7. This document is of significant length.
8. Please allow the Grace for the document to unfold.
9. Please take the time to read it carefully.
10. Please view the contents as an **opportunity** to upgrade to standards of:
11. **Rule of Law: All Are Equal before The Law.**
 - 11.1. This being the most fundamental standard in Law and Justice to protect
 - 11.1.1. **Crown: We The People of Superior Jurisdiction**
 - 11.1.2. from **treason, fraud and slavery.**
 - 11.2. Unfortunately, it is clearly evident that **Rule of Law: All Are Equal before The Law,**
 - 11.2.1. **and Lawful Due Process**
 - 11.2.2. are not utilised by this system, which defines a class based paradigm of the 'Private' and the 'Public'.
 - 11.2.3. The Private writes statute for the Public and the Public is expected to abide by it.
 - 11.2.4. This is in violation of Customary Lore.
 - 11.2.5. First in Time, Best in Lore of LAWS: Land Air Water Spirit.
 - 11.3. Thus we find our very valuable lives are embroiled in these standards of a legal and economic environment that is out of control, coupled with systemic harvesting of Humanity, at a prolific rate, via statute and legislation, and the various instruments this framework creates.
 - 11.4. We must address these matters **URGENTLY** and with full competence.
 - 11.5. Therefore this Notice serves foremost as a **CEASE and DESIST** from recent threats made upon us, Leith Masters and Denise Chadwick by:

- 11.5.1. John Body of Body Law. *(This name has been changed to protect ourselves from further attack)*
- 11.5.2. And Michaela McGurdy and John-Paul Colella of THE LEGAL PRACTICE BOARD OF WESTERN AUSTRALIA
- 11.5.3. We have no intention of entering into controversy on this matter.
- 11.5.4. A man: James Dargin, made a simple request to have his word documented.
- 11.5.5. That request was fulfilled.
- 11.5.6. It was with a desire on the behalf of James; to see a close with an equitable outcome from 6 years of litigation regarding a lifetime injury.
- 11.5.7. No results for remedy were forthcoming.
- 11.6. This is also an overarching **Estoppel**, based on the many cases brought to light in this document, and the carnage created by this privately owned commercial enterprise, that calls itself Law. But is in fact legalese.
- 11.7. We have been communicating with your organisations, which if paid on the Public Purse, are our organisations; for the past 3 years.
- 11.8. We continue to be nice, knowing that so many have been fed a lie about what Law is.
- 11.9. Indeed: what the entire **fictional paradigm of scarcity** is.
- 11.10. Despite living on a hugely abundant planet.
- 11.11. To deny the abundance, is to deny the intelligence of Mother Earth, and her ability to maintain her own health, and the use of Humanity as Custodian, a critical element of her health.
- 11.12. Thus, as we suffer in a 'paradigm of poverty', so too does she.

11.13. **Rule of Law: All Are Equal Before The Law:** has the effect of reigniting the flow of life, in harmony with Nature, and not at the desires of corporate and commercial profits.

12. We address; **The BAR: The British Accredited Registry:** and acknowledge it is a privately owned, **class based** system of legalese of the 'Private' and 'Public'.

12.1. It uses an ALL CAPITALS font called GLOSSA, as it's private language,

12.2. to which it assigns Statute and Legislation.

12.3. Based on presumptions that **Crown: We The People of Superior Jurisdiction** are participating in the Private commercial agenda.

12.4. That agenda uses instruments such as permits, registrations, licenses, penalties and benefits, to rearrange jurisdiction; removing the Sovereign Jurisdiction, without transparency and then alleging individuals are the 'Public' subjected to Statute and Legislation, whilst Law lays sleeping.

12.5. This system has failed to adequately define itself in the marketplace and is therefore positioned to be deemed **Null and Void** by it's own hand.

12.6. We observe, at times the BAR is written as Bar, as a way to distract from the fact that it is an acronym.

12.6.1. Therefore, it should never be written as Bar.

12.6.2. And should regularly define what the acronym is; BAR.

12.6.3. The British Accredited Registry.

12.6.4. Thus it is a foreign owned Register. Recording credits and debits.

12.6.5. The **Creditor Ledger** as it pertains to the Humanity as the **Creditor**, is missing.

12.7. The language of the use of the word 'Public' appears in all CAPITAL letters and is a Privately owned framework and system of Commerce. Example:

12.7.1. John Fletcher : in lower case = the living man

12.7.2. John FLETCHER: in upper case = the commercial enterprise.

12.7.3. Each plays an important role.

12.7.4. John FLETCHER is the tool in commerce.

12.7.5. This tool is for the management of resources within the privately owned Trust of Unum Sanctum 1302.

12.7.6. There are essentially two possible relationships determining the management of resources.

12.7.7. With two parties in each relationship.

12.7.8. The generally prevailing relationship consists of:

12.7.8.1. the **chattel slave**, managed by the **Board of the Guardianship**.

