Cover-Note

Attached for the attention of:
Mark Pitt as the Chief Executive Officer, for-
The SOUTH BURNETT REGIONAL COUNCIL,

Claim of Lien DP-1946-10210-SBRC-MP-001, now Perfected: that now stands as the truth in law and evidence of crimes committed and ongoing, done knowingly with intent to defraud, and enslave, I, the man, even after being informed with irrefutable evidence that was ignored:

Cure and Remedy Fee Schedule 31st March 2023 now in force;

D&B Business Directory record, showing exactly what the SOUTH BURNETT REGIONAL COUNCIL, a supposed local government really is ... being not a government but just a business that lawfully must supply full disclosure, and gain the consent freely of those it wishes to engage in business with, otherwise they operate in fraud, and forced slavery
