to uphold Law, or be complicit in kidnap and hostage. We have been here before. It didn't end well for South Australia's Cathy Taylor.

7. Watching and waiting for 3 little children to be returned to their Mumma and Pappa.
Maxim of Law: All Are Accountable for their Actions.