12.7.8.2. **Or:**

12.7.8.3. When the **chattel slave** realises this position,

12.7.8.3.1. the innate desire is to take the position of the

12.7.8.3.2. **Executor and Beneficiary,**

12.7.8.3.3. thus repositioning the **Board of the Guardians**

12.7.8.3.4. to be the **Trustee**.

12.7.8.4. The Trustee is expected to be competent and follow the instructions of a competent Executor, so that the Beneficiary may benefit from Use of Inherent Right to Resources.

12.7.8.5. Unfortunately this relationship is consistently ignored by incompetent Trustees wanting to retain the power of the Guardianship.

12.7.8.6. Such conduct now has high penalties attached to it.

- 12.7.8.7. Starting at \$5000, then \$66 000, then \$333 000, and finally \$666 000 and dismissal, by **Crown: We The People of Superior Jurisdiction.**
- 12.7.8.8. Public liability insurance polices need to be utilised for Public Servants who violate the Executor and Beneficiary; thus rendering them to be a perpetual slave.
- 12.7.8.9. These times are finished, and such action is strictly forbidden.
- 12.7.8.10. Thus there is much work to do, as the current landscape is a 'mess'.
- 12.7.8.11. **Crown: We The People of Superior Jurisdiction** are the Creditor and authorise all payments.
- 12.7.8.12. Thus, please observe matters for remedy as this paper unfolds.
- 12.8. The structure of this system has not been adequately disclosed to the People.
- 12.9. Transparency and the failure of, is a violation of the **8 essentials of a valid contract.**
- 12.10. And therefore renders the instruments of this system **Null and Void**, unless
- 12.11. **Crown: We The People of Superior Jurisdiction**
- 12.12. choose to make use of said instruments for given reasons.
- 12.13. Eg, access to Inherent Right to Resources. Currently held within the Trust, within this Privately owned system.
- 12.14. Because this is a class based system, the relationship of Executor and Trustee is currently unpredictable, and often violent.

13. This system is in violation of the Magna Carta 1215.

14. Firstly, let us clarify;

14.1. you are a Private Club,

14.2. operating in legalese - a private language and calling it Law.

14.3. It is not Law.

14.4. It is a class based system. Therefore slavery.

14.5. You will find 'some' of the history of that slave system in this paper.

14.6. Most would have no clue about the history of this system.

14.7. Such history is kept well hidden to maintain the class based system.

14.8. Wearing black magic robes and 16th Century wigs is no longer accepted, and serves to identify a private legal enterprise.

14.9. Wigs and robes merely define individuals as -

14.9.1. in full accountability as per

14.9.2. **Maxim of Law: All Are Accountable For Their Actions.**

14.9.3. inside organisations that have willingly privatised Law.

14.9.4. **Maxim of Law: Law cannot be privatised.**

14.9.5. That is slavery.

14.9.6. One cannot quote Rule of Law, and fail to quote the Rule of Law they are adhering to. And yet, this is what exists.

Wigs and Black Robes are a private 'club'.

What Rule ????????

15. We have had a violent encounter with one of your members from the Private Members Association (PMA) that you operate through.

15.1. We clearly quote: **Rule of Law: All Are Equal Before Before The Law.**

15.2. In your private **class based** system, it is not possible to quote such a Maxim, as recorded by the Magna Carta 1215.

15.3. Because you are a class based system, not a system of **All Are Equal Before The Law**, this enterprise is now in an audit.

15.4. There are literally millions of individuals on these Lands known as Terra Australis, who are 100% clear, we exist under Belligerent Occupation.

25. Under no circumstances will we be subjected to such standards within the private BAR Guild, legal system, as has been threatened by John Body, Michaela McGurdy and John-Paul Colella.

26. This is **both** a complaint and a call for clarity and accountability.

26.1. To be concise:

26.1.1. John Body of Body Law has made a claim, that has then been followed up on

26.1.2. by Michaela McGurdy and John-Paul Colella of LEGAL PRACTICE BOARD OF WESTERN AUSTRALIA

26.1.3. We are unimpressed by the unsubstantiated claim.

26.1.4. And we are unimpressed in the belligerent manner in which it is now being exacerbated by Michaela McGurdy and John-Paul Colella

26.1.5. Allegedly as the 'Board', despite their names not appearing as part of a Board.

26.1.6. Particularly since it includes a threat of jail.

26.1.7. Such threats are strictly forbidden by the Sovereign.

26.1.8. A written revocation is now required of said threat. Refer to the end of the document.

26.1.9. By the logic of Law, this matter will be put to rest.

26.1.10. A simple document was written by request of James Dargin, the day before a mediation.

26.1.11. To record his word of what he thought his injury; of child sex slave within the confines of an orphanage, was worth in terms of compensation.

