### 37TH TERRA AUSTRALIS GRAND JURY -

#### AGENDA

11.11 am AWST 20.8.2024

---

#### 1. Order #1 The 'State' and Territories. Cities and Persons.

1.1. We see clearly that we are under the enslavement of the 'State'.

1.2. The State is a privately owned, corporate framework.

1.3. It is a globalist framework and feeds back into the Securities and Exchange Commission, (SEC) where every aspect of our lives is monetised.

1.4. The SEC is a part of the District of Columbia. The centralised hub of the system of commerce and military, along with the Vatican - Spiritual incarceration, and the City of London - financial incarceration. All independent jurisdictions, and ruling hands, to

those occupied by the greater populations, who are ruled over by these centralised hubs. Classically referred to as 'Rome'.

1.5. Within the 'State' is 'Offices',

1.6. For example, the 'Office' of 'R'.

1.7. That being the 'Office of Rex'.

1.8. Within the Office of Rex is the 'Person' called a King or a Queen, or a President or a Prime Minister, or the Privy Council, or a Minister for the Environment, the Minister for Mining etc.

1.9. A 'Person' is not a living Being.

1.10. A 'Person' is a fictional corporation that exists in perpetuity.

1.11. Meaning the

1.11.1. State

1.11.2. Office

1.11.3. City

1.11.4. Person

1.11.5. And will continue to exist regardless of what Sentient Being occupies the Office and the Person.

1.12.The word ‘Person’ is a deliberate spell. A brainwash to tangle Humanity in confusion and to usurp jurisdiction by the misuse and multilayering of definitions of this word.

1.12.1.A: Eg, we might say ‘that person crossed the road’.

Referring to a living Being.

1.12.2.B: That is different to saying the Person who is the Minister for Mining.

1.12.3.They may be defined by breath.

1.12.3.1. A: has breath.

1.12.3.2. B: does not.

1.13.People with breath may then fill that ‘Person’ within that ‘Office’, within the ‘State’.

1.14.We thus are trained to identify that a Living Being is in charge, such as the Queen.

1.15.This is not the case.

1.16.The Queen, or now, the King, is merely a figurehead for a dead, lifeless ‘Office’ that has an agenda to harvest Humanity for profit.

1.17.It is a machine. A **harvest** machine.

1.18.Parliament: 4 Harvest Tce, West Perth 6005.

1.19.It does this via perpetual war and misery, and by ensuring food and housing are maintained at toxic levels.

1.20.Humanity is governed by:

1.20.1. The State,

1.20.2.A City or Town, or Borough within the State

1.20.3.an Office within the State, City or Town or Borough

1.20.4.a Person within the Office.

1.20.5.And finally a living Being occupying the 'Person'.

1.20.6.This facilities one jurisdiction - whereby all entities are classified as corporations.

1.20.7.With Humanity appearing in the all capitals name as a corporation.

1.20.8.Dealing with individuals as corporations is the only way the State can address Humanity.

1.20.9.A State - the dead corporate entity, is an inferior jurisdiction and can only deal with the jurisdiction. This its need to turn all of Humanity into a corporation.

1.20.10. In this way trickery by failure of transparency is enacted upon Humanity.

1.21. Humanity is not governed by Sovereign Elders.

1.22. It is governed by an Office.

1.23. This is an image of People occupying Persons, occupying Offices, inside the State and alleging to have authority that is

wholly fictional because it is a privately owned legal system that exists by usurping **free will and informed consent**.

1.24. Therefore it can never be Law. Only slavery.

1.25. This image is a gross failing in representing a multi-cultural society.

1.26. It is 66% male. 33% female.

1.27. Despite traditional tribal systems being matriarchal.

1.28. It is 100% Caucasian. 0% any other nationality.

1.29. This type of misrepresentation of a multi cultural landscape is what breeds the race wars and development of 'white hatred', a landscape our youth are now confronting.

1.30. This is the logo of the corporate State, under the corporate Crown.

1.32. And are fed an illusion that we are allegedly free.

1.33. But we are actually just run by an Office with a perpetual motivation to deem us to be property that can be put to work for the entirety of our lives.

1.34. This system is a fraud upon the freedoms of Humanity and is replaced by these Grand Jury Orders, passed by a Sentient Jury of Living Beings, in alignment with Maxim of Law.

**1.35. What say you Jurors?**

**1.36. Unanimous Yes**

## 2. Order #2. How did we get here ?

**2.1. The Papal Bulls of enslavement .**

2.2. The following Papal Bulls enslave us into the State.

2.3. **1455:** Papal Bull; Romanus Pontifex. All land is claimed as Crown Land. First Cestui Que Vie (CQV) Trust. The Newborn is deprived of beneficial entitlements and rights on the Land.

### 2.4.1481: Papal Bull Aeterni Regis; Eternal Crown. 2nd CQV Trust.

The 2nd CQV Trust is created when a child is born. Sale of the birth certificate as a Bond to the private central bank of the nation, depriving the child of ownership of their own flesh and condemning them to perpetual debt servitude as a Roman 'person', or slave.

