- 1.7. It is a privately owned Legal system calling itself the Laws of this Country.
- 1.8. We do not accept slops.
- 1.9. It is privately owned.
- 1.10. It unfolds its alleged jurisdiction upon Humanity, by referring to Humanity as the 'Public'.
- 1.11. Humanity is the People. Humanity is not the 'Public'.
- 1.12. The 'Public' is a legal fiction construct for this Monopoly game to function.
- 1.13. It is the token on the Monopoly Board of commerce.
- 1.14. It is the Drivers License, the Passport, the Customer Reference Number. But it is not the People.
- 1.15. We see straight through it.
- 1.16. We have been written into a privately owned legal system that is the Board of the Guardians and maintains itself as a Monopoly over our resources, and over our lives.
- 1.17. It maintains that Monopoly by extreme standards of physical violence, extreme brainwashing, a gross failure of transparency, and deprivation of free will and informed consent.

- 3.4. Australia is a legal fiction Monopoly Board Game that sits over the top of Terra Australis, a private system of commerce, on our planet and refers to the People as the 'Public', hence it can allegedly escape seeking free will and informed consent for anything it does. As by trickery it is not referring to the People, but to the 'Public'. A token on a Monopoly Board.
- 3.5. One particularly disturbing Department of the privately owned legal system/Monopoly Game, that likes to call itself the 'Law of these Lands', but is not; is the Director of Public Prosecutions (DPP); whereby a 'Department' plays the role of the Prosecutor.
- 3.6. The real claimant, if there is one, is missing
- 3.7. The evidence is missing or construed.
- 3.8. Essentially it is the State prosecuting the People.
- 3.9. The State has no capacity to prosecute the People.
- 3.10. That would be Treason, Fraud and Slavery.
- 3.11. The State is at best, a Public Servant.
- 3.12. A Department does not have the capacity to put People in jail.
- 3.13. Only a full Jury can do that.

3.14. People and Departments are two completely different jurisdictions.

3.15. The Living: The People. The Custodians.

3.16. And the Dead: The corporations. Fictional constructs.

3.17. The living and the dead cannot do business.

3.18. Therefore in the fictional, offshore, privately owned corporation that calls itself the Australian Government, it has created a fictional version of the People, called the 'Public'.

3.19. So it can do business with the People.

3.20. In this way it harvests the People by perpetuating a fraud based language of who is who and what is what.

3.20.1. Parliament House: 4 **Harvest** Tce West Perth, 6005.

3.21. The Creators and successors of the Monopoly Board Game, **NEVER** disclose this fiction. That the Public is a legal fiction and the People are not the Public.

3.22. It perpetuates the myth via language such as 'The Public Health Act', and 'The Public may not proceed beyond this point'.

3.23. We are not the Public, and we did not give free will and informed consent to be a function of this Monopoly Game.

3.24. Thus rendering all matters **Null and Void.**

3.25. Unless **Crown: We The People of Superior Jurisdiction** offer Terms and Conditions that provide business opportunities for the corporate crown.

3.26. By tricking People into believing the DPP has some authority over them, the DPP gets away with behaviour it cannot get away with in Law.

3.27. It does not have authority.

3.28. How many People are sitting in jail because of the DPP?

3.29. The 'Public' is a legal fiction corporation, created without free will and informed consent.

3.30. In this way the DPP supports itself, and generates activity for itself, by referring to the People as the 'Public', and capturing them by trickery.

3.31. The DPP is a predator in our landscape, alleging to have powers over the People that it does not have. By referring to the People as the Public.

3.32. The DPP is to make available every case it has participated in whereby the People have gone to jail.

4. Order #4 Raina Cruise

4.1. To witness some of the behaviours of the DPP, we can address the following:

4.2. In the matter of Raina Cruise in which matters pertaining to her case were finally put to rest December 4 2024, following a 3+ year journey of court, with the threat of jail, for an altercation that occurred with Police during the height of the covid agenda;

4.3. The Director of Public Prosecutions, has now announced, via the Newscorp Advertiser, specifically by **Kyam Joseph Maher**: an

Australian politician and lawyer who has been Attorney-General of South Australia and the Leader of the Government in the Legislative Council since March 2022; that it has launched an appeal to the outcomes, seeking to ensure jail time for anyone who 'assaults' Police.

4.4. Let us calibrate that it was we; Humanity, who were and continue to be assaulted by the privately owned genocide agenda business model known as covid.

4.5. To not know at this very advanced stage that this 'private business model for profit' was a fraud and a genocide event upon Humanity; is to be living in extraordinary, dangerous and unacceptable levels of ignorance.

4.6. To hold any Public Office whilst not knowing this, and to be upholding the horrendous actions of the Policy Officers of the corporation, commonly known as Police, and their violent attacks upon Humanity during this era, is not only a standard of incompetence, but is further acts of Treason, Fraud and Slavery.

4.7. To then continue on and attempt to overrule the outcomes of the Court, with an appeal, all financed by the People, is a circus of

chaos, a persecution of Raina Cruise, and a standard, **Crown We The People of Superior Jurisdiction** do not accept from the Corporate Crown.

4.8. Under no circumstances will an appeal be accepted by the Courts without full accountability for perpetuating Harm and Injury on the Public Purse, for inflicting further mental and emotional cruelty, for burning up more of Raina Cruise's life, for free, whilst **Kyam Joseph Maher** receives a generous pay cheque from the Public Purse.

4.9. The Public Purse being hydrated via the monetisation of the Birth Certificate.

4.10. These are standards of alleging to have authority that is completely fictional. Of generating work for itself in the form of perpetuating more controversy over a matter that has been concluded.

4.11. The DPP is a privately owned, fictional construct, incompetent, promoting brainwashing by referring to the People as the Public whilst failing to be transparent about joinder, and is not granted permission to take any action in this matter.

5. Order #5. The Newscorp Advertiser.

5.1. The Advertiser, and specifically Emily Griffiths in this instance, is
to cease writing sensationalist material on all matters.

5.2. Emily Griffiths, via the Advertiser, should publish a retraction, by
31.12.2024 that the DPP will NOT be pursuing an appeal, financed
by the Public Purse and will address the fraud it operates in.

5.3. That is jailing People, under the misuse of the term 'Public'.

5.4. Raina Cruise is clearly being used to run a Corporate Policy
Officers agenda, to raise drama, and to distract Community about
the real matters at hand, that is, covid is a privately owned
genocide agenda. As evidenced here in a mighty research paper