26.1.12. Due to this recording; John Body then abandoned the case and has initiated this matter of complaint.

26.1.13. Thus the actions of John Body appear to be of creating layers of chaos with no remedy.

26.1.14. Firstly no outcome for James Dargin.

26.1.15. Now a new matter for ourselves.

26.1.16. This is viewed very seriously.

26.1.17. As per an email received from Michaela McGurdy and John-Paul Colella, the claim is as follows:

26.1.18.

The **Legal Practice Board (Board)** have received a complaint about the People Alliance for Rule of Lore/Law. We have received correspondence attributed to both Leith Masters and Denise Chadwick.

2. *Relevantly, the Legal Profession Uniform Law (WA) prohibits entities from:*
 - a. *engaging in legal practice when not entitled; or*
 - b. *representing an entitlement to engage in legal practice when not entitled.*
3. *Please note that it is irrelevant if you, or your organisation, informs people that you are not a lawyer and or law practice, what is important is whether or not you engage in legal practice, or represent an entitlement to do so.*
4. *This is a serious **criminal matter that carries a maximum term of imprisonment of 2 years.** This penalty is reflective of such offending materially prejudicing the administration of justice.*
5. *Having said that, in the first instance, **the Board** prefers that affected entities communicate in writing that they understand the law and will not continue to engage in similar conduct. Should this happen then it is more likely that the Board's **Professional Affairs Committee** will resolve, in the first instance, to not take the matter further.*
6. *As such, at a time convenient to you, but before 4 July 2024, I would like to talk to you over the phone to go through this matter and answer your questions. As such, could you please advise a suitable time to call and your contact number?*

27. Under no circumstances are we

27.1. *'representing an entitlement to engage in legal practice when not entitled.'*

27.2. Legal is an inferior jurisdiction.

27.3. We operate in a Superior Jurisdiction to 'legal': a subset of Law, due to removing the most fundamental elements of Law: that being free will and informed consent.

27.4. We operate in **Rule of Law: All Are Equal Before The Law.**

27.5. **And follow Maxim of Law and measure all actions by Maxim of Law.**

27.6. Therefore we will not be entertaining your claims, and threats, and labels of **criminal matter that carries a maximum term of imprisonment of 2 years.**

27.7. You are called to immediate attention to explain such claims of threat and violence in our community by your private system of legalese.

27.8. We require explanation of the 'Boards' participation in these matters and the manner in which the claim for prosecution was delivered to us via a phone call.

27.9. Is the Board aware of this process and is it endorsing it?

28. We provide further clarity on the distinctions between Law and Legal.

29. We are communicating with:

30. The Law Council of Australia

31. Jurisdiction: Inferior Jurisdiction

31.1. A class based system of 'Private' and 'Public' of **legalese** referring to itself as Law.

31.2. Achieving this position by removal of free will and informed consent without the knowledge of those it affects.

- 31.3. The private BAR Guild is the: British Accredited Registry, established in 1541, to architect the Poor Laws of Henry VIII, to construct a class based system of the 'Private' and the 'Public'.
- 31.4. To monetise all energy fields for the profit of the few, at the expense of the many.
- 31.5. A direct violation of the Magna Carta of 1215: clearly recording:
- 31.6. **Maxim of Law: All Are Equal Before The Law.**
- 31.6.1. King John did agree at the time; there was only one set of Laws for all.
- 31.6.2. And yet here we are in a class based system.
- 31.7. Developments of the Magna Carta 1297, triggered the following event.
- 31.8. 1302: The Privately owned, corporate construct called the Vatican, and via Pope Boniface; put all of Humanity and all of the Resources of Planet Earth into a privately owned Trust called Unum Sanctum 1302.
- 31.9. This is where Humanity has been for the past 722 years.
- 31.10. Inside a system of Guardianship.
- 31.11. A pleasant name for slavery.
- 31.12. Whereby individuals cannot be seen nor heard because they are under Guardianship.
- 31.13. It is a very clever tool and has been very successful at oppression and dispossession; for centuries now.
- 31.14. But its time has come to an end.
- 31.15. This private system of legalese deems itself not answerable.
- 31.16. And dictates this repeatedly in its communications.
- 31.17. Hence, many serious matters go unattended.
- 31.18. It represents an extreme form of violence, and gross disrespect to Law to violate Maxim of Law: All Are Equal Before The Law.