### 2.5.Papal Bull: Doctrine of Discovery 530 years. The pillaging of First Nation resources.

#### 2.5.1.In pursuit of the lost artefacts and technologies of Atlantis.

2.6.1537: Papal Bull Convocation. The 3rd CQV Trust created when a child is baptised/born being the grant of the Baptismal certificate by the parents to the church or Registrar being the gift of title of the soul. Hence, why the BAR Association is able to legally enforce Maritime law against men and women - because they can be treated as things, cargo that does not possess a soul.

2.7. We acknowledge the profound research of Ucadia in regard to the use of these Papal Bulls to enslave Humanity.

2.8. Recognise the layers of fraud.

2.9. All of this is orchestrated without **Free Will and Informed Consent.**

2.10. One is allegedly born into slavery.

2.11. But one cannot be born a slave.

2.12. One is conditioned to believe they are a slave.

2.13. The Sovereign Spirit cannot be enslaved.

**A: Law of the Land**

**B: Law of the Sea.  
Maritime 'Law'.**

88. It is fair to say that the grid of image B, has laid itself over the boundaries of image A, without

88.1. Treaty

88.2. blessing

88.3. permission

88.4. or bill of sale.

89. Therefore, we must address this matter from the perspective of Belligerent Occupation, because we have a vast array of matters, where no matters are ever resolved.

90. We work across many different areas.

91. We witness many atrocities that do not need to happen, and would not happen if **Lawful Due Process** was followed, and the 'fictional scarcity paradigm' was eradicated; to one of abundance.

92. As the Creditor, we authorise all payments.

93. We do not authorise these standards in any way whatsoever.

**3.3. The framework of B has been laid over the top of A: the boundary lines provided by God.**

3.5. We can see what the Fallen Angels did.

3.6. They moved the boundary lines.

3.7. They scramble everything. And continue to do so.

3.8. We are charged with the responsibility of knowing the Light and returning to the God Creator Source Energy Field, of which we are each a fractal of, and putting matters back into Right Order.

3.9. That which is taken by plunder, **without Free Will and Informed Consent**, without fair exchange, is deemed **Null and Void**.

4.4. Who paid for them? Blue Circle

4.5. But, by use of the License - the Pink Circle, the State assigns itself the 'Authority' to manage the entire system and unleash extremes of violence upon Humanity whilst fulfilling this role.

4.6. Privately owned cars travelling on privately owned roads are free from the coercion of the 'privately owned Statute and Legislation of the privately owned State' - refer to Pink Circle.

4.7. That is indeed a Public Servant, as it is financed by the Public: a mechanism used to extract funding from the People.

4.8. Therefore Crown: We The People of Superior Jurisdiction, via this Order and others, past, present and future, determine the rules of the License for the private corporation that calls itself the Australian Government is flawed.

4.9. And may dismiss that provider at any time and install a new administration department at any time, or diversify options in the marketplace.

6.1. Companies such as [jenoptik.com.au](http://jenoptik.com.au) -

6.2. A company supplying the radars on the Police cars to scan license plates.

6.3. a German based company

6.4. are 100% liable and accountable for full transparency of Government contracts.

6.5. And for claims that their products save lives, versus their products enslave Humanity.

6.6. Such products are used to force, enforce and extort payment out of Humanity to be part of a Monopoly operation: the Department of Transport, that refuses to let you use the roads, unless you have paid its fees, for its products.

6.7. No other industry is free to block competition in the marketplace.

6.8. And nor is this industry.

6.9. Thus jenoptiik must be found to be complicit in facilitating this motivation of the 'Australian Government' to run a Monopoly.

7.2.1. Violence referring to: if you do not pay the consistent fees extorted from each individual, one may not travel on the 'Public Roads', despite it being the People who have always paid for the road system via the monetisation of the Birth Certificate.

7.3. If one does not show the plates owned by of the private corporation, but paid for by the 'Public'; to travel on the 'Public Roads', one will be stopped by the Police, a further Public Service, paid for by the Public purse, and stripped of a capacity to travel.

7.4. In their realm referred to as 'driving'.

7.5. This monopoly is a menace and should be broken down to ensure there are many players in the market place, ensuring a variety of Registry's and insurance options.

7.6. In this way, acts of violence by Police will not be incurred.

7.7. The onus is then moved to independent management of travel responsibilities by mature, responsible individuals on the road, and moves away from compliance via forced obligation.

11.5. And to refer to the Australian Government, not as the Authority, but as the Public Servant. Owned and paid for by the People.

11.6. News Corp has purposefully published misinformation to stir the debate about Law to an already highly dumbed down public.

11.7. The Constitution - a flawed document; has not been in schools for 49 years. Thus the 'Public' - also known as the 'general population' have been subjected to wilful intent to deceive for decades.