31.19. Certainly as we attempt to communicate across many matters, about very serious issues, the BAR refuses to reply, other than to say *'we will not be replying again'*.

31.20. And it disappears.

31.21. Leaving many matters in horrific circumstances.

32. Further examples to the James Dargin case include:

32.1. First Nation mother goes into Darwin Hospital.

32.1.1. Comes out missing an organ and is now a paraplegic.

32.1.2. Request for the signed consent form for organ removal, beginning 4.4.2024 goes unattended. Currently, that has not been sighted.

32.1.3. All communication with Klarin Sivyer, Legal Practitioner for Darwin Hospital is ignored by Klarin despite a healthy opening conversation.

32.1.4. Ben Wild: NT Attorney General - his address was included in emails from Klarin.

32.1.4.1. No photo is published of Ben Wild. Does he exist?

32.1.5. and Alison Phyllis shuts down completely after being engaged by myself to the matter. Thus ignoring the Voice of the Sovereign.

32.2. Serious matters of housing to accommodate a wheelchair, are left unattended.

32.3. The family's wishes are completely ignored.

32.4. The family is left disorientated, distraught.

32.5. The Sovereign Voice of First Nation has been blatantly, and repeatedly ignored.

32.6. Requests to fly to Adelaide were ignored.

32.7. After 8 months away from her boys and parents, in a rehab unit in South Australis, the patient is returned to Alice Springs. No wheelchair is provided.

32.8. How will this family in a remote community navigate this matter when the legal teams do not even speak to myself, the individual assigned by the Sovereign to navigate this matter on their behalf.

32.9. These are delusional standards of conduct on our Land.

32.10. And full accountability is in order.

32.11. In the words of Elder Otto Sims:

32.11.1. 'It's not society. Society is about embracing everyone, taking care of everyone. The Great Lore People, the Shamans and Wisdom Keepers, they kept a balance for everyone'. At least we can see what we are dealing with.' **Marntayalkunu : Warlpiri Tribal Elder.**

32.12. In other matters:

32.13. Children disappear through the family court. At a horrific rate.

32.14. No one deems themselves accountable.

32.14.1. Magistrate Hodder. Ignored outcomes of Common Law Court.

32.14.2. 5 year old Kyan Grant had already been 'disappeared' for 10 months. Hodder ejected the mother out of a court room within minutes of the hearing beginning and then assigns a 13 year Care Order to Kyan. Essentially separating mother and child for the entire childhood.

32.14.3. These are delusional standards of authority.

32.14.4. Responsible : CEO Child Protection: Jackie Bray. Minister: Katrine Hilyard.

32.14.5. Matters such as these were assessed by the Sovereign Peoples Assembly
Common Law Court

32.14.6.1.kidnap and hostage,

32.14.6.2.Torture

32.14.6.3.Child trafficking and

32.14.6.4.Misappropriation of funds for all the Public Servants who are paid to administer such child trafficking.

32.15.Magistrate Horrigan. - upholds 3 children being taken from First Nation mother and father, whilst leaving the First Nation family in dishevelled State housing on their own land.

32.15.1.Minister Sabine Winton. Ignore outcomes of a Common Law Court.

32.15.2.Magistrate Horrigan eventually returned 2 of the children due to ongoing pressure from Crown Executive Orders and Sovereign Peoples Assembly Common Law Sheriffs.

32.15.3.But retains the baby.

32.16.Folks in court are silenced by the Magistrate and repeatedly returned to jail cells, only to eventually reveal there is no evidence and no claimant. Magistrate Andretich WA.

32.16.1.No compensation is available for such actions.

32.16.2.8 months in jail for nothing.

32.16.3.This individual happens to be the father in the above matter.

32.16.4.So whilst his 3 children are missing, he is in jail for nothing.

32.16.5.These are extreme examples of **Crimes Against Humanity**, but more evidently, a complete failure of Lawful Due Process, which if engaged, would prevent these matters from happening; as rogue Judiciary would not be permitted to function in this manner.

32.16.6. Unfortunately these matters unfold all day every day.

32.16.7. It is a disgusting standard of management of Humanity.

32.17. By use of Police; a mother and 14 year old daughter (TK) are corralled into a position with the help of DCP, the daughter is then 'disappeared'.

32.17.1. No contact is available for 17 days for this 14 year old girl who is suddenly snatched by the 'Government'.

32.17.2. No one knows where she is or if she is safe.

32.17.3. We eventually retrieve her 36 days later.

32.17.4. She was taken with no personal artefacts.

32.17.5. No clothes, no photos.

32.17.6. Her phone was removed from her.

32.17.7. These are terrifying and harrowing circumstances to say the least.

32.17.8. All paid for by **Crown: We The People of Superior Jurisdiction**, and the monetisation of the Birth Certificate.

32.17.9. TK is one of the lucky ones to be returned.

32.17.10. Others are never seen again.

32.17.11. Responsible: Cathy Taylor - then CEO of Child 'Protection'; where 60 children in State care died during her tenure.

32.17.11.1. This is an astounding statistic of gross incompetence.

32.17.11.2. State care is obviously a very dangerous place for children.

32.17.11.3. If the 'scarcity paradigm' was not driving drama and crisis, these children would possibly be enjoying their life with their biological parents.

32.17.12. Taylor was dismissed by the Premier: Peter Malinauskas. But pops up a year later in Queensland, with a blessing from the same Premier.

32.17.13. Compensation is not forthcoming.

32.17.13.1.South Australia Financial Authority - they all disappear.

32.17.13.2.High Courts blocks hearing it.

32.17.13.3.It's a closed circuit in the 'circuit court'.

32.18.In a matter with myself and Centrelink, in which I issued instructions from the Executor and Beneficiary jurisdiction regarding access to my Trust account, it was necessary to embark on a Tribunal process with the AAT: Administrative Appeals Tribunal, as no one is trained or equipped to communicate with the Executor.

32.18.1.Some 15 months and 5 hearings later, Barrister Huntly moved against my Voice as Executor and upheld the legislation of the private corporation that calls itself the Australian Government.

32.18.2.This is gross incompetence in Trust Law.

32.18.3.I observed on the door into the hearing room at 111 St George's Terrace, Perth 6000, that my matter was listed as 'Public". Despite all my paperwork and writings defining my jurisdiction to be in the private, in the role of **Executor and Beneficiary.**

32.18.4.Thus Barrister Huntly defined himself as an incompetent Trustee, failing to listen to the Executor.

32.18.5.This is blatant slave and slave master conduct.

32.19.Houses are repossessed via failure of Lawful Due Process whereby the bank is simply facilitated by the Judge to not be accountable for the health of the Trust, and simply repossesses the property. And example of this is in the Supreme Court of Western Australia, although this process happens all over Australia.

32.19.1.Master Sanderson took only minutes to foreclose on a house that has been in the family for 40 years.

32.19.2.He was accompanied by Registrar Nelson who decided what documents one can file, or not.

32.19.3.Vast numbers of houses disappear by toxic mortgage documents.

32.19.4.Judges can never work out the flaws in these documents, although it is fair to say, such documents have a tiny Clause in it to remove Power of Attorney and give it to the bank.

32.19.4.1.This fails transparency in the **8 essentials of a valid contract**.

32.19.4.2.And therefore renders such instruments to be **Null and Void**.

32.19.5.This brings fraud upon the Supreme Courts of Banking.

32.19.6.They are not courts of Law. They are courts of banking.

32.20.The Supreme Court fails its obligations with Landgate of Lawful Due Process when assigning Sale and Seizure Orders on property.

32.21.Public servants are perpetually failing to show ID. We pay them.

32.22.Corporate Sheriffs are in the landscape with no ID, stealing houses.

32.22.1.Raiding houses and contents: ignoring Lawful Due Process.

32.22.2.Eg: Unit 12/9 O'Conner Close, North Coogee, W.A. [6163]

32.22.3.PER/CIV/1874/2021

32.22.4.7 tiers of individuals are involved to steal a house.

32.22.5.Locksmiths attend, with no ID, and change locks for the unidentified corporate Sheriffs.

32.24.8.Others find themselves in a soulless city, disenfranchised and disorientated.

32.24.9.No need to wonder where the image of a First Nation individual asleep on bench comes from. Broken from the inside out.

32.25.Mining deals are written by Prescribed Body Corporates that fail to assign a % to First Nation.

32.25.1.Cross Country Native Title Services.

32.25.2.Signatures are used on documents without permission.

32.25.3.Deals go ahead.

32.25.4.Deals are not retrieved even when the Federal Court knows the signature was not authorised, it does not cancel the deal.

32.27. Monopoly business models are allowed to flourish across our essential resources.

32.39. There is no mystery for literally millions of us here on Terra Australis as to why the world is a mess.

32.40. It is because we do not have **Lawful Due Process** in action.

32.41. We have a privately owned, class based system of legalese, calling itself Law.

32.42. It lives in a fabricated 'scarcity model', driving perpetual agony for most.

32.43. It also has a language about Law that engages the following tools to ensure distraction, diversion and no accountability:

32.43.1. Law: 'that's your opinion'.

32.43.2. Law: 'that's your belief'.

32.43.3. Law: 'We are going around in circles.'

32.43.4. Law: 'We are terminating the call.'

32.43.7. Despite **Maxim of Law** being incredibly logical, so that things do get done.

32.43.8. Maxim of Law. The ultimate measuring tool of Lawful action, or not, is missing in your paradigm of alleged 'Law'.

32.44. Fortunately **Maxim of Law** is not wishy washy, nor is it an opinion, nor a belief.

32.45. It is incredibly simple and logical.

32.46. It is long recognised as the energetic Laws of accountability.

32.47. In the current system: Humanity is treated as chattel slave via, the Birth Certificate, as evidenced on the UCC filings.

32.48. This is a tired and violent system that millions of us see through.

39.6. making threats to our **safety**, as per the email.

39.7. The call lasted 7 minutes.

40. The phone call may be assessed as:

40.1. violent

40.2. belligerent

40.3. ignorant

40.4. and arrogant.

40.5. We create a space for John-Paul Colella as to why he may have responded in this way.

40.5.1. For we recognise that most trauma rests with those who believe they have been trained in Law, only to find it is a privately owned version of Law, called legalese, and a system of Guardianship.

40.6. We were talked 'at', by John-Paul Colella. Before he terminated the call.

40.7. Michaela McGurdy said nothing. An unacceptable standard.

40.9. How this phone call constitutes a 'Board decision ', is unrecognisable.

40.10. Myself and Denise Chadwick were unable to finish a sentence due to the conduct of John-Paul Colella.

40.11. John-Paul Colella did not know Denise's name and said 'who is with you, Debra?'

40.12. These are standards of disrespect to an Elder in community.

40.13. When asked; he disclosed that he has never heard of '**Maxim of Law**'.

40.14. How a Legal Board can call itself 'Law', when it has not heard of Maxim of Law, the very measuring standards that ensure Law is adhered to, defies logic.

40.15. How John-Paul Colella could be listed as an investigator of Law, when he has 'never heard of the Maxims of Law', creates great concern.

40.16. We are aware the average Public Servant is highly dumbed down to ensure this system continues to run.

40.16.1. When asked 'do you know what the Magna Carta 1215 is?', they do not know.

40.16.2. When asked 'do you know what the Nuremberg Code 1947 is?', they do not know.

40.16.3. When asked 'do you know what Maxim of Law is?', they do not know.

40.16.4. When asked 'do you know we have a Constitution?', they do not know.

40.16.5. Not to say that the Constitution 1901 is a great document, but regardless, it has been missing from the school environment now since 1975.

40.16.6. That is 49 years of no working dialogue of Law into the minds of children. Thus positioning Humanity to be easy pickings for crime and corruption, as evidenced in the recent, privately owned business model of the genocide agenda of the Covid roll out, in which it was revealed Community had no working knowledge of Law to

protect itself from the corporate command that blatantly violated the Nuremberg Code 1947 and the Magna Carta 1215.

40.16.7.Thanks to the deal done between Forrest and Hunt, Community actually financed that whole agenda, despite no discussion with Community regarding such a transaction and the consequential rolling out of the 'lock down' agenda.

41. The 'Sovereign' is a jurisdiction violated by a smear campaign that it is some kind of 'radical movement to be feared', when it is the most fundamental level of Law possible.

41.1. **Australian Constitution Section 128. The People are Sovereign.**

41.2. **Maxim of Law: All Are Equal Before The Law.**

42. Indeed, in the extensive work we do, particularly with First Nation, who, as you know have never ceded their Sovereignty to this privately owned legal system; nor has anyone else, we witness endless cases of extreme violence against Humanity by this privately owned legal system that has built a framework around the People by referring to them as the 'Public'; without transparency of the great repercussions of what that actually means.

43. And has positioned us to be the **debtor/customer**. Which we are not.

44. We are not the debtor/customer. We are the **Custodian/Creditor**.

44.1. Corporations like monopoly **Synergy**, and the **Water Corporation** blatantly operate business models in violation to the Creditors Ledger, also known as the Bills of Exchange.

44.2. They maintain this violation by extreme acts of ignorance, belligerence and violence having no problem disconnecting People, even though they cannot explain how they got our resources and are selling them back to us.

44.3. Nor how they are free to ignore the Bills of Exchange.

44.4. Engaging blackmail, duress, and extortion are common traits in the Synergy organisation.

44.5. At no time in a 2 year audit did any departments feel the need to discuss the Creditor position with the Creditor despite an extensive paper trail of communications and many recorded conversations.

44.6. This business model is a **treason, fraud and slavery**.

44.6.1. **Treason** - moves against the wellbeing of the People.

44.6.2. **Fraud** - alleges we owe money for our own resources.

44.6.3. **Slavery** - runs a business model that ensures People need to work, to generate funds, to pay for resources that we have inherent right to and have financed the infrastructure of delivery via the monetisation of the Birth Certificate.

44.6.4. Thus all infrastructure is a Community based asset.

44.6.5. But the State Government alleges to own the infrastructure.

44.6.6. This creates an illusion of Power and Authority by our Public Servant sector.

45. **The Custodian/Creditor** role is 180 degrees from the statutory and legislative framework that has been written, and built up around Humanity; to position us to pay to live on our own planet.

46. Hence the level of perpetual hardship and unrest with Humanity.

47. Another example is: **City of Perth** actually puts in writing that it runs a class based system:

47.1. **Offence: 2.3(1)(b) Stopped a different class of persons.**

47.2. Whereby We, the Sovereign, pay for Public Servants: Parliamentarians to park for free on our land, and attend Parliament where they write Statute and Legislation to position us as the debtor/customer.

47.3. When asked to provide proof of Provenance, that is a relationship with First Nation to have access to use the Lands as the 'City of Perth', it has no paperwork.

47.4. The best it could quote is the Local Government Act 1994.

47.5. These are not Law based standards.

47.6. They are standards based in Belligerent Occupation.

48. We are not the 'Public'. We are not the 'Person'. These are tools in commerce.

49. We are the People. We are the **Meek Shall Who Inherit The Earth. Matthew 5:5.**

50. As We are scholars in Lore of LAWS; and can speak extensively on this architecture that is 722 years old since the Vatican claimed us as 'property', and put us under Guardianship, we share some critical 'legal fiction' instruments that incarcerate Humanity.

50.1. **Unum Sanctum 1302 - the Master Trust** : into which we were all put by Pope Boniface.

50.2. **Vatican Papal Bull: Doctrine of Discovery** 4 May 1493 - 30 March 2023.

50.2.1. 530 years of a 'license' to pillage the Lands of Mother Earth

50.3. 1455 - **Romanus Pontifex** - born into the Cestui Que Vie trust.

50.3.1. Deprived of inherent right to resources. A chattel slave.

50.4. 1481 **Aeterni Regis - the Eternal Crown**. The Sovereign is the eternal Crown. If this corporate administration system that likes to call itself the Crown wants to have a role in the future, it has a long way to correct its broken processes.

50.5. **1481 - Parens Patriae - the State is the Parent**. We are perpetual children called before the Patriarchal parent: Magistrates and Judges. These figures are not Common Law. But are part of the fictional Board of the Guardians.

50.6. **1535: Implementation of the Poor Laws** - a class based system.

50.6.1. The poor are considered the property of the Catholic Church.

50.7. **1588 Erection of Cottages Act** - the privatisation of Land, creating the landless pauper.

50.8. **1723 - the Workhouse Test Act** - the origins of modern day Centrelink. Perpetual monitoring to work for food and shelter in exchange for a stipend.

50.9. **1801 - Inclosure Consolidation Act** - more privatisation of Land.

50.10. **1872 - Public Health Act** - management of 'sanity', that has developed into a terrifying industry whereby free will is removed with a simple tick on a document and forced incarceration and big Pharma drug use is injected.

50.11. **1836 Births Deaths and Marriages Act** - General Register .

50.12.1 **July 1837 - the Birth Certificate** to replace the Settlement Certificate.

50.13. **October 1945** - Australia joins the United Nations with no referendum. We become part of a global compact of global government with no consultation with the People.

50.13.1. Thus facilitating **International Law**, whereby business models like the World Health Organisation can impose business plans like that of covid19. Even though a virus cannot exist in the capacity in which it was reported. And even though the creator of the PCR test said it was never designed for such use. He died shortly after.

51. Obviously there are vast quantities of knowledge throughout history to document how this system has come about.

52. The average individual has no access to such knowledge. No training. And has been fed a toxic framework of the debtor/customer in a public school system.

53. Commonly referred to as 'the wage slave'.

54. Due to the violent threats and claim made about us, alleging that Law can be privatised and how dare we function in Law: we now hold the Law Council of Australia in an audit position.

54.1. Maxim of Law: Law **must be freely available** to all. Or it is not Law.

54.4. Maxim of Law: Law **cannot be privatised**. Or it is not Law.

54.5. Maxim of Law: **No One is above the Law**. Or it is not Law.

54.6. Maxim of Law: **without remedy there is no Law**.

55. None of these criteria are met in the private legalese system of the Private BAR Guild, nor in the email sent to us 28.6.2024. To which a considerable and amicable reply was sent within hours. That was all ignored in the phone call on the 18.7.2024.

56. As if our view was irrelevant and we had been brought before the 'Board' for reprimand and sentencing. There was nothing refined or professional about this alleged process.

57. Under no circumstances are these acceptable standards from inferior jurisdiction to Superior Jurisdiction.

58. The primary point of this communication is to instruct you to **immediately** draw a

59. CEASE and DESIST action to the violence perpetrated against us firstly by the threats of John Body of Body Law, in which he alleges we pretend to be legal practitioners of inferior jurisdiction. And secondly by follow up by Michaela McGurdy and John-Paul Colella.

60. Of which no desire exists to occupy such a role.

61. We work in Lore of LAWS. Beholden to free will and informed consent.

62. At no time did I/we ever allege to be private BAR Guild practitioners.

63. Nor to be 'representing' James Dargin.

64. In fact the exact opposite was clarified.

65. After John Body terminated the contract, James stated on the record, that he was more than prepared to self represent, having become disillusioned by the legal system that had just consumed 6 years of his life, to deliver NIL result.

66. John-Paul Colella threatened *'we are prosecuting you. Get yourself a lawyer'*.

67. Clearly indicating he is unclear about jurisdictions or competence in Law.

68. Is John-Paul Colella a Board member?

68.1. Is this a Board decision?

68.2. Because the Members of the Board are liable for this.

68.3. In their personal capacity.

68.4. Corporate Immunity is a myth and does not exist in Law.

68.5. Maxim of Law: All Are Accountable For Their Actions.

69. Additionally, he accused myself of deeming myself to be 'above the Law'.

69.1. When in fact it is yourselves who deem yourselves above the Law, constructing a class based system of the 'Private' and the 'Public' over many centuries, in violation of

69.2. **Maxim of Law: All are equal Before The Law,**

69.3. **and the Magna Carta 1215.**

69.4. The BAR actively promotes a Private dialogue and Public dialogue.

69.5. We actively move against such as notion, recognising it as slavery.

70. We should return to the beginning of this matter, by addressing critical questions for John Body:
such as:

70.1. Why did litigation take 6 years?

70.2. Why were Registers from the Sisters of Mercy not called forth?

70.3. Why was the compensation capped at \$150 000?

70.4. Was it a pre-determined deal?

70.5. Were the other parties, such as Crown Solicitors Office Queensland, being remunerated for 6 years whilst producing no results?

70.6. As these parties are Public Servants, it would appear yes.

70.7. Thus, they were paid from the Public Purse, whilst failing to produce any results of remedy and accountability.

70.8. Why was a written statement from James regarding what he deemed to be a suitable amount never acquired?

70.9. Hence why he asked myself to document his word in preparation for the mediation the next day.

70.10. Where does this leave James today ? With an invoice from John Body and no outcome.

71. We can see what is happening here is a 'diversion and distraction' from the real matter, of a failed outcome for James Dargin. And a desire to blame someone else for that.

72. All parties of both Boards are in 100% personal liability and accountability for the current level of violence threatened against our safety.

73. Maxim of Law: All are accountable for their actions.

73.1. Corporate Immunity is a myth and does not exist in Law.

73.6. September 1 2013, Just one of the many markers of the termination of this Guardianship as we change Ages. : *since the people have not been properly advised the "true beneficiary" of their own trust. Judges, attorneys, bankers, lawmakers, law enforcement and all public officials (servants) are now held personally liable for their confiscation of*

true beneficiary's children, homes, cars, money and assets; false imprisonment, deception, harassment, and conversion of the true beneficiary's trust funds.

74. John-Paul Colella was concerned about protecting the 'Public'.

75. The People are not your 'Public'.

76. We are not your debtor and customer.

77. We are the Custodian and the Creditor.

78. And therefore, we are in Superior Jurisdiction to your privately owned legal system.

79. If Body Law wants to take this matter further,

79.1. it will come before a Common Law Court,

79.2. he will pay for his own litigation in a Common Law Court.

79.3. A Common Law Court is a Court of Superior Jurisdiction before a full Jury of 12 Peers, or a Grand Jury of 23 plus.

79.4. It will be televised live.

80. Under no circumstances will the 'Public' be financing this matter as the Public Servants Colella and McGurdy attempt to prosecute myself and Denise Chadwick in a lower jurisdiction court, with the real claimant absent.

81. We see this happen all the time with Police and the Director of Public Prosecutions where the real claimant is absent and a government department steps in as the Prosecutor to generate business for the privately owned courts, and **Crown: We The People of Superior Jurisdiction** finance the whole matter.

82. That is an absurdity in Law.

83. Maxim of Law: If the claimant is absent, there is no claim.

84. I remind you that you are all paid via this 'Public Purse' that you have set up for yourselves and can play around in all day messing with our lives, whilst we pay you.
